Supply Under GST

Question 1

M/s. Veer Ltd. being a Garment manufacturer is located in Mumbai has appointed Mr Rudra to procure garments based on a specification given by him. As the same kind of garments are not available in area of Mr. Veer, so Mr. Rudra buys the specified garments on his behalf from M/s XYZ Ltd. and for this activities invoice is issued in the name of principal.

- 1) Whether it is to be treated as a supply under GST? Would your answer differ if invoice is issued in name of an agent Mr Rudra?
- 2) M/s Veer Ltd. transfers 1000 shirts from his factory located in Mumbai to his retail showroom in Delhi so that the same can be sold from there. The factory and retail showroom of M/s Veer Ltd are registered in the States where they are located. Although no consideration is charged, supply of goods from factory to retail showroom constitutes supply. Justify
- 3) On occasion of Diwali, M/s Veer Ltd distributes gift hamper to its employee worth ₹ 3,00,000. Does it qualify as supply?
Would your answer be different, if gifts of ₹ 42,000 have been given to a employee?
What would be your answer if Veer Ltd. pays ₹ 3,00,000 to its employees upon achieving a specified sales target. The incentive is part of the salary of the employees and applicable tax is deducted at source as per relevant income tax provisions.
What would be your answer if Veer Ltd offers its employees ESPP as part of their compensation package. When an employee decides to purchase these stocks, Dheer Ltd. (Japan based Co – holding company) directly transfers the shares to the employee. Veer Ltd. reimburses Dheer Ltd. for the cost of these shares on a cost-to-cost basis & there is no separate commission charged by Dheer Ltd.
- 4) Further M/s Veer appointed M/s Ram & M/s Shyam as agents to sell the products on behalf of M/s. Veer with the conditions that both of them guarantee the realization of payment from buyers. Both M/s. Ram and M/s. Shyam provide short-term borrowing facilities to buyers for timely payment of dues against supplies made to them and for this they charge interest from the ultimate buyer. While M/s. Ram raises invoices in the name of M/s. Veer and M/s. Shyam raises invoices in its own name.
In light of provisions contained in Para 3 of Schedule I of CGST Act, kindly explain treatment of interest charged by M/s. Ram and M/s. Shyam in above mentioned cases.
- 5) Along with above, Mr. Veer also provides bus service, meal coupon, telephone at residence, gives vehicle for official and personal use, uniform, and shoes to its employee. Explain the implication of GST under this case, if:-
 - a) These perquisites are provided as per the contract entered between employer and employee.

Veer Ltd. sold the goods to Paramveer Export House by endorsement of title to the goods, while the goods were in high seas. The agreement further provided that Veer Ltd. shall purchase back the goods in future from Paramveer Export House.
- 10) Mr. Veer also donated some money to Jansewa Charitable Trust in the memory of his late father. The Jansewa

Charitable Trust constructed a room in the school run by it from such donation and wrote “Donated by Mr. Veer in the memory of his father” on the door of the room so constructed.

Determine whether the above activities fall under the purview of supply as per Section 7 of CGST Act.

- 11) In addition to above, M/s Veer Ltd. needs an insurance worth ₹50 crore. It approaches FUTURE Insurance Ltd. for the same. However, since FUTURE Insurance Ltd. is unable to underwrite the entire risk alone, it enters into a reinsurance agreement with a reinsurer – ROYAL Insurance Ltd. The total premium charged is ₹5 lakh. The insurer – FUTURE Insurance Ltd. pays a reinsurance premium of ₹1 lakh to ROYAL Insurance Ltd. This allows FUTURE Insurance Ltd. to manage its risk and financial exposure. While paying this amount to ROYAL Insurance Ltd., FUTURE Insurance Ltd. deducts a ceding commission of ₹50,000 which it has charged for the services it provides to ROYAL Insurance Ltd. ROYAL Insurance Ltd. pays GST on the gross reinsurance premium including the ceding commission. Discuss whether the Services by FUTURE Insurance Ltd. to ROYAL Insurance Ltd. for which ceding commission is deducted from reinsurance premium paid by FUTURE Insurance Ltd. to ROYAL Insurance Ltd. amounts to supply.
- 12) FUTURE Insurance Ltd. enters into a co-insurance agreement with BHARTI Insurance Ltd. where FUTURE Insurance Ltd. is the lead insurer. The insured – M/s Veer Ltd. – pays a total premium of ₹10,00,000 which is apportioned by the lead insurer – FUTURE Insurance Ltd. between itself and BHARTI Insurance Ltd. in the ratio of 60:40 for the insurance services jointly supplied by them to M/s Veer Ltd. FUTURE Insurance Ltd. agrees to discharge the entire GST liability on the full amount of premium received from M/s Veer Ltd. Discuss whether the Apportionment of co-insurance premium by FUTURE Insurance Ltd. to BHARTI Insurance Ltd. for the insurance services jointly supplied by them to M/s Veer Ltd. amounts to supply.

Answer:-

<p>(1) Legal Provision:-</p> <p>⇒ Section 7(1)(c) read with Para 3 of Schedule I of CGST Act, 2017 states that supply of goods by an agent to his principal where the agent undertakes to receive such goods on behalf of the principal, shall be treated as supply even if made without consideration.</p> <p>⇒ As per CBIC clarification, if invoice for further supply is being issued by agent in his own name, then this activity is treated as supply under para 3 Schedule I, otherwise not.</p> <p>Discussion:-</p> <p>⇒ In the given case, Mr. Rudra (Agent) is appointed just to procure the goods on behalf of Mr. Veer (Principal) and he is issuing invoice also in name of Mr. Veer (Principal).</p> <p>⇒ He has not involved himself in the supply or receipt of goods in any way.</p> <p>⇒ Hence, Mr. Rudra is not an agent of Mr. Veer for the purpose of para 3 of schedule I.</p> <p>Conclusion:-</p> <p>i) No, it is not to be treated as a supply as per para 3 of Schedule I. This is because Mr. Rudra (Agent) is issuing invoice in name of the Mr. Veer (Principal).</p> <p>ii) Yes, if invoice is in the name Mr. Rudra (Agent), then this transaction will be treated as supply as per para 3 of Schedule I.</p>	<p>(2) Legal provision:</p> <p>⇒ As per section 7(1)(c) read with Para 2 of schedule I of CGST Act, 2017, Supply of goods &/or services between distinct person as u/s 25 in the course or furtherance of business shall be treated as supply even when it is made without consideration.</p> <p>⇒ Section 25(4) of CGST Act, 2017 states that if more than one registration is obtained or is required to be obtained by a person in one or more State, then for each of such registration, he shall be treated as distinct persons.</p> <p>Discussion & Conclusion:</p> <p>⇒ In given case, factory & retail showroom of M/s Veer Ltd. are registered in the States where they are located. So, both are treated as establishments of distinct person u/s 25(4).</p> <p>⇒ Although, no consideration is charged, supply of goods from factory to retail showroom constitutes supply as per para 2 of schedule I stated above as it is in course or furtherance of business.</p>

<p>(3)</p>	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per section 7(1)(c) read with Para 2 of Schedule I of CGST Act, 2017, Supply of goods &/or services between related persons is treated as supply even if it is without consideration. Proviso to para 2 of schedule I states that if gifts given by employer to an employee are not exceeding ₹ 50,000 in value in a financial year, then it shall not be treated as supply of goods &/or services. As per explanation to section 15, employer & employee are deemed to be related persons. As per CBIC clarification, ESOP/ESPP/RSU is a part of employee's remuneration as per their contract & thus, it is not a supply as per para 1 of Schedule III. Securities/shares are neither goods nor services as per the definitions in the GST Act & thus, its sale or purchase is not a supply. <p>Discussion & Conclusion:</p> <ol style="list-style-type: none"> Diwali gift to employee worth ₹ 3,00,000 will qualify as supply and such supply would be leviable to GST as the employer & employee are related and value of gift exceeds Rs 50000 in a financial year. If gift of ₹ 42,000 is given instead of ₹ 3,00,000, the same will not qualify as supply. This is because, the value of gift is not exceeding ₹ 50,000 in a financial year. <ul style="list-style-type: none"> In this case, the amount paid as incentive by Veer Ltd. is not in the nature of gift, and thus, is not covered under Schedule I. In fact, the incentive is part of the salary and is directly linked to the sales target. Therefore, the services provided in course or in relation to employment by the employees for which incentives are given to them shall not be treated as a "supply". The reimbursement from Veer Ltd. to Dheer Ltd. for the shares transferred to its employees, when done on a cost-to-cost basis, is not subject to GST. Also, the sale or purchase of shares is not a supply as these are not goods or services. 				
<p>(4)</p>	<ul style="list-style-type: none"> M/s. Ram & M/s. Shyam are Del Credere Agents (DCA) as they guarantee payment to the supplier, M/s. Vaar. As per Para 3 of Schedule I of the CGST Act 2017, a DCA is considered an agent if it issues the invoice in its own name. M/s. Shyam issues invoices in its own name, making it an agent under Para 3 of Schedule I, whereas M/s. Ram issues invoices in M/s. Veer's name, so it is not an agent under this provision. <p><u>Tax treatment of interest charged:</u></p> <ul style="list-style-type: none"> M/s. Ram (Not an Agent): Interest on short-term credit is an independent supply of service and is exempt from tax. M/s. Shyam (Agent under Para 3 of Schedule I): Interest is subsumed in the value of goods supplied and is taxable as part of the goods' value. 				
<p>(5)</p>	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per section 7(2) read with para 1 of Schedule III of CGST Act, any service provided by an employee to employer in the course of or in relation to employment shall be treated neither as a supply of goods nor a supply of services & thus, not taxable. As per CBIC Clarification, if any perquisites are provided by employer to its employees as per the contractual agreement between them, such perquisites shall be treated as consideration for employee in relation to his employment & thus, gets covered under para 1 of Schedule III. As per para 2 of Schedule I of CGST Act, gift given by employer to an employee exceeding ₹ 50,000 in value in a financial year is treated as deemed supply & thus, taxable under GST. <p>Discussion & Conclusion:</p> <table border="1" data-bbox="159 1885 1515 2190"> <tr> <td data-bbox="159 1885 215 2015">(a)</td><td data-bbox="215 1885 1515 2015"> <ul style="list-style-type: none"> In given case, perquisites are provided by employer to employee as per the contract between them & is thus provided in relation to employment. It is not treated as supply under GST as per para 1 of Schedule III & not leviable to GST. </td></tr> <tr> <td data-bbox="159 2015 215 2190">(b)</td><td data-bbox="215 2015 1515 2190"> <ul style="list-style-type: none"> Here, perquisites are provided by employer to employee without any agreement between them & thus, are not provided in relation to employment. It is not covered under para 1 of Schedule III & thus, taxable. However, GST is payable on entire value if such value exceeds ₹ 50,000 in a financial year for an employee as per para 2 of Schedule I. </td></tr> </table>	(a)	<ul style="list-style-type: none"> In given case, perquisites are provided by employer to employee as per the contract between them & is thus provided in relation to employment. (b)	<ul style="list-style-type: none"> Here, perquisites are provided by employer to employee without any agreement between them & thus, are not provided in relation to employment. (a)	<ul style="list-style-type: none"> In given case, perquisites are provided by employer to employee as per the contract between them & is thus provided in relation to employment. It is not treated as supply under GST as per para 1 of Schedule III & not leviable to GST. 				
(b)	<ul style="list-style-type: none"> Here, perquisites are provided by employer to employee without any agreement between them & thus, are not provided in relation to employment. It is not covered under para 1 of Schedule III & thus, taxable. However, GST is payable on entire value if such value exceeds ₹ 50,000 in a financial year for an employee as per para 2 of Schedule I. 				

(6)	As per section 7(2) read with para 4 of Schedule III of CGST Act, Services of funeral including transportation of the deceased shall be treated neither as a supply of goods nor a supply of services. Thus, there is no levy of GST on such activity as it is out of scope of supply .
(7)	As per section 7(2) read with para 5 of Schedule III of CGST Act, Sale of land shall be treated neither as a supply of goods nor a supply of services. Thus, there is no levy of GST on such activity as it is out of scope of supply .
(8)	<p>Legal Provision:</p> <p>➤ As per Section 7(1)(c) read with para 1 of schedule I of CGST Act, permanent transfer or disposal of business assets where ITC has been availed on such assets shall be treated as supply under GST even when there is no consideration involved.</p> <p>➤ So, if no ITC is availed on such business asset, then it will not be treated as supply under this para.</p> <p>Discussion & Conclusion:</p> <p>Business assets also includes stock in trade. Hence, in this case, permanent transfer of business stock free of cost shall be treated as supply under para 1 of schedule I as the M/s Veer Ltd. claimed input tax credit on his purchase of that business stock.</p>
(9)	<p>Legal Provision: As per para 8(b) of Schedule III to CGST Act 2017, high seas sale transactions i.e. supply of goods by consignee to any other person, by endorsement of documents of title to the goods, after the goods have been dispatched from the port of origin located outside India but before clearance for home consumption shall be treated neither as supply of goods nor as supply of services under GST.</p> <p>Discussion & Conclusion:</p> <p>➤ In given case, the sale of goods by Veer Ltd. to Paramveer Export House in high seas shall not be liable to GST.</p> <p>➤ Further, the import duty including IGST shall be payable by Paramveer Export House at the time of clearance of goods at port of import.</p> <p>➤ In case the goods are sold back by Paramveer Export House to Veer Ltd. at a subsequent point of time, the same shall be treated as normal domestic sale transaction and GST shall be applicable on the same subject to other conditions prescribed under GST Law.</p>
(10)	<p>Legal Provision:</p> <p>➤ As per CBIC clarification, it is clarified that in case of donations received by a charitable institution, when the name of the donor is displayed in recipient institution's premise as an expression of gratitude and public recognition of donor's act of philanthropy and is not aimed at giving publicity to the donor to advertise or promote his business, then it can be said that there is no supply of service for a consideration (i.e. donation).</p> <p>➤ Donations received by charitable organisations are treated as consideration only if there exists, quid pro quo, i.e., there is an obligation on part of recipient of donation or gift to supply a service.</p> <p>➤ Thus, GST is not leviable where all the following three conditions are satisfied namely:</p> <ul style="list-style-type: none"> ➤ Gift or donation is made to a charitable organization. ➤ Payment has the character of gift or donation. ➤ Purpose is philanthropic (i.e., it leads to no commercial gain) and not advertisement. <p>Discussion & Conclusion:</p> <p>➤ In given case, the way the name of Rudraksh Kapoor is displayed on the door of room constructed in school run by Jansewa Charitable Trust, it is only an expression of gratitude and public recognition of Veer's act of philanthropy and is not aimed at advertising or promoting his business.</p> <p>➤ There is no reference/ mention of his publishing house to be advertised.</p> <p>➤ Thus, the money donated by Mr. Veer is not leviable to GST.</p>
(11)	Legal Provision: Services by insurer to the reinsurer for which ceding commission or the reinsurance commission is deducted from reinsurance premium paid by the insurer to the reinsurer is neither supply of goods nor supply of services, subject to the condition that the GST is paid by the reinsurer on the gross reinsurance premium payable by the insurer to the reinsurer, inclusive of the said commission. [Para 10 of Schedule III]

	<p>Conclusion: In the given case, the reinsurer (ROYAL Reinsurers Ltd.) is liable to pay GST on the gross reinsurance premium payable by the insurer (₹1 lakh), inclusive of the ceding commission (₹50,000).</p>
(12)	<p>Legal Provision: Activity of apportionment of co-insurance premium by the lead insurer to the co-insurer for the insurance services jointly supplied by the lead insurer and the co-insurer to the insured is neither supply of goods nor supply of services if lead insurer paid GST on entire premium and hence no GST is charged on the apportionment transaction. [Para 9 of Schedule III]</p> <p>Conclusion:</p> <ul style="list-style-type: none"> ➤ The lead insurer (FUTURE Insurance Ltd.) is required to pay the entire GST (CGST and SGST or IGST, as applicable) on the full premium amount paid by the insured – M/s Veer Ltd., of ₹10,00,000. ➤ The co-insurer, BHARTI Insurance Ltd. does not pay GST on its share of the premium separately.

Sheetal is also planning to run an eating stall at a cinema hall on contract basis where the cinema hall is owned by some other person. She would be supplying food and beverages independent of cinema exhibition service as tickets would not sold by her. She wants to get an advice on the taxability of supply of food and beverages at the cinema hall.

Answer:- A) Computation of GST liability (CGST, SGST and IGST, as the case may be) of Miss Sheetal for the month of November, 20XX

S.No.	Particulars	Amount (₹)	IGST @ 18% (₹)	CGST @ 9% (₹)	SGST @ 9% (₹)
1.	Donation to Sewa Charitable Trust [Note 1]	3,00,000	-	-	-
2.	Supply of Diwali Gift Box [Note 2]	50,000	-	-	-

3.	Supply of Hair dryer along with Charger to Surat customer [Note 3]	80,000	14,400	-	-
4.	Investment in Stocks [Note 4]	5,00,000	-	-	-
5.	Import of Consultancy Services [Note 5]	2,50,000	-	-	-
6.	Import of Legal consultancy services [Note 6]	99,000	17,820	-	-
7.	Free makeup Kit to friend [Note 7]	80,000	-	-	-
8.	Incentives to Employees [Note 8]	75,000	-	-	-
	Value of Taxable supply		32,220	-	-

Notes:

- 1) The name of 'Fashion Varieties' has been displayed on the door of the room constructed in the school run by Sewa Charitable Trust, it might be aimed at advertising or promoting his business. There is a direct mention of his Fashion Varieties which is being advertised. Thus, **it is a supply of service** by Sewa Charitable Trust for a consideration received in the form of donation. The tax on this donation will be collected from Sheetal & paid by Sewa Charitable Trust.
- 2) It is a mixed supply and is treated as supply of that particular supply which attracts highest tax rate [viz. Dry Fruits] in terms of **section 8(b) of the CGST Act, 2017**. But, as per proviso to para II of schedule I gift to employee upto ₹50,000 is not treated as supply.
- 3) Being naturally bundled, supply of Hair dryer along with the charger is a composite supply which is treated as the supply of the principal supply [viz. Hair dryer] in terms of **section 8(a) of the CGST Act, 2017** and is an inter-State supply. Accordingly, IGST @ 18% will be charged.
- 4) The definitions of the terms 'goods' and 'services' specifically exclude 'securities' from their purview. Further, 'derivatives' are included in the definition of 'securities'. As 'derivatives' fall in the definition of securities, they are neither goods nor services and hence, are not liable to GST.
- 5) **As per section 7(1)(b) of CGST Act, 2017**, Supply includes import of services for a consideration whether or not in the course or furtherance of business. Thus, it will be treated as a supply, However it is **exempted vide notification**.
- 6) **As per para 4 of schedule I of CGST Act**, import of services by a person from a related person located outside India, without consideration is treated as supply if it is provided in course or furtherance of business. It is taxable under RCM.
- 7) **As per section 7(1)(c) under Schedule I of the CGST Act**, goods or services are given to unrelated persons without consideration cannot be considered as supply.
- 8) **As per section 7(2) read with Schedule III of the CGST Act**, services by an employee to employer in the course of or in relation to his employment shall not be treated as supply under GST.

Further, the amount paid as incentive by Miss Sheetal is not in the nature of gift, and thus, is not covered under Schedule I of the CGST Act.

B) Legal Provision:-

- The cinema operator
 - i) may run refreshments or eating stalls/ kiosks/ counters or restaurant themselves or
 - ii) they may give it on contract to a third party.
- As per CBIC Clarification, it is clarified that supply of food/beverages in cinema hall **is taxable as 'restaurant service'**, if:
 - a) the food or beverages are supplied by way of or as part of a service, and
 - b) supplied independent of the cinema exhibition service.
- Also, where the sale of cinema ticket and supply of food and beverages are clubbed together, and such bundled supply satisfies the test of **composite supply**, the entire supply **will attract GST at the rate applicable to service of exhibition of cinema**, the principal supply.

Discussion & Conclusion:-

- In the given case, Sheetal is thinking to run an eating stall at cinema hall on third party contract basis.
- The food and beverages supplied by Sheetal would be independent of cinema exhibition service.
- The tickets of the cinema would be sold by cinema operator and not by Sheetal and thus, supply of tickets and food and beverages would not be naturally bundled.
- Thus, supply of food/beverages by Sheetal in cinema hall **would be taxable as 'restaurant service'**.

Question 2

Discuss the GST implication in the following case study.

It was a busy Monday morning in Mumbai, and Ravi, a software developer, needed a quick ride to the office. He opened an app FastCabs (an ECO) to book a motorcab. The app connected him to Mohan, an independent driver operating his own motorcab.

After a long workday, Ravi needed a place to stay overnight. He found BudgetStay, an unregistered hotel located near his office. BudgetStay had no GST registration but listed its rooms on an online travel platform operated by an ECO called StayEasy. Ravi booked a room through StayEasy and was charged for his stay.

The next morning, Ravi discovered a leaking pipe in his bathroom. In panic, he used the app QuickFix, which connected him to Suresh, an unregistered plumber. QuickFix was an online platform (ECO) that specialized in providing various home services such as plumbing and carpentry.

After the long day, Ravi decided to have dinner & ordered food through Zomato from The Royal Dine, located inside a luxury hotel. The hotel had a declared tariff of ₹10,000 per unit per day for its rooms, which qualified it as a specified premises under GST law.

Answer:

(a)	Since the ride was booked through FastCabs, thus FastCabs (the ECO) handled the GST collection and payment.
(b)	<ul style="list-style-type: none"> ➤ Since the service was provided through StayEasy (the ECO), GST will be applicable. ➤ However, if BudgetStay exceeded the GST registration threshold (₹20 lakhs turnover), it would have to register under GST, and then it would be responsible for handling the GST, not the ECO.
(c)	<ul style="list-style-type: none"> ➤ Suresh's plumbing service was provided through an ECO (QuickFix), thus GST will be applicable. ➤ If Suresh gets registered under GST in the future, QuickFix would no longer be responsible for collecting the GST.
(d)	<ul style="list-style-type: none"> ➤ Since the restaurant was located in a specified premises (the luxury hotel), no GST was applied to the meal. ➤ The ECO would not charge GST because the restaurant was part of a hotel with a tariff above ₹7,500.

S.No.	Particulars	PFY 20XX-XY(₹)	1st Qtr 20XY-YZ(₹)

6.	Interest on loan/advances/deposits	4.00 lacs	1.20 lacs

Calculate GST payable under composition scheme for 1st quarter of CFY 20XY-YZ

Answer:

Legal Provision:

As per **section 2(6)** of CGST Act, 2017, aggregate turnover means the aggregate value of:

- All taxable supplies (other than inward supplies under RCM)
- Exempt Supplies
- Export of goods or services or both and

to be computed on all India basis but it **excludes** central tax, state tax, union territory tax, integrated tax and cess.

Value of exempt supply of goods	20.00
Value of taxable supply of service	5.00
Value of exempt supply of service	3.00

Aggregate turnover	133.00

As the aggregate T/O of P.F.Y. does not exceeds 1.5Cr, M/s XYZ is eligible for composition levy.

b) Calculation of value of supply of service to be allowed in CFY

The applicable limit is 10% of turnover in state i.e. ₹ 13.3 lakhs or ₹ 5 lakhs whichever is higher (Company having the only registered place of business in the State of Maharashtra. Hence, there Agg. T/o is equals to turnover in state)

Actual supply of service in CFY [taxable supply + exempt supply] other than restaurant services = ₹ 1.5 lakhs which is within limit

Note: As per explanation to section 10(1), the value of exempt supply of services provided by way of extending

deposits, loans or advances in so far as the consideration is represented by way of interest or discount shall not be taken into account for determining the value of turnover in a State or Union territory.

