 Would your answer be different, if gifts of ₹ 42,000 have been given to an employee?
 What would be your answer if Veer Ltd. pays ₹ 3,00,000 to its employees upon achieving a specified sales target. The incentive is part of the salary of the employees and applicable tax is deducted at source as per relevant income tax provisions.
 What would be your answer if Veer Ltd offers its employees ESPP as part of their compensation package. When an employee decides to purchase these stocks, Dheer Ltd. (Japan based Co – holding company) directly transfers the shares to the employee. Veer Ltd. reimburses Dheer Ltd. for the cost of these shares on a cost-to-cost basis & there is no separate commission charged by Dheer Ltd.
- 5) Mr. Vijay has appointed Mr. Jai to procure goods based on a specification given by him. As the same kind of goods are not available in the area of Mr. Vijay, Mr. Jai buys the specified goods on his behalf from M/s XYZ Ltd. For this activity, invoice is issued in the name of principal.
 - a) Whether it is to be treated as a supply under GST?
 - b) Would your answer differ if invoice is issued in name of an agent Mr. Jai?
- 6) Mr. Vijay received interior decoration services for his residence from Mr. Racheal of Sydney (Australia). The amount paid for the said service is 5,000 Australian dollar.
 What would be your answer if Mr. Vijay received interior decoration services for his residence from his brother, Mr. Varun residing in Sydney (Australia) [wholly dependent on him]. Further, Mr. Vijay did not pay any consideration for the said service.
 Will your answer change if in the above case, if Mr. Vijay has taken interior decoration services with regard to his business premises and not for his residence?
- 7) Mr. Vijay also sold a plot of land in Safdarjung Enclave after levelling, laying down of drainage lines, water lines and electricity lines.
- 8) Mr. Vijay also donated some money to Jansewa Charitable Trust in the memory of his late father. The Jansewa Charitable Trust constructed a room in the school run by it from such donation and wrote “Donated by Mr. Vijay in the memory of his father” on the door of the room so constructed.
- 9) Mr. Vijay also provides bus service, meal coupon, telephone at residence, gives vehicle for official and personal use, uniform, and shoes to his employee. Explain the implication of GST under this case, if:-

 - b) These perquisites are provided willingly by employer for better performance of employee without any agreement.

- 10) Along with above, Mr. Vijay also provides services of betting & Online money gaming to his customers.
- 11) Mr. Vijay has made intra-state supply of Air Conditioners to customers in Delhi, Freight is separately charged in invoices for delivery of goods at customer's doorstep.

Particulars	Amount (₹)
Value of goods (GST @6% each for CGST & SGST)	4,00,000
Value of freight charges charged separately in above invoices (GST @5% each for CGST & SGST)	1,00,000

- 12) In order to enhance his sales and to clear the stock of old models of air - conditioner, Mr. Vijay made combo offers to customers wherein, if a customer purchases an Air-conditioner along with a stabilizer, the same is offered at a combo price of ₹ 20,000 as against the original price of ₹ 30,000 (Air-conditioner ₹ 22,000 & stabilizer ₹ 8,000) if these are purchased separately. During the year, Mr. Vijay had made inter-State supply of 10 numbers of such combo products.

- 13) In addition to above, Mr. Vijay needs an insurance worth ₹ 50 crore. He approaches FUTURE Insurance Ltd. for the same. However, since FUTURE Insurance Ltd. is unable to underwrite the entire risk alone, it enters into a reinsurance agreement with a reinsurer - ROYAL Insurance Ltd. The total premium charged is ₹ 5 lakh. The insurer - FUTURE Insurance Ltd. pays a reinsurance premium of ₹ 1 lakh to ROYAL Insurance Ltd. This allows FUTURE Insurance Ltd. to manage its risk and financial exposure. While paying this amount to ROYAL Insurance Ltd., FUTURE Insurance Ltd. deducts a ceding commission of ₹ 50,000 which it has charged for the services it provides to ROYAL Insurance Ltd. ROYAL Insurance Ltd. pays GST on the gross reinsurance premium including the ceding commission. Discuss whether the Services by FUTURE Insurance Ltd. to ROYAL Insurance Ltd. for which ceding commission is deducted from reinsurance premium paid by FUTURE Insurance Ltd. to ROYAL Insurance Ltd. amounts to supply.
- 14) FUTURE Insurance Ltd. enters into a co-insurance agreement with BHARTI Insurance Ltd. where FUTURE Insurance Ltd. is the lead insurer. The insured - Mr. Vijay - pays a total premium of ₹ 10,00,000 which is apportioned by the lead insurer - FUTURE Insurance Ltd. between itself and BHARTI Insurance Ltd. in the ratio of 60:40 for the insurance services jointly supplied by them to Mr. Vijay. FUTURE Insurance Ltd. agrees to discharge the entire GST liability on the full amount of premium received from Mr. Vijay. Discuss whether the Apportionment of co-insurance premium by FUTURE Insurance Ltd. to BHARTI Insurance Ltd. for the insurance services jointly supplied by them to Mr. Vijay amounts to supply.

