- (b) Suhasini is a registered software consultant. On account of her ill health, she could not provide any services during the month of October. However, she had to incur all the expenses relating to her office. She paid ₹ 75,000 to various vendors. Total GST involved on the goods and services procured by her is ₹ 13,500. Out of the total bills paid by her, one bill for ₹ 15,000 relates to security services availed for security of her office, tax on which is payable under reverse charge. Mr. Dhev is engaged in supply of tiles and marbles in the State of Telangana. He is not registered under GST. He commenced his business from July month.

He availed godown construction services for business from his brother in-law who was dependent on him. He also availed professional consultancy services for the purpose of business from his son who was a Chartered Accountant and his son was not dependent on him. Mr. Dhev did not pay anything for both the services as both of them were his relative / family member respectively.

On the basis of advice of his son, Mr. Dhev made the supply of tiles within his State only. He reached a turnover of ₹ 7 lakh as on 31st October. However, he planned to expand his business to other States since he received decent orders from other States also.

During the month of December, he received a consignment of tiles from Rajasthan through Prompt Carriers, a goods transport agency based in the State of Rajasthan. Goods were dispatched by the supplier on 'to-pay' basis for freight. Freight charges were ₹ 50,000 and the said GTA pays GST @ 12%. Mr. Dhev paid the invoice amount in the month of December itself.