Interest is not considered while computing turnover in the State for determining the tax payable under composition scheme (In terms of explanation 2 to section 10)

c) Calculation of GST on supply of goods and services except restaurant service

Particulars	₹ in lacs
Value of taxable supply of goods	20,00,000.00
Value of exempt supply of goods	5,00,000.00
Value of taxable supply of service	1,00,000.00
Value of exempt supply of service	50,000.00
Turnover in State	26,50,000.00
CGST @ 0.5 %	13,250.00
SGST @ 0.5 %	13,250.00
Total	26,76,500.00

d) Calculation of GST liability on restaurant service

Particulars	₹ in lacs
Value of Supply	1,50,000.00
CGST @ 2.5 %	3,750.00
SGST @ 2.5 %	3,750.00
Total	1,57,500.00

Note:-

- Manufacturer shall pay composition tax @ 1% of turnover in state which also includes nil rate & wholly exempt supply.
- As per explanation 2 to sec 10 interest on loan to be excluded from Turnover in State. Hence it should not be added for calculation of GST liability.

d)	<p>Legal Provision:-</p> <p>As per section 12(4) of CGST Act, 2017, time of supply of vouchers issued by supplier of goods shall be:-</p> <ul style="list-style-type: none"> a) the date of issue of voucher if the supply is identifiable at that point; or b) the date of redemption of voucher, in all other cases. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ➤ In the given case, supply is identifiable at the time of issue of voucher as the vouchers specifically pertains to footwear. ➤ Hence, the time of supply of vouchers shall be the date of issue of voucher i.e. 15/12/20XX.
e)	<p>Legal Provision:-</p> <p>As per section 13(5) of CGST Act, 2017, where it is not possible to determine the time of supply under section 13(2), 13(3) and 13(4), then:-</p> <ul style="list-style-type: none"> ➤ <u>In a case where a periodical return has to be filed:-</u> Time of supply shall be the date on which such return is to be filed (i.e. Due date for filing of periodical return) or ➤ <u>In any other case:-</u> The time of supply shall be the date on which the tax is paid. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ➤ In the given case, it is not possible to determine the time of supply using:- <ul style="list-style-type: none"> ➤ date of invoice,

f)	<p>Legal Provision:</p> <p>☞ As per section 12(6) of CGST Act, 2017, the time of supply for the addition in value of supply by way of interest, late fee, or penalty for delayed payment of any consideration shall be the date of receipt of such addition in value by supplier</p> <p>Discussion & conclusion:</p> <p>☞ Thus, in the given case, the time of supply of Penalty on delayed payment of consideration would be the date on which the supplier has received such additional consideration, i.e. 1/12/20XX</p>
g)	<p>Legal Provision:-</p> <p>☞ As per proviso to section 13(2) of CGST Act, if supplier of taxable services receives upto Rs 1000/- in excess of the amount indicated in the tax invoice, then the supplier has the option to take the date of issue of invoice for such excess amount as the time of supply for such excess.</p> <p>Discussion & Conclusion:-</p> <p>(i) If Z Ltd makes the payment of ₹5,500:-</p> <ul style="list-style-type: none"> ☞ In the given case, excess amount paid is ₹500 (which is not exceeding Rs. 1000) as the January, 20XX bill was for Rs. 5000 & payment made Rs. 5500. ☞ Therefore, time of supply of such excess amount is 05/03/20XX i.e. date of invoice for such excess as per proviso to section 13(2). <p>(ii) If Z Ltd makes the payment of ₹6,500:-</p> <ul style="list-style-type: none"> ☞ Here, the excess payment is ₹1500 which exceeds Rs. 1000. ☞ In such case, above proviso is not applicable. ☞ Therefore, as per section 13(2), the time of supply shall be the date of receipt of such excess advance amount.
h)	<p>Legal Provision:</p> <p>☞ As per section 14(b)(ii) of CGST Act 2017, if the invoice has been issued and payment is received before the change in rate of tax, the TOS shall be the Earlier of date of receipt of payment or date of issue of invoice.</p> <p>☞ As per Sec 14(b)(i) of CGST Act, where the payment is received after the change in rate of tax, but the invoice has been issued prior to the change in rate of tax, the TOS shall be the date of receipt of payment.</p> <p>Conclusion:</p> <p>☞ In the given case, date of issuance of invoice is on 21st February whereas date of receipt of payment is 28th February, & both have occurred before the change in rate of tax.</p> <p>☞ Thus, Time of supply of services is 21st February.</p> <p>☞ In the second case, payment is received after the change in rate of tax, but invoice has issued before the change in rate of tax.</p> <p>☞ Thus, Time of supply is 25th February.</p>
i)	<p>Legal Provision & Discussion:</p> <p>☞ As per section 14 of the CGST Act, 2017, in case of change in rate of tax, date of receipt of payment is earlier of:</p> <ul style="list-style-type: none"> ➤ date of entering payment in the books of account of the supplier (11.08.20XX) or ➤ date on which the payment is credited to his bank account (17.08.20XX). <p>☞ However, if the payment is credited in the bank account after 4 working days from the date of change in the rate of tax, the date of receipt of payment will be the date of credit in the bank account</p>

	<p>➡ If goods and/or services have been supplied before the change in rate of tax (10.08.20XX) and the payment has been received before the change in rate of tax (11.08.20XX), but the invoice for the same is issued after the change in rate of tax (23.08.20XX), the time of supply shall be the date of receipt of payment</p> <p>Conclusion:</p> <p>➡ Since the payment has been credited in the bank within 4 working days from the date of change in the rate of tax, Thus the date of receipt of payment will be 11.08.20XX [i.e., earlier of 11.08.20XX or 17.08.20XX].</p> <p>➡ Therefore, in the given case, the time of supply will be 11.08.20XX and the applicable rate of tax will be rate prevalent at the time of supply, i.e., IGST @ 5%. Therefore, the contention of Mr. SRK Ltd. is correct</p> <p>➡ Further, if the date on which the payment is credited to bank account of supplier is 14.08.20XX, the date of receipt of payment will continue to be 11.08.20XX [i.e., earlier of 11.08.20XX or 14.08.20XX] since the payment is credited in the bank account before change in rate of tax. Consequently, with other things remaining the same, the time of supply and the applicable rate of tax will remain the same.</p>
j)	<p>Legal Provision:-</p> <p>Where Goods are being sent for approval on Sale/ Return basis are removed before Supply taken place, Invoice shall be issued.</p> <p>(a) Before or at the time of Supply or (b) 6 months from the date of Removal Whichever is earlier</p> <p>Determination of TOS :-</p> <p>➡ TOS in above case shall be determined as per Sec. 12 (2) read with N/No. 66/2017. i.e.</p> <p>➤ Date of Invoice or ➤ Last date of Invoice Whichever is earlier.</p> <p>Discussion and Conclusion:-</p> <p>➡ So, in given case, approval is received within 6 months therefore TOS = date of invoice & Last date of Invoice is same i.e. 15-09-20XX.</p> <p>➡ Completion of 6 month if acceptance not given within 6 month. Hence, TOS is on 09-02-20XY.</p>
k)	<p>Legal Provision: If supply of services is liable under reverse charge, then time of supply of services shall be the earliest of the following dates: [Sec 13(3)]</p> <p>a) Date of payment by recipient (i.e., earlier of book entry or debit to bank) b) 61st day from supplier's invoice, in cases where invoice is required to be issued by the supplier or c) Date of issue of invoice (Self Invoice) by the Recipient, in cases where invoice is to be issued by the recipient.</p> <p>Discussion & Conclusion:</p> <p>➡ In given case, Purohit Consultants is not registered under GST, so it is not required to issue invoice, so condition of 61st day from issuance of invoice by supplier is not relevant here.</p> <p>➡ Thus, Time of Supply will be earlier of following:</p> <p>a) Date of payment is May 02, 20XX. b) Date of issue of invoice by SRK Pvt. Ltd. (recipient) is March 10, 20XX.</p> <p>➡ Therefore, TOS will be March 10, 20XX.</p> <p>➡ In the second case, invoice is issued by Purohit Consultants, So TOS will be earlier of:</p> <p>a) Date of payment is May 02, 20XX b) 61st date from the invoice issuance date by the supplier i.e May 5, 20XX.</p> <p>➡ Thus, TOS will be May 02, 20XX.</p>

As per the terms of contract, Renduhoot Ltd. is required to make payment at different stages of completion of the building namely, 50%, 75% and 100%.

Determine the time of supply using relevant details given as under:

Stage	Date of various stages	Date of issuance of invoice	Date of payment	Amount paid (₹)
Initial booking	02.07.20XX	02.07.20XX	02.07.20XX	15 lakh

100% completion of building	30.09.20XY	30.09.20XY	20.09.20XY	40 lakh

Answer:- As per section 13, the time of supply of services is the earlier of the dates arrived at by methods (A) and (B), as follows:

- (A) Date of invoice or date of receipt of payment (to the extent the invoice or payment covers the supply of services), whichever is earlier, if the invoice is issued within the time prescribed under section 31;
- (B) Date of provision of service or date of receipt of payment (to the extent the payment covers the supply of services), whichever is earlier, if the invoice is not issued within the time prescribed under section 31 Since in the present case, the construction services are provided under a contract for a period exceeding three months with periodic payment obligations, such services would fall within the ambit of term **“continuous supply of services”** as defined under section 2(33).

Legal Provision:- First write **general provision here as given in Note 12 refer above**

Accordingly, the time of supply with respect to each of the stages of completion is as follows:

Stages of completion	Time of supply
Initial booking	Since invoice is issued within the prescribed time limit, earlier of the ➤ date of issuance of invoice (02.07.20XX) and ➤ date of receipt of payment (02.07.20XX) Therefore, time of supply is 02.07.20XX
50%	Since invoice has not been issued on or before the date of 50% completion, earlier of ➤ date of provision of service (15.03.20XY) or ➤ date of receipt of payment (29.03.20XY), Therefore, time of supply is 15.03.20XY .
75%	Since invoice has not been issued on or before the date of 75% completion, earlier of ➤ date of provision of service (20.06.20XY) or ➤ date of receipt of payment (23.07.20XY), Therefore, time of supply is 20.06.20XY
100%	Since invoice is issued within the prescribed time limit, earlier of the ➤ date of issue of invoice (30.09.20XY) or ➤ date of receipt of payment (20.09.20XY), Therefore, time of supply is 20.09.20XY

Notes:

1.	<p>➡ If open market value is not available then the value of goods supplied between principal & Agent is 90 % of price charged by the agent for the like goods to an un-related customers. [Rule 29]</p> <p>➡ Since it is inter-State supply, IGST @5% is applicable</p>
----	---

2.	<p>☞ If given case, Kaushal Manufacturers Ltd. holds 75% shares in Ronn Technomart, making then related person. [Explain to Sec 15]</p> <p>☞ Since Technomart is not eligible for Full ITC, invoice value can't be accepted as OMV. Hence OMV of goods is ₹ 30,00,000.</p> <p>☞ Being an inter-State supplies, IGST @ 5% is applicable [Rule 28]</p>
3.	<p>☞ If Payment is received in foreign currency, the value of taxable goods shall be determined by using exchange rate as notified by CBIC on the date of time of supply [Rule 34]</p> <p>☞ Here, notified rate on the date of invoice is ₹ 63.94. Thus Value of Supply = \$ 690.25 X 63.94 = 44135</p>
4.	<p>☞ If Currency exchange to /from INR, the value of supply = (RBI reference rate - buying/selling rate) X total units exchanged = (₹ 68.6 - 68) X ₹ 1,00,000 = ₹ 60,000</p> <p>☞ Further, if neither currency in INR, value = 1% of lesser of two foreign currency amount converted into INR [Rule 32(2)(a)]</p> <p>☞ Hence value of taxable supply 1% of lower of following amounts a) \$ 1,00,000 X 68 = ₹ 38,00,000 or (b) £ 80,000 X 90 = ₹ 72,00,000 Therefore value of supply = 1% of 68,00,000 = ₹ 68,000</p>
5.	☞ Being an intra-State supply of goods, supply of electronic home appliances to wholesale dealers of said appliances in Delhi is subject to CGST and SGST @ 2.5 % each.
6.	☞ Supply of electronic home appliances to Anchor electricals Inc (USA) under LUT qualifies as export of goods which is zero rated supply & can be made without payment of IGST [Sec 16 of IGST]
7.	☞ Being an intra-State supply of services, supply of repair and maintenance services to Unitech Ltd. of Delhi is subject to CGST and SGST @ 9% each.
8.	<p>☞ In case of supply of services, when invoice is issued within time, the time of supply of services is the earlier of the date of invoice or date of receipt of payment receipt date. [Sec 13(2)]</p> <p>☞ In the given case, invoice is issued within 30 days, the time of supply is the date of advance received in January & GST is payable on that advance.</p>
9.	☞ In case of supply of goods, GST is not payable on advanced received (Sec 12(2), read with N/N 66/2017). Hence, said advance will be taxed in March and not in January.
10.	<p>☞ In case of dealer in second hand goods who has not taken ITC, the value of supply is the difference between selling price & purchase price [Rule 32(5)]</p> <p>☞ Therefore, value of Supply = ₹ 6,20,000 - ₹ 5,00,000 = ₹ 1,20,000</p>

2) Legal Provision :-

- ☞ As per **Rule 28(2)** of CGST Rules 2017, The value of supply of services by a supplier to a related recipient in India, by providing a corporate guarantee to a bank or financial institution, shall be deemed to be 1% of the guarantee amount per annum or the actual consideration, **whichever is higher.**
- ☞ If the recipient is eligible for full ITC, the value declared in the invoice shall be **deemed to be the value of said supply of services.**

Discussion & Conclusion:

- ☞ In the given case, 1% of the guaranteed amount is ₹ 15,00,00,000 * 1% = ₹ 15,00,000, which is higher than the actual consideration of ₹ 2,00,000 per annum.
- ☞ Therefore, the deemed value for GST purposes is **₹ 15,00,000.**
- ☞ However, since XYZ Pvt. Ltd. is **eligible for full ITC**, the value declared in the invoice can be **₹ 2,00,000.**
- ☞ Hence, GST will be calculated on ₹ 2,00,000. The GST payable at 18% is ₹ 2,00,000 * 18% = **₹ 36,000.**

Question 3

Fortune 365 is an online money gaming platform operating from UAE. It provides its users a platform to play and win money in different games that are available on its portal.

In the month of December, Player A, an unregistered person located in India, deposited an amount of ₹ 10,000 (inclusive of GST) in the master wallet available on the portal of Fortune 365. Subsequently, following transactions were undertaken by Player A in said month:

- Player A utilized the amount of ₹ 2,000 from the master wallet towards playing a virtual racing game on the portal. As a winning amount, ₹ 10,000 was credited to the master wallet of Player A.
- On another portal operated by Fortune 365 in the name of Bet 180, Player A placed a bet of face value of ₹ 11,000 on an international wrestling match. The amount of such bet was paid by the master wallet of Player A. However, he lost the bet and hence the bet amount of ₹ 11,000 with applicable taxes was transferred from the master wallet to the bank account of Bet 180.
- Player A transferred the balance amount from the master wallet to his bank account after the aforesaid transactions. Assume all the above transactions to be exclusive of GST unless otherwise specified.
- Rate of GST applicable is 28% (Please ignore the bifurcation of GST amount into CGST, SGST and IGST.)

Based on the information provided above, answer the following questions, providing brief reasons:

- Compute the total GST payable on the aforesaid given transactions.
- Determine the net amount transferred by Player A to his bank account after the aforesaid transactions.
- Ascertain whether Fortune 365 is required to obtain registration under GST in India. Will your answer be different if Player A is registered under GST in India?

Answer:-

Legal Provision:- The value of online money gaming is the total amount paid or deposited by or on behalf of the player including virtual digital assets [Rule 31B)]

Also for betting, the value of Supply is 100% of face value of the bet [Rule 31A]

In accordance with the above provisions:

(1) Total GST payable on given transactions is as follows:

- Value of supply of online money gaming [Rule 31B] =
= Initial deposit of ₹ 10,000 (inclusive of GST) by Player A with Fortune 365 after excluding GST = ₹ 7,812.50 ($₹ 10,000 \times 100/128$)
GST payable = ₹ 7,812.50 \times 28% = ₹ 2,188 – [A]
- Value of supply of online bet [Rule 31A] = 100% of the face value of the bet = ₹ 11,000
GST payable = ₹ 11,000 \times 28% = ₹ 3,080 – [B]
Thus, total amount of GST collected by Govt [A] + [B] = ₹ 5,268

(2) Total amount transferred by Player A to his bank account from the master wallet is as follows:

Particulars	Amount (₹)
Initial Deposit	10,000
Less – GST on deposit	2,188
Less – Payment for virtual racing game	2,000
Add – Winning from virtual racing game	10,000
Less – Payment for bet placed on Bet 180	11,000
Less – GST on the bet place on Bet 180	3,080
Net balance available for transfer	1,732

- 3) ➤ Any person supplying online money gaming from outside India to person in India, must compulsorily register under GST in India. [Sec 24]
- Thus Fortune 365, operating from UAE is mandatorily required to register in India, regardless of whether player A is registered under GST in India or not.

Notes:

- 1) ITC of health insurance is **blocked** since said services are not obligatory for employer to provide to its employees under any law. [section 17(5)(b)]
- 2) Where the goods against an invoice are received in lots/instalments, ITC is allowed upon receipt of the **last lot/instalment**, Thus, ABC Company Ltd. will be entitled to ITC of raw materials on receipt of second instalment in December 20XX. [Proviso to section 16(2)]
- 3) ITC on works contract services is **blocked** when supplied for construction of immovable property (other than plant and machinery) except when the same is used for further supply of works contract service. [Section 17(5)(c)]
Though in this case, the works contract service is not used for supply of works contract service, ITC thereon will be **allowed** since such services are being used for installation of plant and machinery.
- 4) ITC on capital goods directly sent to job worker's premises under challan is **allowed**. [Section 19(5) read with rule 45]
- 5) ITC on motor vehicles is **allowed** only when the same are used for:

(i) for making taxable supply of-

- a) further supply of such vehicles,
- b) transportation of passengers,

- 6) ITC on outdoor catering is **blocked** except where the same is used for making further supply of outdoor catering or as an element of a taxable composite or mixed supply. Since ABC Company Ltd is a supplier of machine, ITC thereon will not be available. [Sec 17(5)(b)(i)]
- 7) **ITC is not blocked** on rent-a cab services where the government notifies services which are obligatory for an employer to provide to its employees. [sec 17(5)(b)]
- 8) ITC in respect of goods that are disposed of by way of gifts is **blocked**. [sec 17(5)(h)]
- 9) ITC on goods and/or services received by a taxable person for construction of an immovable property (other than plant and machinery) on his own account is **blocked** even though such goods and/or services are used in the course or furtherance of business. [Sec 17(5)(d)]

In the given case, taxable person has used the goods and services for construction of immovable property for some other person and not on its own account. Thus, **ITC in this case will be allowed**

- 10) ITC is **allowed** on repair and maintenance services relating to motor vehicles, which are eligible for input tax credit. [section 17(5)(ab)]

Further, **as per** ITC is allowed on motor vehicles which are used for transportation of goods. [section 17(5)(a)]

- 11) ITC is **available** on goods used in the course or furtherance of business. [sec 16(1)]
- 12) If depreciation has been claimed on the tax component of cost of capital goods and plant and machinery under Income-tax Act, 1961, then ITC is not allowed on the said tax component [section 16(3)]
- 13) ITC is **blocked** on goods stolen. [sec 17(5)(h)]
- 14) Goods delivered to a third person on direction of registered person are deemed to have been received by such registered person. So, **ITC is available to registered person** even though he did not receive the goods. [Explanation to section 16(2)(b)]
- 15) ITC is blocked on goods on which tax is paid under composition scheme. [sec 17(5)(g)]
- 16) **ITC is not available**, if supplier has not reported the invoice in his GSTR-1, even though the tax is deposited to Government within due date, since all conditions are to be satisfied u/s 16(2) to avail ITC. [section 16(2)(aa)]
- 17) CBIC clarified that if the vehicle is solely used for demonstration purposes and not for passenger transport or training, thus ITC is not blocked u/s 17(5)(a).

- 18) ➡ Since machine is always hired out along with operators & operators are supplied only when the machines are hired out, it is a case of composite supply, wherein the principal supply is the hiring out of machines [Section 2(30) of the CGST Act, 2017 read with section 2(90) of that Act].

➡ Therefore, service of supply of manpower operators will also be taxed at the rate applicable for hiring out of machines (principal supply), which is **12%**, [section 8(a)].

B) Legal Provision:

- If the registration of a RP is cancelled u/s 29 & subsequently revoked u/s 30 or by an order from the Appellate Authority, Appellate Tribunal, or court, the RP can claim ITC for the invoices or debit notes that were not restricted u/s 16(4) on the date of cancellation. [**Sec 16(6)**]
- Its ITC can be claimed in the return filed till the **later of** following dates:
 - a) Earlier of 30th Nov of following year or date of furnishing Annual return.
 - b) Return filed for period from the date of cancellation of registration or the effective date of cancellation of registration till the date of the order revoking the cancellation, if such return is filed within 30 days from the date of the revocation order.

Discussion & Conclusion:

- In the given case, ITC for the invoice dated 20th July 20XX will be claimed by the **later of:-**
 - a) 30th November 20YY i.e. the earlier of 30th November 20YY or 15th December 20YY or
 - b) 25th February 20YY i.e. the date of filing return for the period from 15th August 20XX (cancellation date) to 5th February 20YY (revocation order date).
- Thus ABC Ltd. must claim the ITC by **30th November 20YY**.

- 3) All the sales and purchases made by the Store are within Maharashtra. All the purchases are made from registered suppliers. All the other expenses incurred are also within the State.
- 4) Wherever applicable, the amounts given are exclusive of taxes.
- 5) All the necessary conditions for availing the ITC have been complied with

Answer:

Legal Provision: As per **Sec 17 read with rule 42** of the CGST Rules, 2017, ITC in respect of inputs or input services being partly used for the purposes of business and partly for other purposes, or partly used for effecting taxable supplies and partly for effecting exempt supplies, shall be attributed to the purposes of business or for effecting taxable supplies.