Determine whether the above activities fall under the purview of supply as per Section 7 of CGST Act.

Answer:

(1)	<p>Legal Provision:</p> <p>➤ As per Section 7(1)(c) read with Para 1 of Schedule I of CGST Act, 2017, Permanent transfer or disposal of business assets where input tax credit has been availed on such assets shall be treated as supply even when it is made without consideration.</p> <p>Discussion & Conclusion:</p> <p>➤ In the given case, permanent transfer of air conditioners by Mr. Vijay from its stock for personal use at its residence would amount to supply even though it is made without consideration.</p>
(2)	<p>Legal Provision:</p> <p>➤ As per Section 7(1)(a), Supply of goods and/or services should be for consideration and should be in the course or furtherance of business.</p> <p>Discussion & Conclusion:</p> <p>➤ In the given case, sale of air conditioner by Ajay to Vijay will not qualify as supply, Although it is made for a consideration, but it is not in the course or furtherance of business.</p>

(3)	<p>Legal Provision:</p> <p>➤ As per section 7(1)(c) read with Schedule I, supply of goods or services or both between related persons or between distinct persons as specified in section 25, when made in the course or furtherance of business, is deemed as supply even if made without consideration.</p> <p>Discussion & Conclusion:</p> <p>➤ In the given case, since the Mr. Vijay and his branch located in another State are distinct persons.</p> <p>➤ Thus, supply of goods between them would qualify as supply.</p>
(4)	<p>Legal Provision:</p> <p>➤ As per section 7(1)(c) read with Para 2 of Schedule I, Supply of goods &/or services between related persons is treated as supply even if it is without consideration.</p> <p>➤ Proviso to para 2 of schedule I states that if gifts given by employer to an employee are not exceeding ₹ 50,000 in value in a financial year, then it shall not be treated as supply of goods &/or services.</p> <p>➤ As per explanation to section 15, employer & employee are deemed to be related persons.</p> <p>➤ As per CBIC clarification, ESOP/ESPP/RSU is a part of employee's remuneration as per their contract & thus, it is not a supply as per para 1 of Schedule III.</p> <p>➤ Securities/shares are neither goods nor services as per the definitions in the GST Act & thus, its sale or purchase is not a supply.</p> <p>Discussion & Conclusion:</p> <p>a) Diwali gift to employee worth ₹ 3,00,000 will qualify as supply and such supply would be leviable to GST as the employer & employee are related and value of gift exceeds ₹ 50,000 in a financial year.</p> <p>b) If gift of ₹ 42,000 is given instead of ₹ 3,00,000, the same will not qualify as supply. This is because, the value of gift is not exceeding ₹ 50,000 in a financial year.</p> <p>c)</p> <p>➤ In this case, the amount paid as incentive by Veer Ltd. is not in the nature of gift, and thus, is not covered under Schedule I.</p> <p>➤ Infact, the incentive is part of the salary and is directly linked to the sales target.</p> <p>➤ Therefore, the services provided in course or in relation to employment by the employees for which incentives are given to them shall not be treated as a “supply”.</p> <p>d) The reimbursement from Veer Ltd. to Dheer Ltd. for the shares transferred to its employees, when done on a cost-to-cost basis, is not subject to GST. Also, the sale or purchase of shares is not a supply as these are not goods or services.</p>
(5)	<p>Legal Provision:-</p> <p>➤ As per Section 7(1)(c) read with Para 3 of Schedule I, Supply of goods by an agent to his principal where the agent undertakes to receive such goods on behalf of the principal, shall be treated as supply even if made without consideration.</p> <p>➤ As per CBIC clarification, if invoice for further supply is being issued by agent in his own name, then this activity is treated as supply under Para 3 Schedule I, otherwise not.</p> <p>Discussion:-</p> <p>➤ In the given case, Mr. Jai (Agent) is appointed just to procure the goods on behalf of Mr. Vijay (Principal) and he is issuing invoice also in name of Mr. Vijay (Principal).</p> <p>➤ He has not involved himself in the supply or receipt of goods in any way.</p> <p>➤ Hence, Mr. Jai is not an agent of Mr. Vijay for the purpose of para 3 of schedule I.</p> <p>Conclusion:-</p> <p>a) No, it is not to be treated as a supply as per para 3 of Schedule I. This is because Mr. Jai (Agent) is issuing invoice in name of the Mr. Vijay (Principal).</p> <p>b) Yes, if invoice is in the name Mr. Jai (Agent), then this transaction will be treated as supply as per para 3 of Schedule I.</p>