ITC credited to the electronic credit ledger of registered person ['C1'] is calculated as under-

$$C1 = T - (T1 + T2 + T3)$$

where,

T	Total input tax involved on inputs and input services in a tax period.
T ₁	Input tax attributable to inputs and input services intended to be used exclusively for non-business purposes
T ₂	Input tax attributable to inputs and input services intended to be used exclusively for effecting exempt supplies
T ₃	Input tax in respect of inputs and input services on which credit is blocked under section 17(5) of the CGST Act, 2017

Step 1 : - Computation of total input tax involved [T]

Particulars	Computation	₹
GST paid on taxable items	[₹55,00,000 x 18%]	9,90,000
Items exempted vide a notification [Since exempted, no GST is paid]		Nil
Items not leviable to tax [Since non-taxable, no GST is paid]		Nil
GST under reverse charge on freight paid to GTA for inward transportation of taxable items-	[₹1,00,000 x 5%]	5,000
GST paid under reverse charge on freight paid to GTA for inward transportation of exempted items -	[₹80,000 x 5%]	4,000
GST paid under reverse charge on freight paid to GTA for inward transportation of non-taxable items -	[₹20,000 x 5 %]	1,000
Gst paid on monthly rent -	[₹5,50,000 x 18%]	99,000
GST paid on packing charges	[₹2,50,000*18%]	45,000
Salary paid to staff at the store [Note 1]		Nil
GST paid on input used for personal purpose		5,000
GST paid on rent a cab services availed for business purpose		4,000
GST paid on items given as free samples		4,000
Total input tax involved in a tax period (October, 20XX) [T]		11,57,000

Step 2 :- Computation of T_1 , T_2 , T_3 , T_4

Particulars	₹	remark
GST paid on monthly rent attributable to personal purposes [1/3 of ₹99,000]	33,000	
GST paid on inputs used for personal purpose	5,000	
Input tax exclusively attributable to non-business purposes [T1]	38,000	
GST paid under reverse charge on freight paid to GTA for inward transportation of exempted items	4,000	Input service of inward transportation of exempted items is exempt vide notification which is exclusively used for effecting exempt supplies
GST paid under reverse charge on freight paid to GTA for inward transportation of non-taxable items	1,000	Input service of inward transportation of non-taxable items is treated as exempt supply which is exclusively used for effecting exempt supplies
Input tax exclusively attributable to exempt supplies [T2]	5,000	
GST paid on rent a cab service availed for business purpose	4,000	As per Sec 17(5)(b) of CGST Act, ITC is blocked on rent-a cab services as the same is not used by All-in-One Store for providing the rent a cab service or as part of a taxable composite or mixed supply. It has been assumed that it is not obligatory for employer to provide such cab service under any law
GST paid on items given as free samples	4,000	As per Sec 17(5)(h) of CGST Act, ITC on goods disposed by way of free samples is blocked
Input tax for which credit is blocked under section 17(5) of the CGST Act, 2017 [T3]	8,000	Since GST paid on inputs used for personal purposes has been considered while computing T_1 , the same has not been considered again in computing T_3
GST Paid on taxable items	9,90,000	
GST paid under reverse charge on freight paid to GTA for inward transportation of taxable items	5,000	
Input tax exclusively attributable to taxable supplies [T4]	9,95,000	

Step 3 : - Computation & Apportionment of credit

S.No.	Particulars	Computation (₹)
i.	$C_1 = T - (T_1 + T_2 + T_3)$	11,57,000 - (38,000 + 5,000 + 8,000)
	ITC credited to the electronic Credit ledger	11,06,000
ii.	$C_2 = C_1 - T_4$	11,06,000 - 9,95,000
	Common Credit attributable	1,11,000
iii.	$D_1 = (E / F) \times C_2$ Where, 'E' is the aggregate value of exempt supplies during the tax period i.e. 12,00,000 + 3,00,000 'F' is the total turnover in the State of the registered person during the tax period i.e. 42,00,000 + 12,00,000 + 3,00,000 + *8,00,000 = 65,00,000	(15,00,000 / 65,00,000) * 1,11,000
	ITC attributable towards exempt supplies	25,615

iv.	$C_3 = C_2 - D_1$	1,11,000 - 25,615
	Eligible ITC attributed for effecting taxable supplies	85,385

* Transfer of items to Store located in Goa is inter-State supply as per section 7 of the IGST Act, 2017 and hence includible in the total turnover & such supply is to be valued as per rule 28 of the CGST Rules, 2017. However, the value declared in the invoice cannot be adopted as the value since the recipient Store at Goa is not entitled for full credit. Therefore, open market value of such goods, which is the value of such goods sold in Mumbai Store, is taken as the value of items transferred to Goa Store.

Step 4 Computation of Net GST liability for the month of October, 20XX

S.No.	Particulars	(₹)
i.	Taxable items sold in the store	42,00,000
ii.	Taxable items transferred to Goa Store	8,00,000
	Total Taxable supplies	50,00,000
iii.	GST payable under Forward Charge @ 18%	9,00,000
iv.	Less: ITC ITC ₹ 11,06,000 Less: ITC reversed ₹ 25,615	10,80,385
v.	Net GST payable [A]	Nil
vi.	ITC to be carried forward	1,80,385
vii.	GST liability under reverse charge ➔ Freight paid to unregistered GTA for inward transportation of taxable items [₹1,00,000 × 5%] ➔ Freight paid to unregistered GTA for inward transportation of exempted items [₹80,000 × 5%] ➔ Freight paid to unregistered GTA for inward transportation of non-taxable items [₹20,000 × 5%]	5,000 4,000 1,000
	**Total output tax liability under reverse charge [B]	10,000
	Net GST liability [A] + [B]	10,000

** As per section 49(4) of the CGST Act, 2017 amount available in the electronic credit ledger may be used for making payment towards output tax. However, tax payable under reverse charge is not an output tax in terms of section 2(82) of the CGST Act, 2017. Therefore, tax payable under reverse charge cannot be set off against the input tax credit and thus, will have to be paid in cash.

Answer:- Amount of ITC credited to Electronic Credit Ledger for the month of October

Particulars	Eligibility	IGST (₹)	Remarks
Capital goods U	Yes	36,000	As per Rule 43(1)(c) of the CGST Rules 2017 , ITC in respect of capital goods used commonly for effecting taxable supplies and exempt supplies denoted as 'A' shall be credited to the electronic credit ledger.

Capital goods Y Credit on capital goods exclusively used earlier for supplying taxable goods	No	-	ITC in respect of such machinery would have already been credited to the electronic credit ledger

Total		1,89,000	

Calculation of amount to be added in output Tax liability

Discription	Calculation	U	X	Y	Z
Amount of input tax credit to be credited to electronic credit ledger (i.e. to claim in monthly return)	(A)	36,000	90,000	-	-
Total input tax credit on capital goods used commonly (Tc) (Total = ₹ 2,52,000) [Note 1]		36,000	90,000	72,000	54,000
Credit attributable to tax period (Tm)	Tc/60	600	1500	1200	900
Credit to be reversed/Payment (Te)	Tr X E/F (E=10,00,000) (F=25,00,000) Where (Tr=Tm)	240	600	480	360
Period for which reversal to be done	—	60 Months	24 Months	12 months	36 months
Amount to be added in output tax liability for use of capital goods for exempt supply [Note 2] [Tie]	(Tie)		54,000 (90,000* 12Q*5%)		

Amount of common Credit = 36,000 + 90,000 + 72,000 + 54,000 = 2,52,000

Amount of common Credit Attributable to exempt supply = 240 + 600 + 480 + 360 = 1680

Notes:

- 1) **As per Rule 43(1)(d) of CGST Rules 2017**, The aggregate of the amounts of 'A' credited to the electronic credit ledger in respect of common capital goods whose useful life remains during the tax period, to be denoted as 'Tc', shall be the common credit in respect of such capital goods

Further as per Proviso to rule 43(1)(d) of CGST Rules 2017, where any capital goods which were used exclusively for effecting taxable supplies are subsequently also used for effecting exempt supplies, the ITC claimed in respect of such capital goods shall be added to arrive at the aggregate value of common credit 'Tc'

- 2) **As per Proviso to rule 43(1)(c) CGST Rules 2017 read with N/N 16/2020**, If any capital goods earlier used exclusively for effecting exempt supplies is subsequently also used for effecting taxable supplies, the value of 'A' shall be arrived at by adding the full ITC of such capital goods to electronic credit ledger & used earlier for exclusively exempt supplies, then

Amount = ITC x No. of quarter used for exclusive supply of exempt goods from date of invoice x 5% need to be added to output tax liability

Thus, Amount to be added to output tax liability shall be computed as under:

= ₹90,000 × 5% × 12 quarters = ₹54,000

3) Computation of GST liability of the company for October 20XX payable through Electronic Cash Ledger

S.No	Particular	Amount ₹	Amount ₹
1	IGST payable on 'Alpha' [₹ 9,00,000 × 18%]	1,62,000	
2	IGST payable on 'Beta' [Exempt]	Nil	
3	IGST payable on 'Gama' [₹ 6,00,000 × 18%]	1,08,000	
4	Total IGST payable on outward supply (1+2+3)	2,70,000	
5	Amount to be added in output tax liability for use of capital goods for exempt supply [Tie]	54,000	
6	Total output Tax liability (4+5)		3,24,000
7	ITC available in the Electronic Credit Ledger	1,89,000	
8	Common credit attributable to exempt supplies for the month of October, 20XX (Te)	(1680)	
9	Less: Net ITC (7-8)		(1,87,320)
	IGST payable from Electronic Cash Ledger (6-9)		1,36,680

Question 4

Answer the following independent questions:-

a) SNP Pvt. Ltd. (Coimbatore) exclusively manufactures and sells product 'Z' which is exempt from GST vide notifications. The company sells 'Z' only within Tamil Nadu. The turnover of the company in the previous year was ₹55 lakh. The company expects the sales to grow by 20% in the current year.

Owing to the growing demand for the product, the company decided to increase its production capacity and purchased additional machinery for manufacturing 'Z' on 01.07.20XX in current financial year. The purchase price of such machinery was ₹20 lakh exclusive of GST @ 18%. Inputs purchased by SNP Pvt. Ltd. which are still in manufacturing process is ₹36,000 on which GST is charged @ 12% on 28.10.20XX

However, with effect from 01.11.20XX, exemption available on 'Z' was withdrawn by the Central Government and GST @ 12% was imposed thereon. The turnover of the company for the half year ended on 30.09.20XX was ₹40 lakh.

- 1) Advise SNP Pvt. Ltd. whether it can avail input tax credit on the additional machinery purchased exclusively for manufacturing "Z"? Assuming it applies for registration on 15th November & got registration certificate on 20th November
- 2) What would be your answer if Product "Z" is still exempt, but SNP Pvt. Ltd. voluntarily takes registration under GST on 25.10.20XX and grants registration on 01.11.20XX
- 3) What would be your answer if SNP Pvt. Ltd. is already registered under GST due to on account of tax payable by it under reverse charge with respect to certain taxable supplies being made by it along with manufacturing of exempt product 'Z',

Other facts remaining the same, can it take ITC on additional machinery purchased exclusively for manufacture of 'Z'? If yes, then how much credit can be availed by it.

- 4) What would be your answer if SNP Pvt. Ltd. was already registered under GST under composition scheme as its turnover did not exceeds ₹1.5 cr, however on 01.11.20XX its turnover exceeded ₹1.5 Cr. Calculate the amount of ITC available?

b) Daksh Ltd., a registered manufacturer, demerged its entity into DG gold Ltd. and DG gold testing Ltd. The total value of Assets of Daksh Ltd. is ₹45,00,000 and unutilized ITC of CGST, SGST and IGST is ₹56,000, ₹65,000, and ₹75,000 respectively. The value of assets of DG gold Ltd. and DG gold testing Ltd. is ₹20,00,000 and ₹25,00,000 respectively. Discuss the provisions regarding the transfer of unutilised Credit to the Demerged entities on account of Demerger.

c) M/s Blue India Ltd. has been exempted from GST with effect from 01.06.20XY, earlier these goods were liable to CGST and SGST @ 9% respectively. Following information is provided on 31.05.20XY:

S.No	Particular	GST paid (₹)
(i)	Inputs are lying in stock (inclusive of CGST & SGST at 9% each)	1,30,000
(ii)	Inputs are held in process. (Inclusive of CGST & SGST at 9% each)	53,100
(iii)	Finished goods are in stock, the input cost is 30% of the value. (Inclusive of CGST and SGST at 9% each)	2,95,000
(iv)	ITC on capital goods lying in stock. (These goods were purchased on 17.09.20XX)	90,000
(v)	The balance in electronic credit ledger	1,75,000

The department has asked M/s Blue India Ltd. to reverse the credit taken on inputs referred above. However, M/s Blue India Ltd. contends that once the ITC is validity taken it is not required to be reversed. What should be the amount to be paid by Blue India Ltd.?

What would be your answer, if the balance in electronic credit ledger as on 31.05.20XY is ₹1,10,000?

d) On 25th August, 20XX (FY 20XX-XY), M/s Agarwal & Agarwal Ltd., a registered supplier of textile products located in Bengaluru (Karnataka) purchased one machine for ₹12,39,000 including IGST, from one supplier of Maharashtra who issued invoice on the same date. M/s Agarwal & Agarwal Ltd. put the machinery to use on the same day and availed input tax credit for the eligible amount.

M/s Agarwal & Agarwal Ltd. sold this machine after using the machine in the process of manufacture of taxable goods for ₹7,50,000 excluding IGST, to Mr. Suresh Kumar of Andhra Pradesh on 20th August 20XY (FY 20XY-YZ). During purchase as well as sale of the machinery, the IGST rate applicable was 18%.

Is M/s Agarwal & Agarwal Ltd., required to pay GST? If yes, calculate the amount of tax payable under GST Laws at the time of sale of the machine.

What would be your answer if jigs and fixtures are sold as scrap of value ₹60,000 instead of Capital goods.

Answer:-

a) Legal Provision:

- 1) If a person apply for registration **within 30 days** of becoming liable, he can claim ITC on inputs in stock or in semi-finished goods & inputs in finished goods as on the day before becoming liable to pay tax **[Sec 18(1)(a)]**
- 2) A supplier is **liable to be registered** in the State/UT from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit. **[section 22]**
- 3) If a person apply for voluntary registration then, he can claim ITC on inputs in stock or in semi-finished goods & inputs in finished goods as on the day before the date of granting registration **[section 18(1)(b)]**
- 4) However, he cannot claim ITC of capital goods as on the day before the he become liable to registration under (1) or the date of granting registration under (2)
- 5) ITC on capital goods exclusively used in exempt supplies is now allowed **[Rule 43]**
- 6) If a person exist the **composition scheme**, then he claim ITC on inputs in stock or in semi-finished goods or inputs in finished goods in stock as well as capital goods as on the day before liable to pay tax **[section 18(1)(c)]**
- 7) When an exempt supply become taxable, the RP can claim ITC on inputs in stock or in semifinished goods or finished goods in stock as well as **CG** exclusively used for the exempt supply as on the day before the supply become taxable **[section 18(1)(d)]**
- 8) **In case (6) & (7) credit of capital goods can be claimed by after reducing 5% per quarter** or part thereof from the date of invoice. **[Rule 40]**
- 9) In all above case, ITC of inputs & CG to be availed **within 1 year** from the date of issue of invoice. **[sec 18(2)]**

Discussion & Conclusion:

- 1) ➡ In this case, the exemption on product Z was withdrawn on 1st Nov. Since SNP Pvt. Ltd.'s T/o till Sep end is 40 Lakhs (Which exhausted threshold limit if it is exclusively engaged in supply of goods). It become liable for registration on 1st Nov.
➡ Even though, it applied for registration within 30 days & got registered, ITC on capital goods is not allowed. However, ITC on inputs in stock & in semifinished or finished goods as on 31st Oct is allowed.

	Eligible ITC = ₹ 4,320 (₹ 36,000 * 12%)												
2)	<p>☛ In the given case, since SNP Pvt. Ltd. has been granted voluntary registration on 01.11.20XX, still it cannot get ITC on Capital goods but can take ITC of inputs held in stock and inputs contained in semi-finished or finished goods held in stock on 31st October</p> <p>☛ Eligible ITC on Inputs for SNP Pvt. Ltd. is ₹ 4,320 i.e (₹ 36,000 x 12%)</p>												
3)	<p>☛ In the given case, SNP Pvt. Ltd. could not claim ITC on machinery till the time the supply of product 'Z' for which said machinery was being used was exempt. However, on 1st November supply of product "Z" becomes taxable, so it can claim ITC on capital goods also as per Rule given above.</p> <p>☛ Accordingly, the ITC which can be availed by SNP Pvt Ltd. for the remaining useful life of machinery on 1st November is as under:-</p> <table border="1"> <tr> <td>Date of purchase of machinery</td><td>01.07.20XX</td></tr> <tr> <td>Date immediately preceding the day on which the product become taxable</td><td>31.10.20XX</td></tr> <tr> <td>Number of quarters for which credit is to be reduced</td><td>2</td></tr> <tr> <td>GST paid on machinery [₹ 20,00,000 x 18%]</td><td>3,60,000</td></tr> <tr> <td>Credit to be reduced [₹ 3,60,000 x 5% x 2]</td><td>36,000</td></tr> <tr> <td>Amount of credit that can be taken [₹ 3,60,000 – ₹ 36,000]</td><td>3,24,000</td></tr> </table> <p>☛ Eligible ITC on Inputs for SNP Pvt. Ltd. is ₹ 4,320 i.e (₹ 36,000 x 12%)</p> <p>☛ Thus, Total ITC will be ₹ 3,28,320 i.e (₹ 3,24,000 + ₹ 4,320)</p>	Date of purchase of machinery	01.07.20XX	Date immediately preceding the day on which the product become taxable	31.10.20XX	Number of quarters for which credit is to be reduced	2	GST paid on machinery [₹ 20,00,000 x 18%]	3,60,000	Credit to be reduced [₹ 3,60,000 x 5% x 2]	36,000	Amount of credit that can be taken [₹ 3,60,000 – ₹ 36,000]	3,24,000
Date of purchase of machinery	01.07.20XX												
Date immediately preceding the day on which the product become taxable	31.10.20XX												
Number of quarters for which credit is to be reduced	2												
GST paid on machinery [₹ 20,00,000 x 18%]	3,60,000												
Credit to be reduced [₹ 3,60,000 x 5% x 2]	36,000												
Amount of credit that can be taken [₹ 3,60,000 – ₹ 36,000]	3,24,000												
4)	<p>☛ In the given case, SNP Pvt. Ltd. paying tax under composition scheme has crossed the threshold and becomes liable to pay tax under regular scheme on 01.11.20XY, so it can avail ITC on Inputs as well as capitals goods.</p> <p>☛ Thus, total eligible ITC on Inputs & Capital goods is same as calculated in part (3) above</p>												

- b) **Legal Provision:**
- ☛ In case of sale , Merger, demerger etc. with transfer of liabilities, the un-utilised ITC in e-credit ledger can be transferred to the new entity [**section 18(3)**]
 - ☛ In case of demerger, ITC must be apportioned based on the value of assets transferred as per demerger scheme. **[Rule 41]**
 - ☛ **‘Value of assets’** refers to the total business assets, whether or not ITC was availed on them.

Discussion & Conclusion:

- ☛ In the given case, the unutilised ITC of Daksh Ltd. is transferred to DG Gold Ltd. & DG Gold testing Ltd. on account of Demerger is as under:

Particulars	Daksh Ltd. (₹)	DG Gold Ltd. (₹)	DG Gold testing Ltd.(₹)
Value of Assets	45,00,000	20,00,000	25,00,000
Total Unutilized ITC is ₹ 1,96,000 i.e (₹ 56000 + ₹ 65,000 + is ₹ 75,000) is to be apportioned in ratio of value of assets of DG gold Ltd. & DG gold testing Ltd.) i.e ₹ 20,00,000: ₹ 25,00,000 = 20:25	1,96,000	87,111 (1,96,000 X 20/45)	1,08,889 (1,96,000 X 25/45)

- c) The contention of M/s Blue India Ltd. is not valid in the eyes of law.
- Legal Provision:**
- ☛ If a registered person opt for composition scheme or his supplies becomes wholly exempt, then he must **pay or reverse** ITC on inputs in stock or in semi finished /finished goods in stock as well as capital goods (on prorata basis) as on the day before such change. **[section 18(4)]**
 - ☛ This payment can be made through E-credit or E-cash ledger, after payment remaining ITC if any, will lapse.

Discussion & conclusion:

➔ Accordingly, Blue India Ltd. will have to pay an amount computed as follows:

Particulars	Amount(₹)
Inputs lying in stock (₹1,30,000 * 18/118)	19,831
Inputs in process (₹ 53,100 * 18/118)8,100	8,100
Inputs contained in finished goods lying in stock (₹ 295000 * 30% * 18/118)	13,500
Input tax on capital goods used for 9 months taking residual life as 5 years(₹ 90,000 * 51/60) {As per Rule 44, 51 months being the residual life of CG of total 60 months}	76,500
Amount to be paid by Blue India Ltd.	1,17,931

➔ The aforesaid amount can be paid by utilizing the balance in electronic credit ledger.

The remaining balance in E-credit ledger of ₹57,069 i.e. (₹1,75,000 – ₹1,17,931) **shall lapse.**

➔ If balance in electronic credit ledger is ₹1,10,000:

Then, M/s Blue India Ltd. will have to **pay in cash** is ₹7,931 i.e. (₹1,17,931 – ₹1,10,000)

d) Legal Provision:

➔ As per **section 18(6) of CGST Act read with rule 40(2) of the CGST Rules, 2017**, if capital goods/ plant and machinery on which input tax credit (ITC) has been taken, are supplied outward by a registered person, he must pay an amount that is **higher** of the following:

- ITC taken on such goods reduced by 5% per quarter of a year or part thereof from the date of issue of invoice for such goods or
- Tax on transaction value of such goods determine under section 15.

➔ If refractory bricks, moulds & dies, jigs & fixtures are supplied as scrap, taxable person may pay tax on transaction value of such goods determined u/s 15.

Discussion & conclusion:

➔ Accordingly, the amount payable on supply of machinery by M/s Agarwal & Agarwal Ltd. shall be computed as follows:

Particulars	Amount(₹)
ITC taken on the machinery (₹ 12,39,000 × 18/118)	1,89,000
Less: Input tax credit to be reversed @ 5% per quarter or part hereof for the period of use of machine	
(i) For the FY 20XX-XY = (₹ 1,89,000 × 5%) × 3 quarters	28,350
(ii) For the FY 20XY-YZ = (₹ 1,89,000 × 5%) × 2 quarters	18,900
Amount required to be paid by adding the reversal amount to the output tax liability (A)	1,41,750
Duty leviable on transaction value (₹ 7,50,000 × 18%) (B)	1,35,000
GST payable towards disposal of machine is higher of (A) and (B)	1,41,750

Thus, M/s Agarwal & Agarwal Ltd. is required to pay GST amounting to ₹ 1,41,750 at the time of sale of machinery

➔ In the second case, if jigs and fixtures are sold as scrap then value will be determined as per section 15.

Accordingly amount payable on supply of Jigs and fixtures by M/s Agarwal & Agarwal Ltd. will be ₹9,000 i.e (₹60,000 × 18%)

Will the place of supply still be same, if Mr. Sharma instructs Vidhyut Pvt. Ltd. to deliver the dining table to another address located in Punjab which is recorded in invoice as address of delivery whereas the billing is done at Delhi's address?

Answer:- Determination of POS for the various transactions undertaken by Vidhyut Pvt. Ltd.:-

Sr. No	Transaction	Place of Supply	Reason & Nature of Transaction
1	Goods sold to A Ltd.	Surat, Gujarat	➤ When supply involves movement of goods, the POS is the place where the movement of goods terminate for delivery regardless who arranges transport. ➤ Here supplier is Uttar pradesh & goods are delivered in Surat. This is an inter state supply & IGST is payable.
2	Goods sold to SEZ unit	Uttar Pradesh	➤ Supply of goods to SEZ unit shall be treated as inter-state supply as per the given CBIC clarification & thus, IGST will be charged.

3	Goods sold to Bakul & further sold by Bakul to Shreyas	Pune, Maharashtra & Shimoga, Karnataka in two cases, respectively	<p>In case of Bill to Ship to transaction, where the goods are delivered to a person on the direction of third party, the third party deemed to have received the goods & <u>the POS is the third party's principal place of business.</u> [Sec 10(1)(b) of IGST Act]</p> <p>1) <u>For Supply between Vidyut Pvt. Ltd. to Bakul (Pune, MH)</u> The goods are delivered to Shreyas on the direction of Bakul. hence POS is Pune (MH) [Bakul's Location]. It is inter-state supply & IGST is payable</p> <p>2) <u>For Supply between Bakul (Pune, MH) to Shreyas (Shimoga, KA):-</u> Since movement is involved in supply of goods, hence place of Supply is Shimoga (KA) where the movement of goods terminate for delivery. Hence it is inter-state supply & IGST is payable.</p>
4	Machine leased & later sold to MB Pvt. Ltd.	Karnataka	<p>➤ When supply does not invoice movement of goods, the POS is the location of goods of the time of delivery [Sec 10(1)(c) of IGST Act].</p> <p>➤ In given case, Since machine is sold on an 'as is where is basis' with no movement, the POS is karnataka (where the machine is located).</p> <p>➤ As the LOS & POS are in different State, it is an inter state supply & IGST is payable.</p>
5	Machine sold to Pure Refineries	Kutch, Gujarat	<p>➤ When the goods assembled or installed at site, the pos is the place of such installation or assembly. [Sec 10(1)(d) of IGST Act]</p> <p>➤ In given case, the machine is assembled at Kutch, So, POS is Kutch, even though the recipient, Pure refineries is in Maharashtra.</p> <p>➤ Since LOS is UP & POS in Gujarat. it is an Inter State Supply & IGST is payable</p>
6	Biscuit packets sold to Indian Airline who further sold it to passengers	Lucknow, Uttar Pradesh in both cases	<p>➤ In given case, place of supply of biscuit packets sold by Vidhyut Pvt. Ltd. to Indian Airlines is Lucknow u/s 10(1)(a) of IGST Act.</p> <p>➤ Further, the place of supply of biscuit packets sold by Indian Airlines to the passengers in Kolkata-Guwahati route is Lucknow u/s 10(1)(e) of IGST Act.</p> <p>➤ In both cases, the location of supplier and place of supply are in Uttar Pradesh & hence, chargeable to CGST & SGST, being intra-state supply.</p>
7	Import of goods	Noida, Uttar Pradesh	<p>➤ The place of Supply of goods imported into India shall be the location of importer i.e. Noida, Uttar Pradesh.</p> <p>➤ It is inter-state supply u/s 7(2) of IGST Act & liable to IGST.</p>
8	Export of spices	London	<p>➤ In given case, supplier is located in India whereas place of supply is outside India as per section 11 of IGST Act.</p> <p>➤ It is inter-state supply u/s 7(5)(a) of IGST Act & liable to IGST.</p>
9	Goods sold to Mr. Sharma	Delhi	<p>➤ If supply of goods to un-registered person, the POS is</p> <p>a) the address of recipient if it recorded in invoice</p> <p>b) If it is not recorded, then location of supplier.</p> <p>➤ Also, as per CBIC clarification, if billing & delivery address differ, then POS is delivery address in the invoice [Sec 10(1)(a) of IGST Act]</p> <p>➤ In given case, invoice of Vidyut Pvt. Ltd. records Mr. Sharma's address in Delhi. Hence POS is Delhi.</p> <p>➤ LOS in UP & POS in Delhi, Hence it is inter-state supply & IGST is payable.</p>
		Punjab	<p>Billing & delivery address differ & delivery address in Punjab. Hence POS is in Punjab. LOS is in UP & POS in Punjab, hence it is inter-state supply & IGST is payable.</p>

Question 3

Musicera Pvt. Ltd. owned by Nitish Daani – a famous classical singer – wishes to organise a 'Nitish Daani Music Concert' in Gurugram (Haryana). Musicera Pvt. Ltd. (registered in Ludhiana, Punjab) enters into a contract with an event management company, Supriya (P) Ltd. (registered in Delhi) for organising the said music concert at an agreed consideration of ₹10,00,000.

Supriya (P) Ltd. books the lawns of Hotel Dumdum, Gurugram (registered in Haryana) for holding the music concert, for a lump sum consideration of ₹4,00,000. Musicera Pvt. Ltd. fixes the entry fee to the music concert at ₹5,000. 400 tickets for 'Nitish Daani Music Concert' are sold.

You are required to determine the gross GST liability in respect of supply(ies) involved in given scenario.

Will your answer be different if the price per ticket is fixed at ₹450?

What would be the place of supply for service provided by way of organizing of a cultural event where:-

- ⇒ Musicera Pvt. Ltd. would be an unregistered person (other things remaining the same) or
- ⇒ Musicera Pvt. Ltd. would be an unregistered person & concert is to be held in Malaysia (other things remaining the same).

Note: Rate of CGST and SGST is 9% each and IGST is 18%. All the amounts given above are exclusive of taxes, wherever applicable.

Answer:-

The IGST or CGST & SGST liability in each of the below three supplies involved in this case is as under:-

1. Services provided by Musicera Pvt. Ltd. to audiences by way of admission to music concert:-

Legal Provision:- The POS for services by way of **admission to cultural**, artistic, entertainment events, or amusement parks, including ancillary services, **is the place where the event is actually held.** (sec 12(6) of IGST Act)

Discussion & Conclusion: Musicera Pvt. Ltd. (Ludhiana, Punjab) organized a music concert at Hotel Dumdum, Gurugram (Haryana), **POS is at Gurugram, Haryana.**

Since LOS (Punjab) & POS (Haryana) are in different States, it is an **inter-State supply**, and IGST is applicable.

➤ Value of supply = 400 tickets × ₹5,000 = ₹20,00,000

➤ IGST @18% = ₹20,00,000 × 18% = ₹3,60,000

2. Services provided by Supriya (P) Ltd. to Musicera Pvt. Ltd. by organising the music concert.

Legal Provision:- The POS for service of **organizing a cultural**, artistic, sporting, scientific, educational, or entertainment event is provided to a RP is the **location of the such RP, regardless of where the event is held.**

⇒ But If the recipient is URP then POS is at Place where the event is actually held

⇒ If the event is held outside India, POS is the Location of the recipient (sec 12 (7) of IGST Act)

Discussion & Conclusion:

a) ⇒ The POS of services supplied by Supriya (P) Ltd. (Delhi) to Musicera Pvt. Ltd. (Ludhiana, Punjab) for organising the music concert is the **location of RP, i.e. Ludhiana (Punjab).**

⇒ Since, the LOS (Delhi) and the POS (Ludhiana, Punjab) are in different States, **IGST will be leviable = ₹10,00,000 x 18% = ₹1,80,000.**

b) If the service recipient [Musicera Pvt. Ltd.] would be an URP and event is held in India, **POS is the location where the event is actually held, i.e. Gurugram (Haryana).**

c) However, if the concert is to take place outside India [Malaysia], the POS is the **location of recipient, i.e. Ludhiana, Punjab.**

3. Services provided by Hotel Dumdum to Supriya (P) Ltd. by way of accommodation in the Hotel lawns for organising the music concert.

Legal Provision:- The POS of **accommodation services** provided in any immovable property for organizing any cultural function shall be the **location at which the immovable property is located.** [Sec 12(3) of IGST Act]

Discussion & Conclusion:

⇒ The Pos for accommodation provided by Hotel Dumdum (Gurugram, Haryana) to Supriya (P) Ltd. (Delhi) in Hotel lawns for organising the music concert shall be the **location of Hotel Dumdum, i.e. Gurugram, Haryana.**

⇒ Since, the LOS (Gurugram, Haryana) and the POS (Gurugram, Haryana) are in the same State, **CGST and SGST will be leviable = ₹4,00,000 x 9% = ₹36,000 each.**

If the price for the entry ticket is fixed at ₹450:- The answer will change for (I) i.e. for admission to music concert.

There will be no IGST as service of right to admission to a musical performance is **exempt from GST, if consideration for the same is not more than ₹500 per person.**

However, there will be no change in answer for supplies mentioned in point (ii) and (iii) above.

Answer:-

Legal Provision:-

- If service of advertisement is provided on television channel in more than one state, the place of supply shall be in each of such States where the advertisement is broadcasted or run or played. [section 12(14) read with rule 3(8)]
- Proportionate value for each state is calculated based on viewership of such channel in such State as under:-
 - a) Channel viewership for a State as published by Broadcast Audience Research Council are taken,
 - b) Figures published for last week of a quarter are used to calculate viewership for succeeding quarter,
 - c) If this figure relates to a region comprising of more than 1 State, the viewership figures for a State of that region is calculated in the ratio of population of that State (as per latest Census) to such viewership figures,
 - d) Ratio of viewership figures for each State calculated is applied to the amount payable for that service to calculate value attributable to the dissemination in that State.

Discussion & Conclusion:-

- In given case, the place of supply of advertisement service is in the States of 'A', 'B', 'C', 'D' and 'E'.
- The value of supply attributable to 'A', 'B', 'C', 'D' & 'E' is computed as under:-

State	Viewership figures of 'Moon Plus' channel as per Broadcast Audience Research Council in the last week of June, 20XX	Viewership ratio of 'Moon Plus' channel in the States 'A', ('B' + 'C') and ('D' + 'E')	Proportionate value of advertisement services for States 'A', ('B' + 'C') & ('D' + 'E')
A	50,000	50,000 : 1,00,000 : 50,000 = 1:2:1	10,00,000 X 1/4 = ₹ 2,50,000
B+C	1,00,000		10,00,000 X 2/4 = ₹ 5,00,000
D+E	50,000		10,00,000 X 1/4 = ₹ 2,50,000

State	Population as per latest census (in Cr)	Population ratio in States 'B' & 'C' & 'D' & 'E'	Proportionate value of advertisement services in the States 'A', 'B', 'C', 'D' & 'E'
A	50	B:C = 180:20 = 9:1	₹ 2,50,000
B	180		5,00,000 X 9/10 = ₹ 4,50,000
C	20		5,00,000 X 1/10 = ₹ 50,000
D	100	D:E = 100:25 = 4:1	2,50,000 X 4/5 = ₹ 2,00,000
E	25		2,50,000 X 1/5 = ₹ 50,000

- Since, there are 5 different places of supply, 'Moon Plus' channel will have to issue 5 separate invoices for each State i.e. 'A', 'B', 'C', 'D' & 'E' indicating the value pertaining to that State.
- The computation of GST liability of 'Moon Plus' channel is as under:-

State	Proportionate value of advertisement services (₹)	IGST @ 18% (₹)	CGST @ 9% (₹)	SGST @ 9% (₹)
A	2,50,000	-	22,500	22,500
B	4,50,000	81,000	-	-

C	50,000	9,000	-	-
D	2,50,000	36,000	-	-
E	50,000	9,000	-	-

Only for supply of service in State 'A', the location of supplier (State 'A') & the place of supply are in the same State. Hence, it is an intra-State supply u/s 8(1) of IGST Act & too liable to CGST and SGST.

In all other cases, the location of supplier (State 'A') & places of supply (States 'B', 'C', 'D' & 'E') are in two different States. Hence, they are inter-State supplies liable to IGST u/s 7(1)(a) of IGST Act.

(Sec 13(3)(b)) <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none">a) The supply of installation service received by Mr. X requires the recipient to make the machinery physically available & thus, place of supply u/s 13(3)(a) is the place where service is actually performed i.e. New Delhi.b) The place of supply under proviso to section 13(3)(a) for the service received by Soft Tech Pvt. (Sec13(6))☞ If such services are provided in more than one State, the place of supply shall be each of the respective States, in proportion to the value of services provided in each. (Sec13(7)). <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none">☞ In first case, the POS shall be the location of immovable properties i.e. Pune.☞ Since in second case, immovable properties are located in more than one location including a location in taxable territory, the POS of architect service is the location in the taxable territory, i.e. Pune.☞ In third case, the POS shall be Pune & Chennai as per sec 13(4) read with sec 13(7) & the value of supply of service in each of the states will be ascertained by dividing the value of the service equally between these two States.

	<p>In given case, banking company provides services to non-account holder, the POS is the location of the recipient u/s 13(2) of IGST Act i.e. Mr. D, i.e., India because it does not have an account with the foreign bank.</p> <p>Since supplier is outside India and recipient and POS are in India, said service qualifies as import of services thus, considered as inter-State supply as per sec 7 of IGST Act.</p>
5)	<p>Legal Provision:-</p> <p>➤ If the location of supplier or location of recipient of services is outside India, the place of supply of services, except those specified in sec 13(3) to 13(13), shall be the location of recipient of services. 8)	<p>➤ As per CBIC clarification, services provided by Port authorities are ancillary to or related to cargo handling services and are not related to immovable property.</p> <p>➤ Accordingly, the POS of such services will be determined as per sec 12(2) or Sec 13(2) of the IGST Act, as the case may be, depending upon the terms of the contract between the supplier and recipient of such services.</p>

Answer :-

1)	<p>Legal Provision:-</p> <ul style="list-style-type: none">➤ As per default rule when either the supplier or recipient is located outside India, the POS of services (excluding those u/s 13(3) to 13(13)) is the location of the recipient. (Sec 13(2) of the IGST Act)➤ A service qualifies as export of services if:<ul style="list-style-type: none">a) Supplier is in India,b) Recipient is outside India,c) Place of supply is outside India,d) Payment is received in convertible foreign exchange or INR (as permitted by RBI), &e) Supplier and recipient are not merely establishments of a distinct person. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none">➤ The given case does not fall under any of the specific situation u/s 13(3) to 13(13) and thus, the POS of services u/s 13(2) is the location of recipient of services, i.e. USA.➤ Since all five conditions for export of service are fulfilled in given case, it will be considered as an export of service which is treated as inter-state supply & thus, liable to IGST.
2)	<p>Legal Provision:-</p> <ul style="list-style-type: none">➤ As per default rule when either the supplier or recipient is outside India, the POS (except for services under Sec 13(3) to 13(13)) is the location of the recipient. (Sec 13(2) of the IGST Act)➤ import of services means:<ul style="list-style-type: none">a) Supplier is located outside India,b) Recipient is located in India, andc) Place of supply is in India.➤ As per the Reverse Charge Notification, if a service is received in taxable territory from a person in non-taxable territory (excluding NTOR), the recipient is liable to pay tax under reverse charge. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none">➤ Here, the supplier of service is located outside India & recipient of service is located in India.➤ Since the given service is not covered under any of the specific provisions of section 13, the place of supply of service will be Rajasthan (India) which is the location of the recipient of service u/s 13(2).➤ Hence, it is an import of services for a consideration from an unrelated person and the same tant amounts to supply as per section 7(1)(b) of CGST Act and are liable to GST.➤ XY Ltd. will pay GST under reverse charge on ₹ 8000 paid by it to the attorney in UK.
3)	<p>Legal Provision:-</p> <ul style="list-style-type: none">➤ An intermediary is a broker, agent, or any person who arranges or facilitates the supply of goods, services, or securities between two or more persons. It does not include someone who makes such supplies on their own account.➤ when either the supplier or recipient is outside India, the place of supply for intermediary services is the location of the supplier. (Sec 13(8)(b) of the IGST Act)➤ A service qualifies as export of services if:<ul style="list-style-type: none">a) Supplier is in India,b) Recipient is outside India,

- c) Place of supply is outside India,
- d) Payment is received in convertible foreign exchange or INR (as permitted by RBI), &
- e) Supplier and recipient are not merely establishments of a distinct person.

Discussion & Conclusion:

- ➡ In given case, since ABC Pvt. Ltd. is arranging or facilitating supply of goods between the foreign customer and the Indian vendor, the said services can be classified as **intermediary services**.
- ➡ As the supplier (ABC Pvt. Ltd.) is located in India & recipient is located outside India, the POS of intermediary services is the location of supplier (ABC Pvt. Ltd.) which is New Delhi.
- ➡ Since, POS is in India, this transaction does not tantamount to export of service.

4) Legal Provision:-

- ➡ The place of supply of the intermediary services shall be the location of the supplier of services. **[Sec 13(8)]**
- ➡ As per the definition, '**Intermediary**' means a broker, an agent or any other person, who arranges or facilitates the supply of goods or services or both, or securities, between two or more persons. It does not include a person who supplies such goods &/or services or securities on his own account.

➡ CBIC Clarification on Intermediary Services :

- There must be three parties—two principals involved in the main supply and a third (the intermediary) providing an ancillary supply by facilitating or arranging it.
- The intermediary must act as a broker, agent, or similar person, only arranging or facilitating the main supply, not supplying it themselves.
- A person who supplies the main goods or services on their own account is not an intermediary.
- A sub-contractor who performs the main supply (fully or partly) is not an intermediary, as they are not arranging or facilitating between two parties.

Discussion & Conclusion:

- ➡ In given case, Alpha & Beta are two principals involved in main supply of machinery, whereas Gamma is providing ancillary supply of facilitating main supply of machine between Alpha & Beta.
- ➡ Therefore, Gamma is an intermediary and is providing intermediary service to Alpha.
- ➡ Thus, as per section 13(8)(b) of IGST Act, 2017, the place of supply of intermediary services provided by Gamma shall be the location of the supplier of services, **i.e. outside India (USA)**.

2. AM Ltd. of Mumbai has provided services of allowing downloading of digital content from various websites (completely automated) ₹4 lakh to a recipient located in Singapore. Compute its GST liability@ 12%.

Answer:-

1)	<p>Legal Provision:-</p> <ul style="list-style-type: none"> ➤ Services received by an individual from a foreign service provider (located in non taxable territory)for personal use (non-business purpose) are exempt from IGST. ➤ However, this exemption does not apply to OIDAR services received by a Non- Taxable Online Recipient (NTOR) from a supplier located outside India; such services are taxable under IGST. ➤ If a service is supplied by a person in a non-taxable territory to any person other than NTOR, IGST is payable by the recipient under reverse charge. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ➤ The supply of gaming software is a OIDAR service as per the definition of OIDAR services. ➤ Since Mr. Amar Kant is an individual who is receiving the OIDAR service for personal consumption by making the payment from his personal bank account and not from the bank account of his GST registered firm, he is a Non-Taxable Online Recipient (NTOR). ➤ Therefore, the tax on OIDAR services provided by the company located in USA to Mr. Amar Kant, a NTOR, will be payable by such company under forward charge.
2)	<p>Legal Provision:-</p> <ul style="list-style-type: none"> ➤ The POS of Online Information and Database Access or Retrieval (OIDAR) services shall be location of recipient of service. (sec 13(12) of IGST Act) ➤ As per sec 16 of IGST Act, export of service is a zero rated supply which can be dealt in 2 ways: <ul style="list-style-type: none"> (i) Export without the payment of IGST under a bond or LUT or (ii) Pay IGST & claim a refund in other than notified cases. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ➤ In given case, the service downloading of digital content from various websites (completely automated) is an OIDAR service & the POS of this service is Singapore i.e. the location of recipient of services. ➤ Since the LOS is Mumbai i.e. in India, POS is outside India & the LOR is outside India, the supply is an export of service. ➤ Exports of service is treated as inter-state supply & thus, it is IGST is leviable to ₹48,000 i.e. (₹4,00,000* 12%). <p>Assumption: It is assumed that consideration is received in convertible foreign exchange and exports are undertaken without letter of undertaking as they do not fall under the notified cases .</p>

Answer:-

Legal Provision:-

1) Aggregate T/o means aggregate value of all taxable supplies, exempt supplies (wholly exempt, nil rated & non-taxable) export Supplies & inter-state supplies under Same PAN to be computed on all India basis but excludes

➤ CGST, SGST, UTGST, IGST & GST Cess

➤ value of inward supplies on which tax is payable under RCM. [Sec 2(6)]

2) Every person required to get registered a place where he makes taxable supplies & his aggregate T/o exceeds threshold limit of 20 lakhs. [Sec 22]

3) But in case of Tripura, Manipur, Nagaland & Mizorame the applicable threshold 10 lakhs.

4) Extend threshold of 40 lakhs is available, if person exclusively engage in supply of goods & not located in notified state & not supplying notified good i.e. Pan Masala,

Discussion:-

In given case, the state-wise **aggregate turnover** of Mahadev Enterprises is computed as under:-

Particulars	Himachal Pradesh(₹)	Uttarakhand (₹)	Tripura (₹)
Intra- State supply of taxable goods	21,50,000	-	7,00,000
Intra- State supply of exempted goods	-	-	6,00,000
Intra- State supply of non-taxable goods [exempt supply includes non-taxable supply. Thus, intra-State supply of non-taxable goods in Uttarakhand, being a non-taxable supply, is an exempt supply and is, therefore, included in aggregate turnover]	-	21,00,000	40,000
Value of inward supplies on which tax is payable on reverse charge basis [Specifically excluded from the Aggregate turnover]	-	-	-
Value of outward supplies on which tax is payable on reverse charge basis	1,00,000	-	-
Aggregate Turnover	22,50,000	21,00,000	13,40,000

⇒ Mahadev Enterprises is engaged in **exclusive intra-State supply of goods** from Himachal Pradesh, Tripura and Uttarakhand. However, since it makes taxable supply of goods from one of the specified Special Category States (i.e. Tripura), it will **not be eligible for the higher threshold limit of ₹ 40 lakh**. Instead, the threshold limit for registration will be reduced to ₹ 10 lakh.

Conclusion :-

|----|--|

	<ul style="list-style-type: none"> As per Rule 46A of CGST Rules, if a registered person is supplying taxable as well as exempted goods &/or services to an unregistered person, a single “invoice-cum-bill of supply” may be issued for all such supplies. However, as per section 31(3)(b) read with rule 46 and 49, a registered person may not issue a tax invoice/bill of supply if:- <ul style="list-style-type: none"> value of the goods supplied < ₹200, the recipient is unregistered; and the recipient does not require such invoice. Instead, such registered person shall issue a Consolidated Tax Invoice/bill of supply for such supplies at the close of each day in respect of all such supplies. Further, as per Rule 55 of CGST Rules, 2017, the tax invoice is also not required to be issued under the CGST Act, 2017 in the case of:- <ul style="list-style-type: none"> supply of liquid gas where the quantity at the time of removal from the place of business of the supplier is not known, transportation of goods for job work, transportation of goods for reasons other than by way of supply, or such other supplies as may be notified by the Board.