(6)	<p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ As per section 7(1)(b), Supply includes import of services for a consideration whether or not it is in the course or furtherance of business. ➤ Section 7(1)(c) read with Para 4 of Schedule I of CGST Act, states that if services are imported by a person from a related person located outside India without consideration & that too in the course or furtherance of business, then it is treated as supply. ➤ Explanation to section 15 states that members of the same family are deemed to be "related persons". ➤ Further, as per section 2(49), brother is treated member of same family only when he is wholly or mainly dependent on the said person. <p>Discussion & Conclusion:</p> <table border="1" data-bbox="159 546 1528 1058"> <tr> <td data-bbox="159 546 228 645">a)</td><td data-bbox="228 546 1528 645">In the given case, although the import of service for consideration by Mr. Vijay is not in course or furtherance of business, it would be treated as supply.</td></tr> <tr> <td data-bbox="159 645 228 909">b)</td><td data-bbox="228 645 1528 909"> <ul style="list-style-type: none"> ➤ In the given case, Mr. Vijay has received interior decoration services from his brother. ➤ Mr. Vijay and his brother shall be considered to be related as Mr. Vijay's brother is wholly dependent on him. ➤ However, Mr. Vijay has taken interior decoration services for his residence and not in course or furtherance of business. Consequently, services provided by Mr. Vijay's brother to him would not be treated as supply under section 7 read with Schedule I. </td></tr> <tr> <td data-bbox="159 909 228 1058">c)</td><td data-bbox="228 909 1528 1058">If Mr. Vijay has taken interior decoration services for his business premises, services provided by Mr. Vijay's brother to him would be treated as supply u/s 7 read with Schedule I, as the same are provided in course or furtherance of business.</td></tr> </table>	a)	In the given case, although the import of service for consideration by Mr. Vijay is not in course or furtherance of business , it would be treated as supply .	b)	<ul style="list-style-type: none"> ➤ In the given case, Mr. Vijay has received interior decoration services from his brother. ➤ Mr. Vijay and his brother shall be considered to be related as Mr. Vijay's brother is wholly dependent on him. ➤ However, Mr. Vijay has taken interior decoration services for his residence and not in course or furtherance of business. Consequently, services provided by Mr. Vijay's brother to him would not be treated as supply under section 7 read with Schedule I. 	c)	If Mr. Vijay has taken interior decoration services for his business premises, services provided by Mr. Vijay's brother to him would be treated as supply u/s 7 read with Schedule I , as the same are provided in course or furtherance of business.