- 5) Enumerate the suppliers to whom the Dynamic Quick Response (QR) code is applicable when they issue an invoice to an unregistered person

Answer:

1)	E-invoicing is reporting of business to business (B2B) invoices to GST system for certain notified category of taxpayers
2)	<p>➤ Mandatory e-invoicing is applicable to all registered businesses whose aggregate turnover (based on PAN) in any preceding financial year from 2017-18 onwards exceeds ₹ 5 Crore will be required to issue e-invoices for B2B supplies or for exports.</p> <p>➤ Exception:- Following persons are exempted from the mandatory requirement of e-invoicing:-</p> <ul style="list-style-type: none"> ➤ A Government Department ➤ A local Authority ➤ Special Economic Zone (SEZ) units ➤ Insurer or banking company or financial institution including NBFC ➤ GTA supplying services in relation to transportation of goods by road in a goods carriage ➤ Supplier of passenger transportation service ➤ Person supplying services of admission to exhibition of cinematograph films in multiplex screens <p>➤ Declaration to be given in tax invoice:- A taxpayer whose aggregate turnover in any preceding financial year from 2017-18 onwards exceeds ₹ 5 Crore but is exempted from e-invoicing shall give a declaration in the tax invoice that</p> <ul style="list-style-type: none"> ➤ invoice is not required to be issued in the manner specified under rule 48(4).
3)	<p>The advantages of E-invoicing are as follows:-</p> <ol style="list-style-type: none"> 1. Auto-reporting of invoices into GST return & auto-generation of e-way bill (wherever required):- Once B2B invoice data is reported in e-invoice form, the same is reported in multiple forms (GSTR-1, e-way bill etc.). 2. Substantial reduction in transcription errors & Reconciliation:- Same data gets reported to tax department & to buyer to prepare his inward supplies register. Buyer can reconcile with his Purchase Order. 3. Matching of ITC & output tax by Dept. & reduces tax evasion:- A complete trail of B2B invoices is available with Department which enables the system-level matching of ITC & output tax thereby reducing the tax evasion. 4. Eliminates fake invoices:- Claiming fictitious ITC by raising fake invoices is eliminated. E-invoice system helps to curb actions of unscrupulous taxpayers & reduces fraud cases as tax authorities have access to data in real-time. 5. Other Advantages:- <ul style="list-style-type: none"> ➤ Facilitate standardisation & inter-operability, ➤ Reduction of disputes among transacting parties, ➤ Better relationship, ➤ Eco-friendly as it eliminates paper, ➤ Improve payment cycles, ➤ Internal controls, ➤ Reduction of processing costs & ➤ Improving overall business efficiency greatly.

| 2) | <ul style="list-style-type: none">➤ In the second case, GTA is providing services by road which is specifically exempt from mandatory requirement of e-invoicing even if the turnover exceeds ₹ 5 crore in the preceding financial year & thus, e-invoicing is not applicable to Superfast Transports➤ Further Superfast transports shall give a declaration in the tax invoice that Invoice is not required to be issued in the manner specified under Rule 48(4) as it is exempted from E-invoicing |
| 3) | <ul style="list-style-type: none">➤ In the third case, GTA is providing services by air. But the exemption from preparing E-Invoice is given to GTA only if it provides goods transportation services by road and not by air.➤ Since the aggregate turnover of GTA also exceeds ₹ 5 Crore in previous year 20XX-XY and it makes supplies to registered person only, the GTA is required to prepare E-invoice. |
- 5) ➤ All invoices **issued to an unregistered person** (B2C invoice) **by a registered person** whose **aggregate turnover** in any preceding financial year from 2017-18 onwards **exceeds ₹ 500 crores** are required to have a Dynamic QR code.
- However, Dynamic Quick Response (QR) code is **not applicable** to following suppliers when they issue an invoice to an unregistered person:-

Answer:-

| 1) | <ul style="list-style-type: none">➤ Consignment value exceeding ₹50,000:- As per Rule 138(1), if registered person causes movement of goods of consignment value exceeding ₹ 50,000:-<ul style="list-style-type: none">➤ in relation to a supply or➤ for reasons other than supply or➤ due to inward supply from an unregistered person,e-way bill needs to be generated prior to the commencement of movement of goods.➤ Mandatory generation of e-way bill even if consignment value is not exceeding ₹ 50,000 in following cases:- |
|----|--|

	<p>a) Interstate Job Work:- If goods are sent by a principal located in one State/ Union Territory to a job worker located in any other State/ Union Territory, e-way bill shall be generated either by the principal or job worker (if registered), irrespective of the consignment value.</p> <p>b) Interstate transportation of handicraft goods:- If specified handicraft goods are transported from one State/ Union Territory to another State/ Union Territory by a person who is exempted from obtaining registration u/s 24 of CGST Act, 2017, e-way bill shall be generated by the said person irrespective of the consignment value.</p> <p>⇒ Voluntary generation of e-way bill:- A registered person or the transporter may voluntarily generate an e-way bill even if consignment value is $\leq ₹ 50,000$.</p>
2)	<p>Legal Provision:-</p> <p>⇒ As per Rule 138(1) of CGST Rules, if registered person causes movement of goods of consignment value exceeding ₹ 50,000:-</p> <ul style="list-style-type: none"> ➤ in relation to a supply or ➤ for reasons other than supply or ➤ due to inward supply from an unregistered person, <p>e-way bill needs to be generated prior to the commencement of movement of goods.</p> <p>⇒ As per CBIC Clarification, even if the movement of goods is caused due to reasons others than supply [including replacement of goods under warranty], e-way bill is required to be issued.</p> <p>⇒ As per explanation 2 to rule 138(1), the consignment value of goods shall be:-</p> <ul style="list-style-type: none"> ➤ value as per section 15 as declared in an invoice, bill of supply or delivery challan, ➤ including CGST, SGST, UTGST, IGST and cess charged, if any, in the document but ➤ it excludes the value of exempt supply of goods where the invoice is issued in respect of both exempt and taxable supply of goods. <p>Discussion & Conclusion:-</p> <p>a) Accordingly, in the first case, the consignment value will be as follows:- $₹ 48,000 \times 118\% = ₹ 56,640$. Since the movement of goods is in relation to supply of goods and the consignment value exceeds ₹ 50,000, e-way bill is mandatorily required to be issued in the given case.</p> <p>b) In second case, the goods to be moved to another State for replacement under warranty is not a 'supply'. 	<p>➤ the registered person shall furnish information relating to the transporter in Part B on the common portal and transporter shall generate e-way bill on the basis of information furnished by registered person in Part A.</p> <p>➤ If E-way Bill is not generated i.e. consignment value not exceeding ₹ 50,000:- In case of transport of goods by road, if consignor/consignee has not generated e-way bill & the aggregate of consignment value of goods carried in the conveyance is > ₹ 50,000, then prior to the movement of goods:-</p> <p>➤ Transporter shall generate e-way bill on basis of invoice or bill of supply or delivery challan only in respect of inter-State supply &</p> <p>➤ He may also generate a consolidated e-way bill.</p>
4)	<p>Legal Provision:-</p> <p>➤ As per rule 138 of CGST Rules, e-way Bill is required to be generated mandatorily, if the goods are moved in relation to a supply and the consignment value [including CGST, SGST/UTGST, IGST and cess charged] exceeds ₹ 50,000.</p> <p>➤ As per CBIC Clarification, if multiple invoices are issued by the supplier to one recipient, multiple e-way bills have to be generated-one e-way bill for each invoice, irrespective of the fact whether the same or different consignors or consignees are involved.</p> <p>➤ Each invoice is considered as separate consignment for the purpose of generating e-way bills.</p> <p>Discussion & Conclusion:-</p> <p>➤ In given case, Sindhi Toys Manufacturers would be required to prepare two separate e-way bills since each invoice value exceeds ₹ 50,000 and each invoice is considered as one consignment for the purpose of generating e-way bills.</p> <p>➤ Multiple invoices cannot be clubbed to generate one e-way bill. However, after generating all these e-way bills, one consolidated e-way bill can be prepared for transportation purpose, if goods are going in one vehicle.</p>

In the given case, since return is filed belatedly, net tax payable in cash and interest thereon is computed as follows:

Particulars	IGST(₹)	CGST (₹)	SGST(₹)

- CGST is utilised towards payment of CGST and IGST in that order. ITC of CGST shall be utilized only after ITC of IGST has been utilised fully.
- SGST is utilised towards payment of SGST and IGST in that order. ITC of SGST shall be utilized only after ITC of IGST has been utilised fully

Author Note:- ITC of Tax payable under reverse charge is assumed to be included in the balance of E-credit ledger given, because question has directly given balance of E-credit ledger

Question 2

ABC Ltd., a registered taxpayer under GST, is required to file its GSTR-3B return for the month of July 2024. The due date for filing the return is 20th August 2024, but ABC Ltd. files its return on 30th August 2024, 10 days after the due date.

On the due date (20th August 2024), ABC Ltd. had ₹50,000 credited into its Electronic Cash Ledger. The tax payable for the month of July was ₹40,000. Due to a delay in filing, ABC Ltd. filed the return on 30th August 2024 and made the payment of ₹40,000 from the Electronic Cash Ledger on that date.

Does ABC Ltd. need to pay any interest on the delayed payment of tax since the return was filed after the due date?

Answer:

Legal Provision: If any amount has been credited into the E- Cash Ledger on or before the due date for filing the return, and the amount remains in the ledger until it is debited for payment of tax after the due date, such amount shall not be considered while calculating interest. (**Proviso to Rule 88B**)

Discussion & Conclusion:

- In the case of ABC Ltd., the amount of ₹50,000 was available in the E-Cash Ledger on the due date (20th August 2024). Although the return was filed late, on 30th August 2024, the tax payable of ₹40,000 was paid from the available balance in the Cash Ledger.
- Since the amount was available in the ledger on the due date and remained there until it was debited for payment on 30th August. Thus, ABC Ltd. will **not be liable to pay any interest** on the delayed filing of the return.

Question 3

Mr. Broker wrongly availed ₹ 1,25,000 as input tax credit (CGST + SGST) at the time of furnishing return under section 39 of the CGST Act, 2017 for the month of October 20XX. This ITC was not utilized against the output tax liability for the month of October 20XX. Mr. Broker utilised ITC of ₹ 75,000 from the above wrongly availed ITC of ₹ 1,25,000 against output tax liability for the month of November 20XX.

Mr. Broker paid the amount of ITC wrongly utilised of ₹ 75,000 on 10th March, 20YY and reversed the unutilized amount of ₹ 50,000 on 20th March 20YY. Calculate the total interest payable (CGST + SGST) rounded off to nearest rupee under GST law if Mr. Broker files:

- (i) Form GSTR-3B for the month of October on 18th November 20XX, and
- (ii) Form GSTR-3B for the month of November on 25th December 20XX.

Note: Assume there is no extension of due date of filing of Form GSTR-3B, and no other transactions were undertaken during the year 20XX-YY. [CA Final Nov 23 Exam]

Answer:-

Legal Provision:

- ➔ As per **Sec 50 read with Rule 88B**, if ITC has been wrongly availed and utilised, the registered person shall pay **interest** on the same
 - for the period starting from the date of utilisation of such wrongly availed ITC
 - till the date of reversal of ITC or payment of tax in respect of such amount
 - @ 18% per annum.
- ➔ Where date of utilisation of ITC will be **Earlier** of Due date of furnishing returns or Actual date of filing return.

Discussion & Conclusion:

- ➔ In the given case, Since wrongly availed ITC of ₹ 50,000 has been reversed without utilizing the same, interest is not payable on the same.
- ➔ However, Interest is payable on wrongly availed and utilised ITC of ₹ 75,000.
- ➔ Date of utilisation of said ITC will be:
 - Due date of furnishing return for Nov 20XX [20th December, 20XX] or
 - Actual date of filing of the return for Nov 20XX [25th December 20XX] whichever is **earlier**.
- Thus**, date of utilisation of said ITC will be **20th December, 20XX**.
- ➔ Interest (CGST + SGST) will be payable for **80 days** [21st December 20XX to 10th March, 20YY (both days inclusive)] as follows:
 - = ₹ 75,000 × 80 / 365 × 18%
 - = **₹ 2,959** [CGST+SGST] (rounded off)

Authors Note:

ICAI has calculated interest from next day of Date of utilisation, but the provision says it should be from the date of utilisation, So Answer may vary in some cases & Student has to follow ICAI Approach.

3	Supply of a heavy machinery to Public Sector Undertaking located in Uttarakhand (Note-3)	5,90,000	25,000	500	-	-
4	Supply of taxable goods to Delhi office of National Housing Bank, a society established by Government of India under the Societies Registration Act, 1860 (Note-4)	6,49,000	50,000	-	500	500

9	Supply of goods through Foreign ECO, USMART who does not have place of business in India. (Note 9)	2,30,100	2,30,100	-	975	975

Note:-

1.	<p>➤ Being an inter-State supply of goods, supply of stationery to Fisheries Department, Kolkata is subject to IGST @ 18%. Therefore, total value of taxable supply [excluding IGST] under the contract is as follows:</p> $= ₹2,60,000 \times 100 / 118$ $= ₹2,20,339 \text{ (rounded off)}$ <p>➤ Since the total value of taxable supply under the contract does not exceed ₹2,50,000, tax is not required to be deducted at source.</p>
2.	<p>➤ Being an intra-State supply of services, supply of car rental services to Municipal Corporation of Delhi is subject to CGST and SGST @ 9% each. Therefore, total value of taxable supply [excluding CGST and SGST] under the contract is as follows:</p> $= ₹2,95,000 \times 100 / 118$ $= ₹2,50,000$ <p>➤ Since the total value of taxable supply under the contract does not exceed ₹2,50,000, tax is not required to be deducted at source.</p>

3.	<p>➤ Being an inter-State supply of goods, supply of heavy machinery to PSU in Uttarakhand is subject to IGST @ 18%. Therefore, total value of taxable supply [excluding IGST] under the contract is as follows:</p> $= ₹5,90,000 \times 100 / 118$ $= ₹5,00,000$ <p>➤ Since the total value of taxable supply under the contract exceeds ₹ 2,50,000, PSU in Uttarakhand is required to deduct tax at source @ 2% (for IGST) of ₹25,000, i.e. ₹ 500.</p>
4.	<p>➤ Being an intra-State supply of goods, supply of taxable goods to National Housing Bank, Delhi is subject to CGST and SGST @ 9% each. Therefore, total value of taxable supply [excluding CGST and SGST] under the contract is as follows:</p> $= ₹6,49,000 \times 100 / 118$ $= ₹5,50,000$ <p>➤ Since the total value of taxable supply under the contract exceeds ₹ 2,50,000 National Housing Bank, Delhi is required to deduct tax at source @ 1% CGST & 1% SGST each of ₹ 50,000, i.e. ₹ 500 each</p>
5.	<p>➤ As per Proviso to section 51(1) of the CGST Act, 2017 stipulates that no tax shall be deducted if the location of the supplier and the place of supply is in a State or Union territory which is different from the State or as the case may be, Union territory of registration of the recipient.</p> <p>➤ Further, as per Section 12(3) of the IGST Act, 2017, the place of supply of services, directly in relation to an immovable property, including services provided by interior decorators, shall be the location at which the immovable property is located or intended to be located. Accordingly, the place of supply of the interior decoration of Andhra Bhawan shall be Delhi.</p> <p>➤ Since the location of the supplier (Manihar Enterprises) and the place of supply is Delhi and the State of registration of the recipient - Government of Andhra Pradesh is Andhra Pradesh, no tax is liable to be deducted in the given case.</p>
6.	<p>➤ If the contract is made for both taxable supply and exempted supply, tax shall be deducted if the total value of taxable supply in the contract exceeds ₹ 2,50,000.</p> <p>➤ Being an intra-State supply of goods, supply of printed post cards to a West Delhi Post Office is subject to CGST and SGST @ 9% each. Therefore, total value of taxable supply [excluding CGST and SGST] under the contract is as follows:</p> $= ₹2,72,000 \times 100 / 118$ $= ₹2,30,509 \text{ (rounded off)}$ <p>➤ Since the total value of taxable supply under the contract does not exceed ₹ 2,50,000, tax is not required to be deducted at source.</p>
7.	<p>➤ An electronic commerce operator (ECO) is required to collect Tax at source @ 0.5% (CGST 0.25% and SGST @ 0.25%) of the net value of taxable supplies made through it by other suppliers</p> <p>➤ Therefore, the net value of taxable supplies,</p> $= ₹1,77,000 \times 100 / 118$ $= ₹1,50,000$ <p>Thus, 0.25 % of ₹1,50,000 = ₹ 375 (CGST) & ₹ 375 (SGST)</p>
8.	<p>➤ Mr. A, an ECO is supplying goods through the electronic common portal in capacity of an agent on behalf of Manihar enterprises and hence the liability to collect tax at source as per Section 52 shall not arise in this case.</p>
9.	<p>➤ As per Sec 12 of IGST Act, the Place of supply of goods shall be the location of supplier as the supply is made to unregistered customers and address of such customer is not available in the records of supplier.</p> <p>➤ If registered supplier is supplying goods or services through a foreign e-commerce operator to a customer in India, such foreign e-commerce operator would be liable to collect tax at source @ 0.5% (CGST 0.25% and SGST @ 0.25%) of the net value of taxable supplies</p> <p>Therefore, the net value of taxable supplies,</p> $= ₹2,30,100 \times 100 / 118 = ₹1,95,000$ <p>Thus, 0.25 % of ₹1,95,000 = ₹ 487.5 (CGST) & ₹ 487.5 (SGST)</p>

b) Yes, Foreign E-commerce operator is required to obtain registration.

- If foreign e-commerce operator collects tax at source on supply of goods or services, then he would be required to obtain registration in each State / UT.
 - It may be noted that each State/UT has indicated one administrative jurisdiction where all e-commerce operators having business (but not having physical presence) in that state/UT shall register
 - If the foreign e-commerce operator does not have physical presence in a particular State / UT, he may appoint an **agent** on his behalf
- c) Tax has to be paid to the government by the deductor **within 10 days** after the end of the month in which such deduction is made, otherwise interest shall be levied @ **18% p.a.** for the period for which the tax or any part thereof remains unpaid, **as per sec 50(1) read with Rule 88B.**

Question 5

Bindusara commences the business of supplying taxable goods locally within the State of Rajasthan in April. He is not yet registered under GST. As his aggregate turnover reaches ₹ 8 lakh by the end of the month of June, Bindusara starts exploring the option to sell the goods supplied by him within Rajasthan on a popular electronic commerce platform – E-vastustore by listing the goods on the said platform.

He approaches you for advice on following issues in this regard:

- (A) Bindusara wishes to continue his business without registering under GST since it will enhance the compliance burden under GST law. Can he supply the goods through E-vastustore without obtaining GST registration? You are required to advise him.
- (B) Discuss the GST implications in case Bindusara supplies goods through electronic commerce platform – E-vastustore.
- (C) Can Bindusara opt for composition scheme u/s 10 in future, if he becomes liable to register on crossing the threshold limit for registration u/s 22? If yes, can he make inter-state supply of goods & continue to be under composition scheme?
- (D) If Bindusara obtains registration & opts for composition scheme, what are the compliances that are to be fulfilled by ECO- E-vastustore, if Bindusara supplies goods through it?
- (E) What is maximum time limit to furnish a statement for an ECO?
- (F) Assume that Bindusara crosses the threshold limit for registration u/s 22 & becomes liable for registration. He did not obtain registration & still supplies goods through ECO. State the penalty leviable, if any, on the ECO- E-vastustore u/s 122 of CGST Act.

Answer:-

A) Yes, Bindusara can supply goods through E-vastustore without obtaining GST registration.

Legal Provision:-

- As per Sec 24 persons supplying goods or services (except services u/s 9(5)) through an ECO required to collect TCS u/s 52 must mandatorily register, regardless of turnover.
- However, as per notification, exemption from registration till threshold is available to persons supplying goods through ECOs (liable to collect TCS), if:

Conditions for Exemption:

- Aggregate turnover in preceding and current FY does not exceed threshold under Section 22(1).
- No inter-State supply of goods.
- Supplies are made through ECO in only one State/UT.
- Person must have a valid PAN under Income-t
- Before supplying, person must declare PAN, business address, and State/UT on the GST portal — validated before enrolment.
- Must obtain a unique enrolment number per State/UT.

	<p>➡ No supply allowed through ECO without enrolment number.</p> <p>➡ Once registered u/s 25, the enrolment number becomes invalid from the effective date of registration.</p> <p>Discussion & Conclusion:- In given case, Bindusara can supply goods through E-vastustore without obtaining GST registration till the time its aggregate turnover does not exceed the threshold limit as per section 22(1) thereby complying with the aforesaid conditions.</p>
B)	<p>➡ As Bindusara is not required to obtain registration under GST, there shall be no GST implications on the supplies made by him through electronic commerce platform – E-vastustore.</p> <p>➡ However, ECO – E-vastustore – is required to submit the details of supplies made through it by the unregistered suppliers (including Bindusara) having enrolment number in Form GSTR 8.</p> <p>➡ Further, no tax at source shall be collected by the E-vastustore in respect of such supplies.</p> <p>➡ E-vastustore shall allow the supply of goods through it by Bindusara only if enrolment number has been allotted on the common portal to him;</p> <p>➡ E-vastustore shall not allow any inter-State supply of goods through it by Bindusara;</p>
C)	<p>i) Yes, Bindusara can opt for composition scheme u/s 10 while applying for registration or even after obtaining registration.</p> <p>This is because, as per section 10(2)(d), the restriction to opt for composition scheme is on the person engaged in making any supply of services through an ECO who is required to collect tax at source u/s 52 & not on supply of goods through such ECO.</p> <p>ii) No, Bindusara cannot make inter-state supply of goods because if he does that, he will become ineligible to remain in composition scheme as per section 10(2)(c).</p>

Answer:-

1)	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per sec 37 of CGST Act, GSTR-1 for a particular month is filed on or before the 11th day of immediately succeeding month i.e. on monthly basis. However, to ease the compliance requirement, GSTR-1 can be filed quarterly by a registered person with Agg. T/o upto ₹ 5 crore in preceding financial year under the QRMP Scheme. Under QRMP Scheme, for the first and second months of a quarter, the details of outward supplies can be furnished up to a cumulative value of ₹ 50 Lakhs in each of the months using invoice furnishing facility (IFF) electronically on common portal from the 1st day of the month succeeding such month till the 13th day of the said month. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In view of the same, Mr. X can file its GSTR-1 on quarterly basis if it has opted to furnish the outward supply related details on quarterly basis and filing IFF on monthly basis as his aggregate turnover does not exceed ₹ 5 crore in the preceding financial year.
2)	<p>Legal Provision:-</p> <ul style="list-style-type: none"> Opting of QRMP scheme is GSTIN wise & thus, implies that some GSTINs for a PAN can opt for the QRMP scheme and remaining GSTINs may not opt for the said scheme. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> In given case, Mr. X can opt for the QRMP scheme only for Maharashtra Branch as the option to avail QRMP scheme is GSTIN wise and therefore distinct person as defined u/s 25 of CGST Act have option to avail QRMP for one or more GSTIN.
3)	<ul style="list-style-type: none"> Tax is to be paid under the QRMP scheme using challan PMT-06 as follows:- <ul style="list-style-type: none"> For the first two months - by 25th of succeeding month and For the last month - along with return for the Quarter i.e. on or before 22nd or 24th of the month succeeding such Quarter. Tax can be paid using any of the methods i.e. Fixed Sum Method or Self-Assessment method.
4)	<p>Legal Provision:-</p> <ul style="list-style-type: none"> As per proviso to rule 59(1), a registered person may, after furnishing the details of outward supplies of goods or services or both in Form GSTR-1 for a tax period but before filing of return in Form GSTR-3B for the said tax period, at his own option, amend or furnish additional details of outward supplies of goods or services or both in Form GSTR-1A for the said tax period. Further, rule 60(7) provides that the additional details or amendments in details of outward supplies furnished by the supplier in Form GSTR-1A filed after the due date of furnishing of Form GSTR-1 for the previous tax period shall be reflected in Form GSTR-2B for the current tax period. This implies that the ITC for the supplies declared or amended by the suppliers through Form GSTR-1A will be available to the recipient in Form GSTR-2B generated for the next tax period. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In the given case, Mr. X has the option to furnish the details of the invoice issued to Bhawani Traders in Form GSTR-1A on or after 14th February but before filing Form GSTR-3B for January. The corresponding effect of the changes made through Form GSTR-1A on the liability of Mr. X shall be reflected in Form GSTR-3B for January. Also, the details of missing invoice of Bhawani Traders will be available in its Form GSTR-2B for the month of February.

Question 1

Sudama Industries Ltd., registered in the State of Jammu & Kashmir, manufactures plastic pipes for other suppliers on job-work basis.

On 10th January, 2021, Plasto Manufacturers (registered in the State of Himachal Pradesh) sent plastic worth ₹ 4 lakh and moulds worth ₹ 50,000, free of cost, to Sudama Industries Ltd. to make plastic pipes. It also instructed its supplier Dawson Ltd. to send a machine directly to the job worker, Sudama Industries Ltd., outside its factory to carry out certain operations on plastic. The machine was sent by the supplier on 10th January, 2021 and was received by the job worker on 13th January, 2021.

Sudama Industries Ltd. also used its own material – a special type of lamination material for coating the pipes – worth ₹ 1 lakh in the manufacture of pipes. It raised an invoice of ₹ 2 lakh as job charges for making pipes (inclusive of own coating material used) and returned half of the manufactured pipes through delivery challan to Plasto Manufacturers on 20th October, 2021 in the same financial year whereas the remaining pipes were directly sold to the customer on behalf of Plasto Manufacturers on the same day. It also returned the machine to the principal, Plasto Manufacturers on 11th January, 2024 but it failed to return the mould back. During the course of this job work, waste is generated which is sold by Sudama Industries Ltd. for ₹ 45,000.

The same quality and quantity of plastic pipes, as was made for Plasto Manufacturers, were made by Sudama Industries Ltd. from its own raw material and sold to Solid Pipes (registered in Jammu & Kashmir) for ₹ 7.5 lakh on 20th October, 2021.

Examine the scenario and offer your views on the following issues with reference to the provisions relating to job work under the GST laws:-

1. Is there any difference between the manufacture of plastic pipes by Sudama Industries Ltd. for Plasto Manufacturers and for Solid Pipes?
2. Whether sending of plastic and moulds to Sudama Industries Ltd. by Plasto Manufacturers is a supply and a taxable invoice needs to be issued for the same?
3. Whether Sudama Industries Ltd. can use its own material even when it is manufacturing the plastic pipes on job-work basis?
4. Whether Sudama Industries Ltd. should include the value of free of cost plastic and moulds supplied by Plasto Manufacturers in its job charges?
5. Can Sudama Industries Ltd. take ITC of inputs used by him additionally in the process of job work?
6. Can Plasto Manufacturers retain the ITC availed by them on the machine and moulds?

What would be your answer if Sudama Industries Ltd. carried out the job work, but did not return the machine to Plasto Manufacturers & accordingly, what action under the GST Act is required to be taken by Plasto Manufacturers.

What would be your answer, if instead of machine, plastic was directly sent to Sudama Industries Ltd. by the supplier of Plasto Manufacturers?

7. Whether the pipes belonging to principal which are directly supplied from the premises of Sudama Industries Ltd. will be included in the aggregate turnover of the Sudama Industries Ltd.? Who shall be liable to pay tax on such supply?
8. Under what circumstances, can the principal directly supply goods from the premises of job worker without declaring the premises of job worker as his additional place of business?
9. Who is responsible for the maintenance of proper accounts related to job work?
10. Assuming GST rate for plastic pipes as 28%, for related waste as 12% and standard rate for services as 18%,

you are required to compute the GST liability of Sudama Industries Ltd. Also, give reason(s) for inclusion or exclusion of the value of plastic and moulds in the job charges for the purpose of payment of GST by Sudama Industries Ltd.

11. Whether the provisions of job work would be applicable, if in question, exempted or non-taxable goods were sent for job work instead of taxable goods?

12. When an e-way bill is required to be generated in case of job work?

13. Sudama Industries Ltd. & Plasto Manufacturers, both of them, wants to know about the registration requirement under GST, if their aggregate turnover does not exceed ₹ 20 lakhs threshold applicable for registration.

Answer:-

1)	<p>Legal Provision:-</p> <p>⇒ Section 2(68) of CGST Act gives the meaning of job work as any treatment or process undertaken by a person on goods (inputs or capital goods) belonging to another registered person (i.e. Principal) & the expression "job worker" shall be construed accordingly.</p> <p>Discussion & Conclusion:-</p> <p>⇒ When goods are manufactured by Sudama Industries Ltd. for Plasto Manufacturers, it is job work as the process is undertaken on inputs (plastic & moulds) supplied by principal (Plasto Manufacturers).</p> <p>⇒ When goods are manufactured for Solid Pipes, it is manufacture on own account as the pipes are manufactured from company's own raw material.</p> <p>⇒ Further, processing or treatment on job work basis is a supply of service as per para 3 of Schedule II to CGST Act and manufacture of pipes on own account is a supply of goods.</p>
2)	<p>Legal Provision:-</p> <p>⇒ As per section 143 of CGST Act, registered principal may send goods (inputs or capital goods) to a job worker for job work without payment of tax.</p> <p>⇒ But on completion of job work or otherwise, the Principal shall:-</p> <ul style="list-style-type: none"> ➤ either bring back the goods to his place of business or ➤ supply (including export) the same directly from the place of business of job worker within 1 year or 3 years from sending the inputs or capital goods respectively to the job worker or direct receipt by the job worker from the supplier. <p>⇒ Time limit of 3 years to return goods is not applicable to moulds, dies, jigs, fixtures & tools.</p> <p>⇒ If the above time frame of 1 year or 3 years is not adhered to, the activity of sending the goods for job work shall be deemed to be a supply by the principal on the day when the said inputs/ capital goods were sent out by him.</p> <p>⇒ Thus, sending goods for job work is not a supply as such, but it acquires the character of supply only when the inputs/ capital goods sent for job work are neither received back by the principal nor supplied further by the principal from the place of business of job worker within 1/3 years of being sent out.</p> <p>⇒ Further, rule 45 of CGST Rules states that inputs, semi-finished goods or capital goods being sent for job work shall be sent under the cover of a delivery challan issued by the principal.</p> <p>Discussion & Conclusion:-</p> <p>⇒ The sending of plastic and moulds by Plasto Manufacturers to Sudama Industries Ltd. (job worker) is not a supply as the manufactured pipes are received back within the stipulated time and the provisions relating to return of goods are not applicable in case of moulds.</p> <p>⇒ Plasto Manufacturers need not issue a taxable invoice for sending the inputs to Sudama Industries Ltd. but should send the inputs under the cover of a challan as per rule 45.</p>
3)	<p>Yes. As per CBIC Clarification, job worker can use his own goods for providing the services of job work in addition to the goods received from the principal.</p>
4)	<p>Legal Provision:-</p> <p>⇒ As per section 15(2)(b) of CGST Act, value of supply includes any amount that the supplier is liable to pay in relation to supply but which has been incurred by the recipient of supply and not included in the price actually paid or payable for the goods &/or services.</p>

	<p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> As Sudama Industries Ltd. is manufacturing the plastic pipes on job work basis, it should not include the value of free of cost plastic & moulds supplied by Plasto Manufacturers in its job charges. The scope of supply of Sudama Industries Ltd. is to manufacture plastic pipes from the raw material supplied by Plasto Manufacturers & thus, it is not liable to pay for raw material. Therefore, value of plastic & moulds should not be included in its job charges u/s 15(2)(b) even though the same is incurred by Plasto Manufacturers (recipient of job work service).
5)	<ul style="list-style-type: none"> Yes, the Sudama Industries Ltd. is eligible to take input tax credit (ITC) of inputs used by him additionally in the process of job work because the value of such additional inputs is included in the value of the supply of job work services being a composite supply & taxable in the hands of the job worker. However, it cannot take ITC of goods supplied to him by the Plasto Manufacturers (i.e. the principal) for Job work.
6)	<p>Legal Provision:-</p> <ul style="list-style-type: none"> As per section 19 of CGST Act, the capital goods directly sent to a job worker are required to be returned to the principal within 3 years [extendible by another 2 years] from the date of receipt of such capital goods by the job worker, otherwise it shall be deemed that such capital goods had been supplied by principal to job worker on the day when the capital goods were received by job worker. In such a case, principal can avail the credit of tax paid on such capital goods even if they are directly sent to a job worker for job work without being first brought to his place of business. The aforesaid time period of 3 years does not apply to moulds and dies, jigs and fixtures or tools sent out for job work. <p>Discussion & Conclusion:-</p> <p>a) Plasto Manufacturers is entitled to take and retain ITC on capital goods (machine) directly sent to job worker (Sudama Industries Ltd.) for job work without being brought into its premises since the said machine was returned within the specified time period of 3 years from the date its receipt (i.e. 13th January, 2021) by Sudama Industries Ltd.</p> <p>Plasto Manufacturers is entitled to take and retain ITC of moulds, even if Sudama Industries Ltd. does not return the moulds to Plasto Manufacturers. It shall not be considered as a supply of mould to Sudama Industries Ltd. by Plasto Manufacturers & thus, Plasto Manufacturers will be eligible to retain ITC availed by them on such mould.</p> <p>b) If the machine is not returned by Sudama Industries Ltd. within 3 years from 13th January, 2021 (date of receipt of capital goods by job worker), it shall be deemed that such machine had been supplied by Plasto Manufacturers to Sudama Industries Ltd. on 13th January, 2021 and Plasto Manufacturers shall be liable to pay the tax along with applicable interest.</p> <p>However, if it applies for extension, then commissioner can further grant extension upto 2 years and no tax will be payable in that case.</p> <p>c) Plasto Manufacturers would be still eligible to retain ITC availed by them on such plastic because as per section 19 of CGST Act, the principal shall be entitled to take credit of input tax on inputs even if the inputs are directly sent to a job worker for job work without being first brought to his place of business. However, such inputs are required to be</p> <ul style="list-style-type: none"> returned to the principal or supplied from the place of business of the job worker within 1 years [extendible by another 1 year] from the date of receipt of such inputs by the job worker.
7)	<p>a) No. As per explanation (ii) to section 22, after the completion of job work, supply of goods by a registered job worker shall be treated as the supply of goods by the principal & the value of such goods shall not be included in aggregate turnover of registered job worker.</p> <p>b) Section 143 allows Sudama Industries Ltd. to directly sell the pipes on behalf of Plasto Manufacturers where the liability to pay tax is of Plasto Manufacturers and not Sudama Industries Ltd.</p> <p>Hence, Plasto Manufacturers is liable to pay GST on sale of pipes by Sudama Industries Ltd.</p> <p>However, as per proviso to sec 143(1), Plasto Manufacturers must declare the premises of Sudama Industries Ltd. as an 'Additional Place of Business'.</p>

8)	As per proviso to section 143(1) of CGST Act, the goods can be supplied directly by the principal from the place of business of job worker without declaring it as additional place of business only in two circumstances as under:- i) Where the job worker is registered under section 25 or ii) Where the principal is engaged in supply of goods notified by the Commissioner.															
9)	As per section 143(2) of CGST Act, it is completely the responsibility of principal (i.e. Plasto Manufacturers) to maintain proper accounts of job work related inputs and capital goods.															
10)	<p>Legal Provision:-</p> <p>➤ As per para 3 of Schedule II to CGST Act, any treatment or process applied to another person's goods is a supply of services and is accordingly subject to GST rate applicable for services.</p> <p>➤ As per section 143(5) of CGST Act, if job worker is registered, then any waste generated during the job work may be supplied by the job worker directly from his place of business on payment of tax.</p> <p>Discussion & Conclusion:-</p> <p>➤ In given case, Sudama Industries Ltd. (job worker) undertakes the process of manufacturing the plastic pipes for Plasto Manufacturers (principal).</p> <p>➤ This activity is classified as service under para 3 of Schedule II though it also supplied a special type of lamination material for coating the pipes & thus, the job charges will be taxed at 18% as applicable for services.</p> <p>➤ The value of plastic & moulds will not be included in value of taxable supply made by Sudama Industries Ltd. as the supply of plastic & moulds does not fall within the scope of supply to be made by Sudama Industries Ltd.</p> <p>➤ Since Sudama Industries Ltd. is registered, the tax leviable on supply of waste generated during the job work will have to be paid by it as per section 143(5). Such supply will be treated as supply of goods and subject to GST rate applicable for related waste.</p> <p>➤ Accordingly, the GST liability of Sudama Industries Ltd. will be computed as under:-</p> <table><tr><th>Particulars</th><th>Taxable Value (₹)</th><th>GST (₹)</th></tr><tr><td>Own supply of plastic pipes (GST @ 28%)</td><td>7,50,000</td><td>2,10,000</td></tr><tr><td>Job Charges (GST @ 18%)</td><td>2,00,000</td><td>36,000</td></tr><tr><td>Sale of metal waste (GST @ 12%)</td><td>45,000</td><td>5,400</td></tr><tr><td>Total GST payable (A)+ (B)</td><td>9,95,000</td><td>2,51,400</td></tr></table>	Particulars	Taxable Value (₹)	GST (₹)	Own supply of plastic pipes (GST @ 28%)	7,50,000	2,10,000	Job Charges (GST @ 18%)	2,00,000	36,000	Sale of metal waste (GST @ 12%)	45,000	5,400	Total GST payable (A)+ (B)	9,95,000	2,51,400

11)	<p>➤ No, As per section 143 of CGST Act, the provisions relating to job work are applicable only to a registered person who intends to send taxable goods for further processing on job work basis.</p> <p>➤ In other words, section 143 is not applicable to:-</p> <ul style="list-style-type: none">➤ a registered person sending exempted or non-taxable goods on job work or➤ an unregistered person.															
12)	<p>➤ An e-way bill is required to be generated by every registered person who causes movement of goods of consignment value exceeding ₹50000 even in cases where such movement is for reasons other than for supply (e.g. in case of movement for job work).</p> <p>➤ However, for interstate movement of goods for job work, e-way bill shall be generated either by the principal or by the registered job worker irrespective of consignment value.</p>															
13)	<p>➤ For the Principal:- It is at the option of principal to register & avail the benefit of section 143 of CGST Act which is applicable only to a registered person.</p> <p>➤ For the job worker:- As per CBIC clarification, irrespective of fact whether principal & the job worker are located in same State or in different States, a job worker is required to obtain registration only if his aggregate turnover in a financial year exceeds threshold limit applicable u/s 22 of CGST Act.</p>															

Question 1

Kulbhushan & Sons, registered under GST in Uttar Pradesh, has entered into a contract to supply a consignment of certain taxable goods. However, since it is unable to determine the value of the goods to be supplied by it, it applies for payment of tax on such goods on a provisional basis along with the required documents in support of its request.

On 12th January, the Assistant Commissioner of Central Tax issues an order allowing payment of tax on provisional basis indicating the value on the basis of which the assessment is allowed on provisional basis and the amount for which the bond is to be executed and security is to be furnished.

Kulbhushan & Sons complies with the same and supplies the goods on 25th January thereafter paying the tax on provisional basis in respect of said consignment on 19th February.

Consequent to the final assessment order passed by the Assistant Commissioner of Central Tax on 21st March, a tax of ₹ 1,80,000 becomes due on the consignment. Kulbhushan & Sons pays the tax due on 9th April. He has approached Mr. Rohan, a tax consultant, regarding the following issues:-

1. Whether Kulbhushan & Sons was right in applying for payment of tax on goods supplied by it on provisional basis? Within how many days, proper officer should have pass order allowing payment of tax on provisional basis? State the time limit for the finalization of provisional assessment.
2. Determine the interest payable, if any, by Kulbhushan & Sons in the above case.
3. Assuming all the other facts remaining the same, if consequent to the final assessment order passed on 21st March, a tax of ₹ 4,20,000 becomes refundable on the consignment, refund of which is applied by Kulbhushan & Sons on 9th April and tax was refunded to it on 05th June, determine the interest receivable, if any, by Kulbhushan & Sons in the given case.
What would be your answer, if tax was refunded to it on 15th June instead of 05th June?
4. Can the return and particulars furnished by Kulbhushan & Sons be scrutinized under GST? Explain the related provisions.
5. Whether the GST law provides for the assessment, if Kulbhushan & Sons fails to furnish the returns u/s 39 or 45 even after the service of a notice under section 46? Explain.
6. Once an assessment order is passed by proper officer, can it be withdrawn under CGST Act, 2017? If yes, mention those cases.
7. Assume that Kulbhushan & Sons is served a notice for audit by the tax authority under GST law on 10th July. The records and other documents as sought by tax authority have been made available by Kulbhushan & Sons on 25th July. The tax authority visits its office located in Noida, Uttar Pradesh on 8th August for conducting audit. Determine the time-limit within which audit u/s 65 of the CGST Act, 2017 is required to be completed assuming that no extension is permitted in the given case.

Question 1

Ranjan intends to start selling certain goods in Delhi. However, he is not able to determine:-

- a) The classification of the goods proposed to be supplied by him [as the classification of said goods has been contentious] and
- b) The place of supply if he supplies said goods from Delhi to buyers in U.S.

Ranjan's tax advisor has advised him to apply for the advance ruling in respect of these issues. He told Ranjan that the advance ruling would bring him certainty and transparency in respect of the said issues and would avoid litigation later. Ranjan agreed with his view, but has some apprehensions.

In view of the information given above, you are required to advise Ranjan with respect to following:-

- 1) The tax advisor asks Ranjan to get registered under GST law before applying for the advance ruling as only a registered person can apply for the same. Whether Ranjan needs to get registered?
- 2) Ranjan wants to obtain a list of questions for which advance ruling can be sought & accordingly, can Ranjan seek advance ruling for the following:-
 - a) whether the goods proposed to be supplied by Ranjan amounts to supply of goods under GST law and if yes, advance ruling to determine the classification of said goods?
 - b) To determine the place of supply, if he supplies said goods from Delhi to buyers in U.S?
- 3) Ranjan is doubtful whether he can seek advance ruling in relation to an activity/transaction already being undertaken. Whether Ranjan's doubt is correct?
- 4) Ranjan is apprehensive that Authority for Advance Ruling may take years to pronounce its ruling. Whether his apprehension is correct? Also guide him regarding the procedure followed by AAR on receipt of application for Advance Ruling u/s 98 of CGST Act, 2017.
- 5) Ranjan is apprehensive that if at all advance ruling is permitted to be sought, he has to seek it every year. Whether Ranjan's apprehension is correct?
- 6) The tax advisor is of view that order of AAR is final & is not appealable. Whether tax advisor's view is correct? If yes, explain it with reference to sections 100 & 101 of CGST Act.
- 7) Ranjan wants to know whether further appeal can be filed before the High Court or Supreme Court against the ruling of AAAR?
- 8) Sambhav - Ranjan's friend - is a supplier registered in Delhi. He is engaged in supply of the goods, which Ranjan proposes to supply at the same commercial level that Ranjan proposes to adopt. He intends to apply the classification of the goods as decided in the advance ruling order to be obtained by Ranjan, to the goods supplied by him in Delhi. Whether Sambhav can do so?
- 9) Ranjan wants to know that can an advance ruling given be nullified?

Answer:-

1	<p>Legal Provision:- As per section 95(c) of CGST Act, 2017, Advance ruling under GST can be sought by a registered person or a person desirous of obtaining registration under GST law.</p> <p>Discussion & Conclusion:- Therefore, it is not mandatory for a person seeking advance ruling to be registered.</p>
2	<p>Legal Provision:-</p> <p>☞ As per section 97(2) of CGST Act, 2017, Advance Ruling can be sought for the following questions:-</p> <ol style="list-style-type: none"> a) classification of any goods &/or services, b) applicability of a notification issued under provisions of GST Act(s), c) determination of time and value of supply of goods &/or services,

- d) admissibility of input tax credit of tax paid or deemed to have been paid,
- e) determination of the liability to pay tax on any goods &/or services,
- f) whether applicant is required to be registered,
- g) whether any particular thing done by applicant with respect to any goods or services or both amounts to or results in a supply of goods &/or services, within the meaning of that term.

⇒ One of the **questions/ matters** on which advance ruling can be sought:-

- is to determine whether any particular thing done by the applicant with respect to any goods or services or both **is a supply** of goods or services or both under GST **and**
- also the classification of any goods or services or both.

⇒ Determination of **place of supply is not one of the specified questions/ matters** on which advance ruling can be sought under section 97(2).

⇒ As per **section 96** of CGST Act, 2017, AAR is constituted under the respective SGST Act / UTGST Act and not under the CGST Act & hence, the Ruling given by AAR of one State/ Union Territory shall be applicable only within the jurisdiction of the concerned State/ Union Territory.

Discussion & Conclusion:-

⇒ Ranjan **can seek advance ruling to determine**

- whether supply of goods proposed to be undertaken amounts to supply of goods under GST law and
- also the classification of said goods.

⇒ Questions to determine place of supply cannot be raised with AAR & hence, Ranjan **cannot seek advance ruling to determine place of supply** of goods proposed to be supplied by him.

Note:- Above answer is based on view taken by CBIC in its E-flier issued on advance ruling. E-flier is available on CBIC's website. However, it can be also be argued that question relating to determination of the liability to pay tax on goods and/or services as provided under section 96(2)(e) of the CGST Act, 2017 encompasses within its ambit the question relating to place of supply. This is so because place of supply is one of the factor to determine whether supply is leviable to CGST & SGST or IGST.

3 Legal Provision:-

⇒ As per **definition of advance ruling u/s 95(a)** of CGST Act, 2017, advance ruling decision can be provided by Authority to an applicant on matters/questions specified in section 97(2), in relation to supply of goods &/or services **being undertaken or proposed** to be undertaken by applicant.

Discussion & Conclusion:-

⇒ **Advance ruling can be sought** not only for activities/transactions proposed to be undertaken but also for activities/transactions **already undertaken** by the applicant.

⇒ Hence, Ranjan **can seek advance ruling** for supply of goods being already undertaken by him.

4 ⇒ **No**, Ranjan's view is **not correct because** as per **section 98(6)** of CGST Act, 2017, AAR shall pronounce its ruling in writing within 90 days from the date of receipt of application.

⇒ **The procedure to be followed by the Authority for Advance Ruling (AAR) on receipt of the application for advance ruling under section 98 of CGST Act, 2017 is as under:-**

- 1) Upon receipt of an application, AAR shall **send a copy** of application to the officer in whose jurisdiction the applicant falls and call for all relevant records.
- 2) The AAR may then **examine** the application along with the records. After hearing the applicant or his authorised representative and the concerned officer or his authorised representative, AAR will pass an order either admitting or rejecting the application.
- 3) **Application will not be admitted** if question raised in application is already pending or decided in any proceedings in the case of an applicant under any of provisions of GST Act.
- 4) If application is **rejected**, order should be a speaking order giving the reasons for rejection and only after giving an opportunity of being heard to the applicant.
- 5) If application is **admitted**, AAR shall pronounce its advance ruling on question specified in application after examining further material placed before it by applicant or obtained by Authority.