c)	If Mr. Vijay has taken interior decoration services for his business premises, services provided by Mr. Vijay's brother to him would be treated as supply u/s 7 read with Schedule I , as the same are provided in course or furtherance of business.						
(7)	<ul style="list-style-type: none"> ➤ GST is not payable by Mr. Vijay on sale of plot of land. ➤ As per Para 5 of Schedule III of CGST Act, 2017, 'sale of land' is neither a supply of goods nor a supply of services. Hence, the sale of land does not attract GST. ➤ Land may be sold either as it is or after some development such as levelling, laying down of drainage lines, water lines, electricity lines, etc. ➤ It is clarified by CBIC that sale of such developed land is also sale of land and is covered by Para 5 of Schedule III and accordingly does not attract GST. 						
(8)	<p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ As per CBIC clarification, it is clarified that in case of donations received by a charitable institution, when the name of the donor is displayed in recipient institution's premise as an expression of gratitude and public recognition of donor's act of philanthropy and is not aimed at giving publicity to the donor to advertise or promote his business, then it can be said that there is no supply of service for a consideration (i.e. donation). ➤ Donations received by charitable organisations are treated as consideration only if there exists, quid pro quo, i.e., there is an obligation on part of recipient of donation or gift to supply a service. ➤ Thus, GST is not leviable where all the following three conditions are satisfied namely: <ul style="list-style-type: none"> ➤ Gift or donation is made to a charitable organization. ➤ Payment has the character of gift or donation. ➤ Purpose is philanthropic (i.e., it leads to no commercial gain) and not advertisement. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In given case, the way the name of Mr. Vijay is displayed on the door of room constructed in school run by Jansewa Charitable Trust, it is only an expression of gratitude and public recognition of Vijay's act of philanthropy and is not aimed at advertising or promoting his business. ➤ There is no reference/mention of his publishing house to be advertised. ➤ Thus, the money donated by Mr. Vijay is not leviable to GST. 						

(9)	<p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ As per section 7(2) read with para 1 of Schedule III, any service provided by an employee to employer in the course of or in relation to employment shall be treated neither as a supply of goods nor a supply of services & thus, not taxable. ➤ As per CBIC Clarification, if any perquisites are provided by employer to its employees as per the contractual agreement between them, such perquisites shall be treated as consideration for employee in relation to his employment & thus, gets covered under para 1 of Schedule III. ➤ As per para 2 of Schedule I, gift given by employer to an employee exceeding ₹ 50,000 in value in a financial year is treated as deemed supply & thus, taxable under GST. <p>Discussion & Conclusion:</p> <table border="1" data-bbox="159 553 1516 881"> <tr> <td data-bbox="159 553 228 684">a)</td><td data-bbox="228 553 1516 684"> <ul style="list-style-type: none"> ➤ In given case, perquisites are provided by employer to employee as per the contract between them & is thus provided in relation to employment. ➤ It is not treated as supply under GST as per para 1 of Schedule III & not leviable to GST. </td></tr> <tr> <td data-bbox="159 684 228 881">b)</td><td data-bbox="228 684 1516 881"> <ul style="list-style-type: none"> ➤ Here, perquisites are provided by employer to employee without any agreement between them & thus, are not provided in relation to employment. ➤ It is not covered under para 1 of Schedule III & thus, taxable. Question 3

Discuss the GST implication in the following case study.

It was a busy Monday morning in Mumbai, and Ravi, a software developer, needed a quick ride to the office. He opened an app FastCabs (an ECO) to book a motorcab. The app connected him to Mohan, an independent driver operating his own motorcab.

After a long workday, Ravi needed a place to stay overnight. He found BudgetStay, an unregistered hotel located near his office. BudgetStay had no GST registration but listed its rooms on an online travel platform operated by an ECO called StayEasy. Ravi booked a room through StayEasy and was charged for his stay.

The next morning, Ravi discovered a leaking pipe in his bathroom. In panic, he used the app QuickFix, which connected him to Suresh, an unregistered plumber. QuickFix was an online platform (ECO) that specialized in providing various home services such as plumbing and carpentry.

After the long day, Ravi decided to have dinner & ordered food through Zomato from The Royal Dine, located inside a luxury hotel. The hotel had a declared tariff of ₹10,000 per unit per day for its rooms, which qualified it as a specified premises under GST law.