	<p>6) Before giving the ruling, AAR must give an opportunity of being heard to the applicant or his authorised representative and concerned officer or his authorised representative.</p> <p>7) If there is a difference of opinion between the members of AAR, they shall refer the point or points on which they differ to the Appellate Authority for hearing the issue.</p> <p>8) The Authority shall pronounce its advance ruling in writing within 90 days from the date of receipt of application.</p> <p>9) A copy of the advance ruling duly signed by members and certified in prescribed manner shall be sent to the applicant, the concerned officer and the jurisdictional officer.</p>
5	<p>Legal Provision:-</p> <p>➤ As per section 103(2) of CGST Act, 2017, advance ruling shall be binding unless the law, facts or circumstances supporting the original advance ruling have changed.</p> <p>Discussion & Conclusion:-</p> <p>➤ Therefore, once Ranjan has sought the advance ruling with respect to an eligible matter/ question, it will be binding till the time the law, facts and circumstances supporting the original advance ruling remain same.</p>
6	<p>➤ No, the tax advisor's view is not correct.</p> <p>➤ The concerned officer, jurisdictional officer or applicant aggrieved by any advance ruling may appeal to the Appellate Authority for Advance Ruling (AAAR).</p> <p>➤ Such appeal must be filed within 30 days [extendible by another 30 days] from the date on which the ruling sought to be appealed against is communicated.</p> <p>➤ After hearing the parties to the appeal, the AAAR must pass an order confirming or modifying the ruling appealed against within 90 days of the filing of an appeal.</p> <p>➤ If members of AAAR differ on any point referred to in appeal, it shall be deemed that no advance ruling can be issued for the question under appeal.</p> <p>➤ A copy of advance ruling pronounced by AAAR is sent to applicant, concerned officer, jurisdictional officer and the Authority.</p>
7	<p>No. As the GST Act(s) do not provide for any appeal against the ruling of AAAR, no further appeals shall lie and the ruling of AAAR shall be binding on the applicant and the jurisdictional officer in respect of applicant. However, Writ Jurisdiction may lie before the High Court or Supreme Court.</p>
8	<p>Legal Provision:-</p> <p>➤ As per section 103 of CGST Act, 2017, advance ruling pronounced by AAR or AAAR is binding only on the applicant who had sought it and on the concerned officer or the jurisdictional officer in respect of the applicant.</p> <p>➤ The advance rulings are given in personem and not in rem, that is, not to the whole world and therefore, rulings cannot apply to other similar cases.</p> <p>➤ This implies that an advance ruling is not applicable to similarly placed other taxable persons in the State. It is only limited to the person who has applied for an advance ruling.</p> <p>Discussion & Conclusion:-</p> <p>➤ In given case, Sambhav will not be able to apply the classification of goods that will be decided in the advance ruling order to be obtained by Ranjan, to the goods supplied by him in Delhi.</p>
9	<p>➤ Yes. As per section 104(1) of CGST Act, an advance ruling shall be held as void-ab-initio, if the AAR or AAAR finds that the advance ruling was obtained by the applicant by fraud or suppression of material facts or misrepresentation of facts.</p> <p>➤ In such a situation, all the provisions of the GST Act(s) shall apply to the applicant as if such advance ruling had never been made (but excluding the period when advance ruling was given and up to the period when the order declaring it to be void is issued).</p> <p>➤ An order declaring advance ruling to be void can be passed only after hearing the applicant.</p>

He has been given an opportunity of personal hearing on 15.01.2030. Advise Rajul as to what should be the written submissions in the reply to the show cause notice issued to him.

If in above question, the SCN is issued on 31.01.2029 and Rajul is given an opportunity of personal hearing on 15.02.2029, based on which she contends that the show cause notice issued to her is time barred in law. Examine the technical veracity of the contention of Rajul.

2. KK Pvt. Ltd. self-assessed its CGST liability as ₹ 1,15,000 for the month of May 2024 but failed to make the payment.

Subsequently the Department initiated penal proceedings against KK Pvt. Ltd. for recovery of penalty u/s 74A for failure to pay GST and issued show cause notice on 12th September 2024, which was received by KK Pvt. Ltd. on 17th September 2024.

KK Pvt. Ltd. deposited the tax along with interest on 27th September 2024 and informed the department on the same day.

Department is contending that he is liable to pay a penalty of ₹ 57,500 (i.e. 50% of ₹ 1,15,000).

Examine the correctness of the stand taken by the Department.

3. Inoba Bhavé is engaged in supply of taxable services. He supplies some services in the month of April and collects IGST of Rs. 15,50,000 on said supply on 18th April. However, he fails to pay the tax so collected within 30 days from the due date of payment of such tax.
No Show Cause Notice (SCN) has been issued to him so far. Inoba Bhavé decides to discharge his tax liability, before the SCN is issued to him. He is of the view that no penalty is leviable if the payment of tax is made before issue of SCN. Therefore, he self-assesses his tax liability at ₹ 15,50,000 and pays the same on 26th June. Determine the interest and penalty, if any, payable by Inoba Bhavé.
4. Discuss the amount of tax and penalty to be paid, if any, in the following independent cases where show cause notices are issued u/s 74A of CGST Act, 2017 (cases involving fraud to evade tax):-

S.No.	Date on which credit was taken wrongly	Amount of ITC taken wrongly (₹ in lakh)	Present status
1	31st January, 2025	200	Adjudication order passed on 26th July, 2027 demanding the entire amount of credit with interest and imposing amount equal to the credit as penalty.
2	30th June, 2025	250	Adjudication order passed on 26th August, 2027 demanding the entire amount of credit with interest and imposing amount equal to the credit as penalty.
3	30th October, 2025	120	Show cause notice has been issued on 5th September, 2027 demanding the entire amount of credit with interest and proposing penalty equal to 100% of the credit taken.

4	30th January, 2026	50	Statement of the Managing Director has been recorded on 6th September, 2027 wherein he has admitted the non-receipt of the inputs and availing the credit wrongly.
---	--------------------	----	--

Note: In all the cases, assessee wants to pay the amount on 20-10-2027.

5. A taxpayer has suppressed certain facts resulting in short payment of tax. The mistake is pointed out by the Department, but no-show cause notice (SCN) has been issued. As per the taxpayer, suppression is accepted at ₹12,00,000 and he agrees that the suppression has taken place in the month of January, 2025. He clears the dues on 20th April, 2025. However, the Department, on verification, identifies additional suppression of ₹2,00,000 in the same month of January, 2025. SCN is issued and the taxpayer represents before the proper officer, which results into an adverse order against the taxpayer. The order is passed on 25.05.2025 and the taxpayer complies with the adverse adjudication order on 27.07.2025. Determine tax, interest & penalty payable at each stage.

6. Subharti Enterprises collected GST on the goods supplied by it from its customers on the belief that said supply is taxable. However, later it discovered that goods supplied by it are exempt from GST.

The accountant of Subharti Enterprises advised it that the amount mistakenly collected by Subharti Enterprises representing as tax was not required to be deposited with Government. Subharti Enterprises has approached M/s ABC Consultants for seeking the advice on the same. M/s ABC Consultants is required to advise it elaborating the relevant provisions.

Answer:-

1	<p>a) The written submissions in reply to SCN issued to Rajul are as follows:-</p> <p>(i) The show cause notice (SCN) issued for normal period of limitation u/s 74A(1) of CGST Act, 2017 is not sustainable.</p> <p>(ii) As per section 74A(2), such notice shall be issued within 42 months (i.e. 3 years & 6 months) from the due date for furnishing of annual return for the financial year to which such amount relates to. As per section 44, the due date of filing annual return for a financial year is 31st December following the end of such financial year.</p> <p>(iii) The SCN has been issued for the period between 01.07.2024 to 31.12.2024 which falls in the financial year (FY) 2024-25. The due date for furnishing annual return for FY 2024-25 is 31.12.2025. Thus, the SCN u/s 74A(1) ought to have been issued latest by 30.06.2029.</p> <p>(iv) Since the notice has been issued after 30.06.2029, the entire proceeding is barred by limitation and deemed to be concluded u/s 75(10).</p> <p>b) The contention of Rajul is not valid in law as the SCN u/s 74A(1) ought to have been issued latest by 30.06.29. Since in given case, the notice has been issued on 31.01.2029, notice is not time-barred.</p>
2	<p>Legal Provision:-</p> <p>➔ As per section 74A(11) of CGST Act, 2017, if self-assessed tax is not paid within 30 days from due date of payment of such tax, penalty u/s 74A(5)(i) equivalent to 10% of tax due or ₹10,000, whichever is higher, is payable.</p> <p>➔ Thus, option u/s 74A(8)(ii) to pay tax within 60 days of issuance of show cause notice to avoid penalty is not available in case of self-assessed tax.</p> <p>Discussion & Conclusion:-</p> <p>➔ The due date for payment of tax for the month of May 2024 is 20.06.2024.</p> <p>➔ Since in given case, KK Pvt. Ltd. has not paid the self-assessed tax within 30 days of due date [i.e., 20.06.2024], penalty equivalent to the higher of the following is payable by him:-</p> <p>➤ ₹11,500 which is 10% of tax ₹1,15,000 or</p> <p>➤ ₹10,000.</p> <p>➔ Thus, the penalty payable is ₹11,500 each under CGST & SGST.</p> <p>➔ Hence, the stand taken by the Department that penalty will be levied on KK Pvt. Ltd. is correct, but the amount of penalty ₹57,500 is not correct.</p>

Author's note:- With the introduction of Section 74A under GST, matters involving interpretational disputes are now governed by this new section from F.Y. 24-25, making Sections 73 & 74 inapplicable in such cases. Circular No. 76/50/2018, which applied to Section 73, cannot be extended to Section 74A. Hence, only Section 74A will apply until CBIC issues further clarification.

3

Legal Provisions:-

- As per **section 74A(11)** of CGST Act, 2017, if self-assessed tax/any amount collected as tax is not paid within 30 days from due date of payment of such tax, then penalty **u/s 74A(5)(i)** equivalent to 10% of tax due or ₹ 10,000, whichever is higher, is payable.
- Thus, option **u/s 74A(8)(i)** to pay tax before issuance of show cause notice to avoid penalty is **not available** in such cases.

Discussion & Conclusion:-

- The due date for payment of tax collected on 18th April is 20th May.
- However, since tax is actually paid on 26th June, interest @ 18% p.a. is payable for the period for which the tax remains unpaid [i.e. from 21st May to 26th June=37 days] as per section 50 of CGST Act, 2017 read with rule 88B of CGST Rules as under:-
Interest payable = ₹15,50,000 × 18% p.a. × 37/365 = **₹28,282 (rounded off)**.
- **Penalty is mandatorily payable by Inoba Bhawe u/s 74A(11) read with section 74A(5)(i) which is equivalent to the higher of the following:-**
 - ₹1,55,000 which is 10% of tax ₹15,50,000 or
 - ₹10,000.
- Therefore, **the penalty of ₹1,55,000 & interest of ₹28,282 (as calculated in case 1 above)** will have to be paid by Inoba Bhawe.

4

S.No.	Date on which credit was taken wrongly	Amount of ITC taken wrongly (₹ in lakh)	Tax & penalty u/s 74A(9)
1	31st January, 2025	200	Adjudication order is passed on 26th July, 2027 & payment is made on 20.10.2027 i.e., after 60 days of the communication of the adjudication order. Therefore, entire amount of ITC wrongly availed which is ₹ 200 lakh & equal amount of penalty i.e., ₹ 200 lakh shall be payable.
2	30th June 2025	250	Adjudication order is passed on 26th August, 2027 and payment is made on 20.10.2027 i.e., within 60 days of the communication of the adjudication order. Therefore, entire amount of ITC wrongly availed which is ₹ 250 lakh and 50% of the penalty imposed i.e., ₹125 lakh shall be payable.
3	30th October, 2025	120	Show cause notice is issued on 5th September 2027 and payment is made on 20.10.2027 i.e., within 60 days of issue of show cause notice. Therefore, entire amount of ITC wrongly availed which is ₹120 lakh and 25% of the penalty imposed i.e., ₹ 30 lakh shall be payable
4	30th January, 2026	50	Alternative-I: It is assumed that payment has been made within 60 days of issue of show cause notice. Entire amount of ITC wrongly availed which is ₹ 50 lakh and 25% of the penalty imposed i.e., ₹12.5 lakh shall be payable. Alternative-II: It is assumed that show cause

notice has not yet been issued.
Payment made on 20.10.2027 is before issuance of show cause notice. Therefore, amount of ITC admitted to be taken wrongfully which is ₹ 50 lakh and penalty equal to 15% of such ITC i.e., ₹7.5 lakh shall be payable.

- 5 ➡ **Suppression means non-declaration of facts or information which a taxable person is required to declare in the return, statement, report or any other document furnished under GST law, or failure to furnish any information on being asked for, in writing, by the proper officer. (explanation to Section 74A)**
- ➡ The question can be answered based on two assumptions — the ₹12 lakh suppression may refer to either the value of supply or the tax amount.

Alternative 1:- ₹12 lakh is assumed to be the value of suppression and tax rate is assumed to be 18%. (Note-1)

Tax, interest and penalty payable before the issue of the SCN:-

In case of short payment of tax by reason of suppression of facts, if taxpayer pays such short-paid tax and applicable interest before the issuance of show cause notice, penalty equal to 15% of such tax is payable.

Value suppressed = ₹12,00,000

Tax @ 18% = ₹2,16,000

Interest (Assumption 1) = ₹2,16,000 × 18% × 90/365 = ₹9,587 (rounded off)

[From 21st January to 20th April] **(Note-2)** or

Interest (Assumption 2) = ₹2,16,000 × 18% × 59/365 = ₹6,285 (rounded off)

[From 21st February to 20th April] **(Note-3)**

Penalty = ₹2,16,000 × 15% = ₹32,400

Tax, interest and penalty payable after the adjudication order:- In case of short payment of tax by reason of suppression of facts, if taxpayer pays short-paid tax & applicable interest after **60 days** of communication of adjudication order, penalty equal to 100% of such tax is payable.

Value suppressed = ₹2,00,000

Tax @ 18% = ₹36,000

Interest (Assumption 1) = ₹36,000 × 18% × 188/365 = ₹3,338 (rounded off)

[From 21st January to 27th July] **(Note-2)** or

Interest (Assumption 2) = ₹36,000 × 18% × 157/365 = ₹2,787 (rounded off)

[From 21st February to 27th July] **(Note-3)**

Penalty = ₹36,000 × 100% = ₹36,000

Alternative 2:- ₹12 lakh is assumed to be the suppressed amount of tax.

Tax, interest and penalty payable before the issue of the SCN:- In case of short payment of tax by reason of suppression of facts, if the taxpayer pays such short-paid tax and applicable interest before the issuance of show cause notice, penalty equal to 15% of such tax is payable.

Tax payable = ₹12,00,000

Interest (Assumption 1) = ₹12,00,000 × 18% × 90/365 = ₹53,260 (rounded off)

[From 21st January to 20th April] **(Note-2)** or

Interest (Assumption 2) = ₹12,00,000 × 18% × 59/365 = ₹34,915 (rounded off)

[From 21st February to 20th April] **(Note-3)**

Penalty = ₹12,00,000 × 15% = ₹1,80,000

Tax, interest and penalty payable after the adjudication order:-

In case of short payment of tax by reason of suppression of facts, if taxpayer pays such short-paid tax and applicable interest after **60 days** of communication of adjudication order, penalty equal to 100% of such tax is payable.

Tax payable = ₹2,00,000

Interest (Assumption 1) = ₹2,00,000 × 18% × 188/365 = ₹18,542 (rounded off)
 [From 21st January to 27th July] (**Note-2**) or
Interest (Assumption 2) = ₹2,00,000 × 18% × 157/365 = ₹15,485 (rounded off)
 [From 21st February to 27th July] (**Note-3**)
Penalty = ₹2,00,000 × 100% = ₹2,00,000

Notes:-

- 1) Any other tax rate may also be assumed. Answer will change accordingly.
- 2) It has been assumed that the information has been suppressed in the return/statement/report filed in January and thus, interest would become payable from 21st January in this case.
- 3) It has been assumed that suppression activity took place in January but reported in the return/statement/report filed in February and thus, interest is payable from 21st February in this case.

- 6** As per **Sec 76**, if Subharti Enterprises collects any amount from another person as representing tax under GST, it must mandatorily **pay that amount to the Government, whether or not the supply is taxable**.
- If such amount is not paid, the **proper officer may issue SCN for non payment of amount & penalty** equal to the amount.
 - After considering the reply, the **officer shall determine the amount due and require payment** along with interest.
 - The order must be passed **within 1 year from the date of SCN** (excluding stay period) and must state the facts and reasoning clearly.

Question 2

Always Right Private Limited is engaged in supply of taxable goods and is registered in the State of Orissa. In the month of March, 2024, during the course of Departmental GST audit u/s 65 of CGST Act, 2017 of Always Right Private Limited, audit team observed that ITC claimed by the company was blocked u/s 17(5) of CGST Act, 2017. Audit memo was given to the company for submission of reply on the audit observations mentioned in the memo. Company submitted its reply contending that the said credit was not blocked under section 17(5) and had been rightly claimed. Department was not satisfied with the reply submitted by the company. Audit team served a show cause notice u/s 74A of CGST Act, 2017 for ₹ 50 lakhs and transferred the matter to adjudicating officer and also started recovery process u/s 78 and 79 of the CGST Act, 2017 for recovery of the ITC wrongly availed.

Despite having knowledge of said notice, Always Right Private Limited transferred its property located in Punjab in the name of one of its director, for a consideration of ₹ 2 lakh without taking any permission from the authorities under GST. The value for the purpose of stamp duty valuation was ₹ 80 lakh. Subsequently, it filed a reply to said demand notice stating that it would not be able to pay the amount of tax demanded in the notice due to its distressed financial situation.

In June, 2024, it had paid CGST & SGST on a transaction considered by it to be an intra-State supply. However, subsequently said transaction is held to be an inter-State supply in the Departmental GST audit. Answer the following questions:-

1. You are required to comment whether the action of the Department to recover the amount is justified with the reference to the legal provisions of the GST law.
2. Briefly discuss the modes of recovery of tax available to the proper officer.
3. Determine the validity of the act of transferring of property by Always Right Private Limited to its director, under the provisions of the GST law.
4. Examine the recourse available with Always Right Private Limited with respect to CGST & SGST paid in June, 2024 instead of paying IGST.

5. Assume that appeal was preferred by Always Right Private Limited against the notice issued u/s 74A(1) involving suppression of facts to evade tax against which appeal was preferred by the Assessee. Appellate Authority concluded that the penalty u/s 74A(5)(ii) is not sustainable for the reason that the suppression of facts to evade tax has not been established. Now the officer wishes to determine the penalty u/s 74A(5)(i). Is the action of the officer valid?
What would be the time period for re-determination of the tax, interest and penalty payable by the noticee u/s 74A(1) in such cases?
6. Assume that officer issued an adjudication order which did not specify payment of interest on the amount demanded from Always Right Private Limited. However, the interest amount was mentioned in the show cause notice issued. So, Always Right Private Limited contends that interest cannot be demanded as the said order is silent on the same. Is the contention of assessee correct?
7. Assume that adjudicating officer after personal hearing found that there was a typographical error while mentioning the amount of GST and he confirmed the demand for ₹500 lakhs instead of ₹50 lakhs. Always Right Private Limited seeks your advice. What would be your advice, if Always Right Private Limited comes to you:-
(a) after issue of order or
(b) a corrigendum revising the amount to ₹500 lakhs is issued.

Answer:-

1	<p>The action of the Department to initiate the recovery proceedings without adjudication order being passed is not valid.</p> <p>Legal Provisions:- As per Sec 78 , if a taxable person fails to pay any amount due under an order within 3 months from the date of service of such order (or a shorter period if specified by the proper officer), then recovery proceedings can be initiated under GST law.</p> <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ⇒ In given case, the recovery proceedings have been initiated only after serving the show cause notice and transferring the matter to the adjudicating officer. ⇒ Thus, the adjudication order has not yet been passed in the given case. ⇒ Hence, the action of the Department is invalid.
2	<p>Legal Provision:- As per Sec 79 , if a person fails to pay tax dues, the proper officer may recover the amount through any of the following methods:</p> <ul style="list-style-type: none"> a) Deduction from amounts payable by tax authorities to the defaulter. b) Detention and sale of goods belonging to the defaulter. c) Recovery from third parties who owe or may owe money to the defaulter. d) Attachment and sale of movable or immovable property. 3	<p>Legal Provision:- If a person, after any amount becomes due, transfers or creates a charge on their property (by sale, mortgage, exchange, etc.) with intent to defraud Government revenue, such transfer shall be void against tax claims.</p> <p>However, the transfer will not be void if it is:</p> <ul style="list-style-type: none"> ⇒ Made for adequate consideration, ⇒ In good faith, ⇒ Without knowledge of pending proceedings or dues, or ⇒ Made with prior permission of the proper officer. (Sec 81) <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ⇒ In given case, transfer of property by Always Right Private Limited to its director is void. ⇒ The property will still be considered in the hands of Always Right Private Limited under GST law for the purpose of recovery of dues under GST from it.

4	<p>Legal Provision:-</p> <ul style="list-style-type: none"> ➤ If a registered person pays CGST & SGST/UTGST treating a supply as intra-State, but it is later held to be inter-State, they are entitled to a refund of the tax so paid. 5	<p>Valid.</p> <ul style="list-style-type: none"> ➤ As per section 75(2A) of CGST Act, 2017, if the Appellate Authority concludes that the penalty u/s 74A(5)(ii) is not sustainable for the reason that the charges of fraud or any wilful-misstatement or suppression of facts to evade tax has not been established against the person to whom the notice was issued, the penalty shall be payable by such person, u/s 74A(5)(i). ➤ As per section 75(3) of CGST Act, proper officer is required to issue order of redetermination of tax, interest & penalty payable within the time limit as specified in u/s 75(3), i.e. within 2 years from the date of communication of said direction by appellate authority.
6	<ul style="list-style-type: none"> ➤ Incorrect. As per section 75 of CGST Act, 2017, the interest on the tax short paid or not paid shall be payable whether or not the same is specified in the order determining the tax liability. ➤ However, the interest demanded in the order shall not exceed amount specified in the notice.
7	<p>(i) Advice After Issue of Order:</p> <ul style="list-style-type: none"> ➤ The amount of tax, interest, and penalty stated in the order cannot exceed the amount specified in the SCN (Sec 75(7)) ➤ In this case, since the demand in the order exceeds the SCN, Always Right Private Limited has valid grounds to file an appeal against the adjudication order within the prescribed time. <p>(ii) Advice After Issue of Corrigendum: The issuing authority may rectify any error apparent on the face of the record within 6 months, except for clerical or arithmetical errors, which can be corrected without any time limit. (Sec 161)</p> <ul style="list-style-type: none"> ➤ Here, the corrigendum rectifies a typographical (clerical) error in the SCN, which qualifies as an error apparent on the face of the record. ➤ Hence, the rectification is valid, and the 6-month limit does not apply. <p>Conclusion:</p> <p>Always Right Private Limited should respond to the revised SCN considering the corrected demand amount.</p>

Answer:-

1)	<p>Section 90 of the CGST Act explains the liability of partners of firm to pay tax as under:-</p> <ol style="list-style-type: none">1) Partners of the firm jointly and severally liable to pay any tax, interest or penalty of firm:-<ul style="list-style-type: none">➤ If a firm is liable to pay any tax, interest or penalty under GST Act, then the firm and each of the partners of the firm shall, jointly and severally, be liable for such payment.2) Retiring partner liable to pay any tax, interest or penalty of the firm due up to the date of his retirement:-<ul style="list-style-type: none">➤ If any partner retires from the firm, then such partner or the firm shall intimate the date of his retirement to the Commissioner by a notice in writing.➤ If intimation is given within 1 month from the date of retirement, such partner shall be liable to pay tax, interest or penalty due up to the date of his retirement whether determined or not, on that date.➤ However, if such intimation is not given within 1 month from the date of retirement, then the liability of such partner shall continue until the date on which such intimation is received by the Commissioner.
2)	<p>Legal Provision:-</p> <ul style="list-style-type: none">➤ As per section 85 of CGST Act, if a taxable person who is liable to pay tax under the CGST Act transfers his business in whole or in part, by sale, or in- any other manner,<ul style="list-style-type: none">➤ the taxable person and person to whom the business is transferred shall, jointly and severally, be liable wholly or to the extent of such transfer,➤ to pay tax, interest or any penalty due from the taxable person upto the time of such transfer.