Answer:

(a)	Since the ride was booked through FastCabs, thus FastCabs (the ECO) handled the GST collection and payment
(b)	<ul style="list-style-type: none">⇒ Since the service was provided through StayEasy (the ECO), GST will be applicable.⇒ However, if BudgetStay exceeded the GST registration threshold (₹20 lakhs turnover), it would have to register under GST, and then it would be responsible for handling the GST, not the ECO.
(c)	<ul style="list-style-type: none">⇒ Suresh's plumbing service was provided through an ECO (QuickFix), thus GST will be applicable.⇒ If Suresh gets registered under GST in the future, QuickFix would no longer be responsible for collecting the GST.
(d)	<ul style="list-style-type: none">⇒ Since the restaurant was located in a specified premises (the luxury hotel), no GST was applied to the meal.⇒ The ECO would not charge GST because the restaurant was part of a hotel with a tariff above ₹7,500.

Answer:

1)	<p>a) Time and value of supply in case of supply of goods:- Legal Provision: ➤ As per section 12(2) of CGST Act, 2017 read with notification 66/2017, the time of supply of goods taxable under forward charge shall be earlier of the following dates:- ➤ Date of issue of invoice or ➤ last date to issue the invoice u/s 31 (i.e. before or at the time of removal of goods for supply to the recipient, where supply involves movement of goods). ➤ As per notification 66/2017, the time of supply of goods is not on advance received & this is applicable to all registered persons except composition supplier & registered person making supply of specified actionable claim. Conclusion: ➤ Thus, the time of supply for advance of ₹1,50,000 as well as for balance payment of ₹1,00,000 is 17.01.20XX which is the date of removal of goods. ➤ Value of supply is ₹2,50,000.</p>
	<p>b) Time and value of supply in case of job work:- Legal Provision: ➤ As per section 13(2)(a), if invoice is issued within the time prescribed u/s 31 (i.e. within 30 days) for supply of services, then the time of supply of such services shall be earlier of:- ➤ the date of issue of invoice by the supplier or ➤ the date of receipt of payment (to the extent the invoice/ payment covers the supply of services). Conclusion: ➤ Thus, the time of supply for advance of ₹1,50,000 received for the supply of job work services is 03.03.20XX and for balance payment of ₹1,00,000 is 11.03.20XX. ➤ Value of supply is ₹2,50,000.</p>
2)	<p>Legal Provision: As per section 12(3) of CGST Act, 2017, if supply of goods is taxable under reverse charge, then the time of supply of goods shall be the earliest of the following dates:- a) Date of receipt of goods or b) Date of payment which shall be earlier of following:- ➤ date entered in the books of account of the recipient or ➤ date on which the payment is debited in his bank account. c) Date immediately following 30 days from date of issue of invoice by the supplier. (Here, date of invoice is relevant only for calculating thirty days from that date.) Discussion & Conclusion: 1) In 1st case, May 12 will be the time of supply of goods taxable under reverse charge being earlier of:- ➤ Date of receipt of goods i.e. May 12 or ➤ Date of payment made i.e. May 30 or ➤ June 4 being 31st day from date of invoice which is May 4. 2) In 2nd case, May 30 will be the time of supply being the earliest of dates as per section 12(3).</p>

3)	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per section 13(2)(b), if invoice is not issued within the time prescribed u/s 31 for supply of services, then the time of supply of such services shall be earlier of:- <ul style="list-style-type: none"> the date of provision of service or the date of receipt of payment. As per section 31(2), generally, the tax invoice shall be issued within 30 days of supply of service & in case of banking & FI, it should be within 45 days. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In the given case, the advance payment was received on 5th January and the service was provided on 23rd April. However, no invoice was issued even after the expiry of prescribed period for issue of invoice. Therefore, the time of supply of service is 5th January which is the date of receipt of payment.
4)	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per section 13(2)(c), if time of supply of service cannot be determined u/s 13(2)(a) & 13(2)(b), then the time of supply shall be:- <ul style="list-style-type: none"> date on which the recipient shows the receipt of services in his books of account. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In the given case, time of supply cannot be determined as per section 13(2)(a)/(b) as neither the invoice has been issued nor the date of provision of service is available & the date of receipt of payment in the books of the supplier is also not available. Now, the time of supply as per section 13(2)(c) shall be the date on which the recipient of service shows receipt of the service in his books of account. Thus, the time of supply will be 4th April which is the date on which the Apartment Owners' Association records the receipt of service in its books of account.
5)	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per section 9(3), if legal services are provided by firm of advocates to any business entity located in the taxable territory, then the GST is payable on reverse charge basis by recipient. As per section 13(3), the time of supply of service taxable under reverse charge is earlier of the following:- <ul style="list-style-type: none"> Date of payment made by the recipient. Date immediately following 60 days from date of issue of invoice by the supplier. Date of issue of invoice (Self Invoice) by the Recipient, in cases where invoice is to be issued by the recipient <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In the given case, the date of payment (i.e. 3rd November) comes subsequent to 61st day (i.e. 19th April) from the date of issue of invoice by the supplier of service. Hence, the time of supply of service as per section 13(3) shall be 19th April.
6)	<p>Legal Provision:-</p> <ul style="list-style-type: none"> As per section 12(4), time of supply of vouchers issued by supplier of goods shall be:- <ul style="list-style-type: none"> the date of issue of voucher, if the supply is identifiable at that point; or the date of redemption of voucher, in all other cases. <p>Discussion & Conclusion:-</p> <ul style="list-style-type: none"> In the given case, supply is not identifiable at the time of issue of coupon. This is because coupons can be used for a variety of food items, which are taxed at different rates & thus, supply cannot be identified at the time of purchase of the coupons. Therefore, the TOS of coupons shall be date of redemption of coupons by employees.
7)	<p>Legal Provision: As per section 13(5), where it is not possible to determine the time of supply under section 13(2), 13(3) and 13(4), then:-</p> <ol style="list-style-type: none"> In a case where a periodical return has to be filed:- Time of supply shall be the date on which such return is to be filed (i.e. Due date for filing of periodical return) or In any other case:- The time of supply shall be the date on which the tax is paid.

	<p>Discussion & Conclusion:</p> <p>⇒ In the given case, it is not possible to determine the time of supply using:-</p> <ul style="list-style-type: none"> ➤ date of invoice, ➤ date of provision of service, ➤ date of receipt of payment & ➤ date of receipt of services in the books of account of the recipient. <p>⇒ On the other hand, Mr. A, being an employee in a company, is not a registered person and hence, the periodical return is also not to be filed.</p> <p>⇒ Therefore, the date of payment of GST by Mr. XYZ will be the time of supply u/s 13(5).</p>
8)	<p>Legal Provision:-</p> <p>⇒ As per section 12(6), the time of supply for the addition in value of supply by way of interest, late fee or penalty for delayed payment of any consideration shall be the date of receipt of such addition in value by supplier.</p> <p>Discussion & Conclusion:-</p> <p>⇒ Thus, in the given case, the time of supply of interest would be the date on which the supplier has received such additional consideration, i.e. 2nd February.</p>
9)	<p>Legal Provision:- As per proviso to section 13(2), if supplier of taxable services receives upto Rs 1,000/- in excess of the amount indicated in the tax invoice, then the supplier has the option to take the date of issue of invoice for such excess amount as the time of supply for such excess.</p> <p>Discussion & Conclusion:-</p> <p>(1) If A Ltd. makes the payment of ₹ 5,500:-</p> <ul style="list-style-type: none"> ⇒ In the given case, excess amount paid is ₹ 500 (which is not exceeding ₹ 1,000) as the January, 20XX bill was for ₹ 5,000 & payment made ₹ 5,500. ⇒ Therefore, time of supply of such excess amount is 05/03/20XX i.e. date of invoice for such excess as per proviso to section 13(2). <p>(2) If A Ltd. makes the payment of ₹ 6,500:-</p> <ul style="list-style-type: none"> ⇒ Here, the excess payment is ₹ 1,500 which exceeds ₹ 1,000. ⇒ In such case, above proviso is not applicable. ⇒ Therefore, as per section 13(2), the time of supply shall be the date of receipt of such excess advance amount.