	<p>➤ whether such tax, interest or penalty has been determined before such transfer, but has remained unpaid or is determined thereafter.</p> <p>Discussion & Conclusion:-</p> <p>⇒ In given case, Suresh and Rolex Manufacturers shall, jointly and severally, be liable wholly or to the extent of such transfer, to pay GST, interest or any penalty [determined before sale, but still unpaid] due from Suresh only upto the time of such transfer.</p>
3)	<p>Legal Provision:-</p> <p>⇒ As per section 86 of CGST Act, if an agent supplies or receives any taxable goods on behalf of his principal, such agent and his principal shall, jointly and severally, be liable to pay the tax payable on such goods under GST.</p> <p>Discussion & Conclusion:-</p> <p>⇒ In given case, Raghav & Sons (an agent) sells goods to Swami Associates on behalf of M/s V'Smart & Co. (Principal) & thus, V'Smart & Co. and Raghav & Sons shall, jointly and severally, be liable to pay GST payable on such goods.</p>

Question 1

A) Mr. Pankaj, an unregistered person under GST, purchases goods supplied by Mr. Raman, who is a registered person in Uttar Pradesh, without receiving tax invoice from Mr. Raman & thus helps in tax evasion by Mr. Raman. In another transaction, Raman issued an invoice on 15th April involving input tax credit (ITC) of ₹ 25 lakh to his customer – M/s Runaway Traders who utilised the same. No supply of goods was involved in this transaction between the two traders. Raman conducted this transaction at the instance of its tax consultant who was not a qualified professional. In the same month, Raman sold goods worth ₹ 5,00,000 (excluding GST) to Suraksha Enterprises and collected tax @ 28% on said goods from the buyer. However, the actual rate of tax applicable in the given case was 18%. He deposited the tax @ 18% on these goods to the Government on the due date and retained the remaining tax collected.

Department initiated prosecution proceedings against Mr. Raman who had evaded GST of ₹ 4.2 crores. Department also issued a summon to Raman to appear before the central tax officer to produce the books of accounts in an inquiry conducted on him. He has approached the Commissioner with a request for compounding the offence. After considering the request, the Commissioner has directed him to pay an amount of ₹ 2.5 crores as compounding amount. Assume that the compounding amount fixed by commissioner is according to the notified criteria.

Raman instructed Ashok Transporters to deliver certain taxable goods to Mahavir Enterprises in Uttar Pradesh on 10th January, 20XX. The value of the goods is ₹ 6,80,000 which are chargeable to CGST & SGST @ 9% each. While the goods were in transit, proper officer intercepted the goods and the truck in which goods were being transported, under section 68. However, the driver of the truck failed to tender any document in relation to the goods in movement. The proper officer, after conducting the physical verification of the goods and the truck, decided to seize the goods and the truck and issued a notice under section 129(3) specifying the penalty payable by Raman after giving it an opportunity of being heard.

In previous financial year, the goods of Mr. Raman were confiscated on the ground that he has not accounted for the goods that are liable to tax under the CGST Act, 2017. Details are as follows:-

Cost of goods for Raman before GST	₹ 15,00,000
Market value of goods	₹ 20,00,000
GST payable on such goods	₹ 3,60,000

Mangeshwar is the younger brother of Pankaj. Mangeshwar is registered person under GST who has made a breach in payment of tax amounting to ₹ 6,100. Assessing Authority has imposed a penalty as per law applicable to the breach. Invoking the provisions of section 126, Mangeshwar argues that it is a minor breach and therefore, no penalty is imposable. In another instance, Mangeshwar has omitted certain details in documentation that is not easily rectifiable. This has occurred due to the gross negligence of his accountant and he makes a plea that he was unaware of it and therefore no penalty should be levied. Mangeshwar voluntarily writes accepting a major procedural lapse from his side and requests the officer to condone the lapse as the loss caused to the revenue was not significant. Also, a lapse on the part of Mangeshwar has no specific penalty provision under the CGST Act, 2017. He is very confident that no penalty should be levied without a specific provision under the Act.

You are required to advise them on the following matters:-

1. What disciplinary action may be taken by tax authorities to curb cases where purchases are made without receiving tax invoice by Mr. Pankaj and on whom?

Determine the amount of penalty leviable under CGST Act, 2017, if any, on the persons involved in respect

of the transaction between:-

⇒ Raman and M/s Runaway Traders,

⇒ Raman and Suraksha Enterprises.

2. Determine the amount of penalty, if any, that may be imposed on Raman, if he fails to appear before the central tax officer on issue of summon.

3. Can the department impose an adhoc penalty by issue of SCN without describing contravention for which penalty is going to be imposed and without mentioning the provisions under which penalty is going to be imposed. If the department issues such SCN, Should Mr. Raman proceed to pay for penalty or challenge SCN issued by department?

4. Whether Raman can apply for compounding of the offence as the prosecution has been launched?

Indicate the minimum and maximum limits for compounding amount.

Is the amount fixed by the Commissioner in this case within the limits prescribed under the law?

What is the consequence of decision of commissioner allowing the request for compounding the offence?

5. You are required to determine the amount of penalty payable under CGST Act if Raman does not come forward for the payment of penalty for the seized goods. Further, discuss the suitable course of action for Ashok Transporters if it intends to get its truck released in this case.

Determine the amount of penalty payable in case of seized goods, if such goods were exempted from GST and value remains the same i.e. ₹6,80,000?

What will be your answers for all above questions, if Raman comes forward for the payment of penalty for the seized goods.

6. Raman wants to know from you as to how the confiscated goods are to be released from the Department. Also, determine the maximum amount of fine in lieu of confiscation leviable under section 130 of CGST, Act, 2017 on:-

(i) The goods liable for confiscation.

(ii) On the conveyance used for carriage of such goods.

7. Discuss, what action may be taken by the Assessing Authority under GST law for each of the breaches made by Mangeshwar.

B) Suppose Mr. Raman is a manufacturer of textiles and has recently installed five new dyeing machines in his factory in Gujarat which were purchased locally. As per a special procedure notified u/s 148 of CGST Act, Mr Raman was required to register these machines by October 31, 20XX. However, due to an oversight, he failed to register two of these machines by the due date. On November 10, 20XX, a GST officer conducted an inspection and issued a penalty order u/s 122A & communicated the same. What will be the consequences for Mr. Raman under the GST law, and how can he avoid confiscation of the machines?

Answer :- A]

1 **Legal Provision:-**As per **Sec 122(1)**, a taxable person shall be liable to a penalty, if they:

- Make a supply without issuing an invoice,
- Issue an invoice without actual supply,
- Avail or utilise ITC without actual receipt of goods/services,
- Collect tax but fail to pay it to the Government within 3 months.

Penalty: Higher of ₹10,000, or Tax evaded / ITC wrongly availed or passed on.

⇒ Any person who causes or instigates such offences is also liable to penalty equal to the ITC availed or passed on. (**Sec 122(1A)**)

⇒ Any person who aids or abets the above offences is liable to a **penalty up to ₹25,000. (Sec 122(3))**

Discussion & Conclusion:-

For transaction between Pankaj and Raman:-

⇒ In given case, since **Mr. Raman**, a taxable person, has supplied goods without invoice, he is punishable with **penalty u/s 122(1)** which will be **higher** of following:-

- ₹10,000/- or
- 100% of tax evaded.

	<p>⇒ Since Mr. Pankaj helped in tax evasion by Mr. Raman, he is punishable with penalty u/s 122(3) which may extend to ₹25,000.</p> <p>⇒ Further, as per section 132, imprisonment would be as follows:-</p> <p>(i) In case of first-time offence, if:-</p> <ul style="list-style-type: none"> (a) tax evaded > ₹5 crore, imprisonment upto 5 years & fine, (b) tax evaded exceeds ₹2 crore but > ₹5 crore, imprisonment upto 3 years & fine, (c) tax evaded exceeds ₹1 crore but < ₹2 crore in case of issue of invoice/bill without supply leading to wrongful availment/ utilisation of ITC or tax refund, imprisonment upto 1 years & fine. <p>(ii) In case of subsequent offence:-</p> <p>Imprisonment would be (without limit of amount of tax involved) up to 5 years & fine.</p> <p>Penalty in case of transaction between Raman & M/s Runaway Traders:-</p> <p>⇒ In given case, Raman issued invoice without supply of goods and M/s Runaway Traders utilised the ITC on the same. Thus, both are liable to pay a penalty of ₹25 lakhs each.</p> <p>⇒ Also, the tax consultant will be liable to pay a penalty of ₹25 lakhs since the transaction was conducted at his instance.</p> <p>Penalty in case of transaction between Raman & Suraksha Enterprises:-</p> <p>⇒ In given case, Raman collected tax at wrong rate (i.e. 28%), but fails to deposit full tax collected to Government i.e. he deposits only tax @ 18% thereby retaining the remaining tax collected.</p> <p>⇒ Thus, the penalty that can be imposed on Raman is ₹50,000 which is higher of the following:-</p> <ul style="list-style-type: none"> a) ₹10,000 or b) Tax evaded ₹50,000 i.e. $[(₹5,00,000 \times 28\%) - (₹5,00,000 \times 18\%)]$.
2	<p>Legal Provision:-</p> <p>⇒ If any person to whom a summon is issued for appearance to give evidence or produce a document in an inquiry fails to appear before the officer of central tax, then he shall be liable to a penalty which may extend to ₹25,000. [Sec 122 (3)]</p> <p>Discussion & Conclusion:-</p> <p>⇒ In given case, if Raman fails to appear before the central tax officer, then a penalty upto ₹ 25,000 can be imposed on him.</p>
3	<p>Legal Provision : As per Sec 126 the levy of penalty must follow a disciplinary framework rooted in principles of natural justice and jurisprudence. Accordingly:</p> <ul style="list-style-type: none"> ⇒ No penalty can be imposed without issuance of a SCN and providing the opportunity of being heard. ⇒ The penalty must be proportionate to the facts and severity of the breach. ⇒ The nature of the breach must be clearly stated in the penalty order. ⇒ The specific legal provision under which the penalty is imposed must also be mentioned. <p>Discussion & Conclusion:- In the given case, since SCN to be issued to Mr. Raman suffers from lack of clarity about nature of breach which has taken place and about provision of law under which penalty is to be imposed, SCN issued by department may be challenged.</p>
4	<p>Legal Provision:-As per Sec 138 , a person accused of an offence may apply for compounding, even after prosecution has been initiated.</p> <ul style="list-style-type: none"> ⇒ Minimum compounding amount: 25% of the tax involved ⇒ Maximum compounding amount: 100% of the tax involved <p>Once the compounding amount is paid as determined by the Commissioner:</p> <ul style="list-style-type: none"> ⇒ No further proceedings shall be initiated under GST for the same offence, and ⇒ Any ongoing criminal proceedings shall stand abated. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> (i) In given case, Mr. Raman can apply for compounding of offence even though prosecution has been instituted or launched against him. (ii) The minimum limit for compounding is ₹1.05 crores i.e. $(25\% \times ₹4.2 \text{ crores})$ and the maximum limit for compounding is ₹4.2 crores i.e. $(100\% \times ₹4.2 \text{ crores})$.

- (iii) Thus, amount fixed by Commissioner at **₹2.5 crores is within limits** prescribed under law.
- (iv) On payment of compounding amount decided by Commissioner, the criminal proceedings that have been initiated against Mr. Raman in respect of said offence, shall stand abated.

5

Legal Provision:-

⇒ As per **Sec 129(1)**, the **penalty for release of detained/ seized goods is:**

⇒ **For Taxable Goods:**

- a) If owner comes forward – 200% of tax payable
- b) If owner does not comes forward – Higher of 50% of value of goods or 200% of tax payable

⇒ **For Exempted Goods:**

- a) **If owner comes forward** – Lesser of **2%** of value or **₹25,000**
- b) **If owner does not come forward** – Lesser of **5%** of value or **₹25,000**

⇒ As per first proviso to **Section 129(6)**, the transporter may get the **conveyance released** on payment of **penalty as per order or ₹1 lakh, whichever is lower.**

Discussion & Conclusion:-

(i) Penalty where owner of goods does not come forward for payment of penalty:-

- In given case, if Raman failed to come forward for the **payment of penalty, the penalty payable under the CGST Act is ₹3,40,000** which is **higher** of the following:-
 - a) 50% of value of goods i.e. (50% of ₹6,80,000) = ₹3,40,000 or
 - b) 200% of the tax payable on such goods i.e. (200% of ₹6,80,000 × 9%) = ₹1,22,400.
- Further, the transporter of goods can get its **truck released upon payment of ₹1,00,000** which is the lower of the following under CGST Act:-
 - a) Penalty as mentioned in the order (as calculated above) = ₹3,40,000 or
 - b) ₹1,00,000.
- If goods are exempted from GST, then the **amount payable for release of goods detained shall be ₹25,000** which is the **lesser** of:-
 - 5% × ₹6,80,000 = ₹34,000 or ₹25,000.

(ii) Penalty where owner of goods comes forward for payment of penalty:-

- If Raman comes forward for the payment of penalty, the **penalty payable under CGST Act is ₹1,22,400** which is 200% of tax payable on such goods i.e. (200% of ₹6,80,000 × 9%).
- Further, the transporter of goods can get its **truck released upon payment of ₹1,00,000** which is the lower of the following under CGST Act:-
 - a) Penalty as mentioned in the order (as calculated above) = ₹1,22,400 or
 - b) ₹1,00,000.
- If goods are exempted from GST, then the **amount payable for release of goods detained shall be ₹13,600** which is the **lesser** of:-
 - 2% × ₹6,80,000 = ₹13,600 or ₹25,000.

6

Legal Provision:-

- ⇒ As per **section 130(2)** of CGST Act, 2017, in case of goods liable for confiscation, the **maximum** amount of fine leviable in lieu of confiscation shall be [**Market value** of the goods confiscated – **Tax** chargeable thereon].
- ⇒ **Aggregate** of such fine and penalty leviable **shall not be less than** the penalty equal to 100% of the tax payable on such goods.
- ⇒ In case of conveyance used for carriage of such goods and liable for confiscation, the **maximum** amount of fine leviable in lieu of confiscation is equal to **tax payable on the goods being transported thereon.**

Discussion & Conclusion:-

Raman can get his confiscated goods released on payment of such redemption fine and penalty.

- (i) The fine leviable in lieu of confiscation of goods = ₹20,00,000 – ₹3,60,000 = **₹16,40,000.**
- (ii) Therefore, the fine leviable in lieu of confiscation of conveyance = **₹3,60,000.**

7 Legal Provision:-

- No penalty shall be imposed for minor breaches or easily rectifiable mistakes in documentation, if made without fraudulent intent or gross negligence.
- A breach is considered minor if the tax involved is less than ₹5,000.
- Voluntary disclosure of a breach before detection by the officer may be treated as a mitigating factor while determining penalty.
- No penalty can be imposed without giving an opportunity of being heard. (As per Sec 126)
- As per Sec 125, for any contravention without a specific penalty, a general penalty up to ₹25,000 may be imposed.

Discussion & Conclusion:-

- Breach made by Mangeshwar is not a 'minor breach' since amount involved is not less than ₹5,000.
- Also, omission in documentation is not easily rectifiable & has occurred due to gross negligence.
- Thus, the penalty is imposable.
- Since Mangeshwar has voluntarily disclosed the breach of procedural requirement to the officer, proper officer may consider this fact as a mitigating factor when quantifying the penalty.
- The quantum of penalty will depend on the facts and circumstances of the case, and shall be commensurate with the degree and severity of the breach.
- Therefore, general penalty upto ₹ 25,000 may be imposed on Mangeshwar in the absence of specific penalty for any contravention.

B] Since Mr. Raman failed to register 2 machines under special procedure notified u/s 148, following consequences will apply:

1. Penalty for Non-Registration:	Mr Raman will be liable to pay a penalty of ₹ 2 lakhs each under CGST & SGST for 2 unregistered machines & thus, total penalty under CGST and SGST = ₹4 lakhs.
2. Additional Penalties:	This penalty will be in addition to any other penalties payable under demand & recovery or any other provisions applicable under GST law.
3. Seizure & Confiscation:	The 2 unregistered machines will be seized and liable for confiscation.
4. Avoiding Confiscation:	Mr. Raman can avoid the confiscation of machines by: a) Paying penalty of ₹4 lakh (₹2 lakh for each machine under CGST & SGST) & b) Registering 2 unregistered machines as per special procedure within 3 days from the receipt of communication of penalty order (November 10, 20XX).

Answer :-

1	<p>i) As per section 121 of CGST Act, 2017, no appeal shall lie against any decision taken or order passed by a CGST officer, if it relates to any of the following matters:-</p> <ul style="list-style-type: none"> a) An order of Commissioner or other authority empowered to direct transfer of proceedings from one officer to another officer, b) An order pertaining to seizure or retention of books of account, register & other documents, c) An order sanctioning prosecution under the CGST Act or d) An order passed under section 80 of CGST Act (payment of tax & other amounts in instalments).
	<p>ii) Legal Provision:-</p> <ul style="list-style-type: none"> ➤ As per section 107 of CGST Act, 2017, a person aggrieved by any decision/order of an adjudicating authority can file an appeal to the Appellate Authority within 3 months from the date of communication of such decision/order. ➤ The Appellate Authority can condone the delay in filing of appeal by 1 month if it is satisfied that there was a sufficient cause for such delay. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ➤ In given case, relevant date for computing the period of 3 months (for filing the appeal to Appellate Authority) is 28th April (date of communication of order) & not 23rd April. ➤ Accordingly, an appeal can be filed by Anirudh Ltd. to Appellate Authority within 3 months from the date of communication of order (28th April), i.e. 28th July. ➤ Thus, Anirudh Ltd. has filed the appeal within the time limit prescribed under GST law.
	<p>iii) Legal Provision:-</p> <ul style="list-style-type: none"> ➤ As per Section 107 of CGST Act, 2017, by an order, Commissioner may direct any officer subordinate to him to apply to Appellate Authority within 6 months from the date of communication of said decision/order to determine specified points arising out of it. ➤ The Appellate Authority can condone the delay in filing of appeal by 1 month if it is satisfied that there was sufficient cause for such delay <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> ➤ In present case, Commissioner directs his subordinate officer to file a review application with the Appellate Authority which should have been filed till 3rd September (i.e. within 6 months from the date of communication of order). ➤ But subordinate officer filed application on 23rd September, i.e. after 3rd September. ➤ Thus, appeal has not been filed within the time limit prescribed under the GST law. ➤ However, Appellate Authority can condone delay in filing of appeal upto 3rd October (i.e. up to 1 month) if it is satisfied that there was sufficient cause for such delay.
	<p>iv) Yes, as per section 112 of CGST Act, Anirudh Ltd. can file an appeal against the order of the first Appellate Authority to the Appellate Tribunal. Principal Bench of the Tribunal will have jurisdiction to hear the appeal as place of supply is one of the issues in dispute.</p>
	<p>v) ➤ The statement is partially correct.</p> <ul style="list-style-type: none"> ➤ As per section 112 of CGST Act, though Appellate Tribunal does have power to refuse to admit appeal, it cannot refuse to admit any appeal. It can refuse to admit appeal where- <ul style="list-style-type: none"> a. the tax or input tax credit involved or

	<p>b. the difference in tax or the difference in input tax credit involved or</p> <p>c. the amount of fine, fees or penalty determined by such order, does not exceed ₹ 50,000.</p>
vi)	No , as per section 112 of CGST Act, Authority can't insist , because once a valid appeal is filed i.e., on payment of requisite pre-deposit, the recovery proceedings for the balance amount of the demand in dispute gets stayed till the disposal of appeal.
vii)	Yes , as per section 118 of CGST Act, Anirudh Ltd. can file another appeal directly before the Supreme Court against the decision of the Principal Bench of the Tribunal.
viii)	No , there will be no interest liability on Anirudh Ltd. if it loses at all levels. A registered person who has paid IGST on a transaction considering it to be an inter-State supply which is subsequently held to be an intra-State supply is not required to pay any interest on CGST & SGST payable because there is no shortfall of overall tax amount .
2	<p>Legal Provision:-</p> <p>➤ As per section 108 of CGST Act, 2017, Revisional Authority cannot revise an order, if such order has been subject to an appeal before Appellate Authority or Tribunal or High Court or Supreme Court.</p> <p>➤ However, Revisional Authority may pass an order on any point which has not been raised and decided in an appeal before Appellate Authority or Tribunal or High Court or Supreme Court.</p> <p>Discussion & Conclusion:-</p> <p>➤ Commissioner wants to revise the order on the point which is the subject matter in the appeal.</p> <p>➤ Therefore, the Commissioner cannot exercise the power of revision in respect of such order & thus, the action taken by the Commissioner is not correct.</p>
3	<p>Legal Provision:-</p> <p>➤ As per section 107(6) of CGST Act read with section 20 of IGST Act, no appeal shall be filed before the Appellate Authority (AA), unless the appellant has paid:-</p> <p>a) full admitted liability of tax, interest, fine, fee & penalty arising from impugned order &</p> <p>b) 10% of disputed tax arising from said order, subject to maximum of ₹ 20 crores each (i.e ₹ 40 Crores in case of IGST).</p> <p>➤ Further, no appeal shall be filed to AA against an order u/s 129(3), unless a sum equal to 25% of the penalty has been paid by appellant.</p> <p>➤ As per section 112(8) of CGST Act read with section 20 of IGST Act, no appeal shall be filed before the Appellate Tribunal (AT), unless the appellant has paid:-</p> <p>a) full admitted liability of tax, interest, fine, fee & penalty arising from impugned order &</p> <p>b) 10% of disputed tax arising from said order, in addition to amount deposited before the Appellate Authority, arising from the said order in relation to which appeal has been filed, subject to a maximum of ₹ 20 Crores each (i.e. ₹ 40 Crores in case of IGST).</p> <p>Discussion & Conclusion:-</p> <p>(1) In given case, pre-deposit for filing an appeal with Appellate Authority against order of Joint Commissioner, where entire amount of tax is in dispute, is ₹ 28 crore which is lesser of following:-</p> <p>a) ₹ 28 crore i.e. [10% of tax ₹ 280 crore in dispute] or</p> <p>b) ₹ 40 crore.</p> <p>(2) In given case, pre-deposit for filing an appeal with Appellate Tribunal against order of Appellate Authority, where entire amount of tax is in dispute, is ₹ 28 crores which is lesser of following:-</p> <p>a) ₹ 28 crores i.e. [10% of tax ₹ 280 crores in dispute] or</p> <p>b) ₹ 40 crores.</p> <p>Note: Similar question is given in [CA final RTP Nov 19] with changes in Question & answer as under:</p> <p>1. CGST in dispute ₹ 280 crore is given instead of IGST ₹ 280 crore.</p> <p>2. Maximum limit of pre-deposit u/s 107(6) & u/s 112(8) shall be ₹ 20 crore & ₹ 20 crore, respectively.</p> <p>3. The final answers for pre-deposits shall change accordingly as per amended provisions.</p>

- 4 ➤ **Under Section 120** of the CGST Act, the CBIC has set monetary limits for filing appeals by the Department i.e **GSTAT: ₹20 lakhs, High Court: ₹1 crore & Supreme Court: ₹2 crore**
- In the given case, the amount in dispute (₹1.2 crore tax) is below the ₹2 crore limit for the Supreme Court. Therefore, an appeal **cannot be filed** based on the monetary limit.
- However, the Department can still file an appeal to the Supreme Court if the case involves issues like:
- Valuation of services
 - Ultra vires provisions or rules
 - Recurring issues in GST interpretation
 - Strictures or adverse comments against the Department
- Thus, if the case is related to valuation of services, the Department **can appeal** to the Supreme Court based on the merits, regardless of the monetary limit.