(recipient) is March 10, 20XX. <p>⇒ Therefore, TOS will be March 10, 20XX.</p> <p>⇒ In the second case, invoice is issued by Purohit Consultants, So TOS will be earlier of:</p> <ul style="list-style-type: none"> a) Date of payment is May 02, 20XX b) 61st date from the invoice issuance date by the supplier i.e May 5, 20XX. <p>⇒ Thus, TOS will be May 02, 20XX.</p>

Question 7

Mr. A is registered under regular scheme under GST in Gujarat who trades in biscuits. On the other hand, he is also a partner in 2 partnership firms (registered under GST) in Gujarat, named Mehmaan Nawaazi Hotel and Lakhpati Casino. The hotel is running restaurant and serving food which had aggregate turnover of ₹120 lakhs in preceding financial year. Lakhpati Casino is a dealer in specified actionable claim who did not opt for composition scheme. Mr. B has availed service from all three of them (i.e. Mr. A, Mehmaan Nawaazi Hotel and Lakhpati Casino) in the month of May, the details of which are as under:-

Particulars	Mr. A	Mehmaan Nawazi Hotel	Lakhpati Casino
Date of supply	2nd May	10th May	12th May
Date of issue of invoice for ₹ 10,000 in each case	4th May	11th June	10th May
Date of receipt of payment by supplier	1st May	6th May	₹ 5,000 on 9th May & ₹ 5,000 on 18th May

Would notification 66/2017 apply to Mehmaan Nawaazi Hotel, if it was providing goods under composition scheme instead of restaurant service? Also, Determine the time of supply in each case for Mr. A, Mehmaan Nawaazi Hotel and Lakhpati Casino.

Answer :-

Legal Provision:-

- As per **section 12(2)** of CGST Act, 2017, the time of supply of goods shall be the **earlier** of the following:-
 - Date of issue of invoice or
 - Last date to issue invoice or
 - Date of receipt of payment.
- As per **N/ no. 66/2017** under CGST Act, the registered person other than following person:-
 - A composition supplier and
 - **registered person making supply of specified actionable claims as defined in clause (102A) of section 2 of the said Act,**
shall pay CGST on the outward supply of goods at the time of supply as specified section 12(2)(a).
- As per **section 13(2)(b)** of CGST Act, 2017, if **invoice is not issued within 30 days** of supply of services, then the **time of supply** of such services shall be **earlier** of:-
 - the date of provision of service or
 - the date of receipt of payment.

Discussion & Conclusion:-

1. In given case, notification 66/2017 applies to Mr. A and he shall be liable to pay tax on invoice basis only and not on advance received. Accordingly, the time of supply shall be **2nd May** i.e. the last date to issue invoice as per section 12(2) read with notification 66/2017.
2. In case of Mehmaan Nawaazi Hotel, notification 66/2017 is not applicable as this notification applies only to supply of goods and not services. Even if this firm was dealing in goods, this notification would still not apply as it is covered under the exception to notification 66/2017 (being a composition supplier) & hence, it is liable to pay tax on advance receipt also. The time of supply in this is **6th May** because invoice is issued after 30 days of supply of service & also the consideration is received in advance.
3. Lakhpati Casino is also covered under the exception to notification 66/2017 as it is dealing in specified actionable claim i.e. casino. Hence, it is liable to pay tax on advance receipt also. The time of supply in this is **9th May for ₹ 5,000 & 10th May for balance ₹ 5,000** as per section 12(2) read with notification 66/2017.

Answer:-

1)	<p>Legal Provision:</p> <p>➔ As per section 10(1)(a) of IGST Act, if supply involves movement of goods by supplier or recipient or any other person, then place of supply of such goods shall be the location of goods at the time at which the movement of goods terminates for delivery to the recipient.</p> <p>➔ As per section 7(1) of IGST Act, if the location of supplier and the place of supply are in two different States, then the supply shall be treated as inter-state supply and liable to IGST.</p> <p>Discussion & Conclusion:</p> <p>➔ In the given case, Location of Supplier is Maharashtra and place of supply u/s 10(1)(a) of IGST Act is Jaipur as movement of goods terminates for delivery to the recipient at Surat.</p> <p>➔ Also, it is inter-state supply & thus, IGST will be charged.</p>
2)	<p>Legal Provision: As per section 10(1)(b) of IGST Act, if goods are delivered by supplier to any person on direction of a third person, before or during movement of goods, then:-</p> <ul style="list-style-type: none"> ➤ it shall be deemed that the said third person has received the goods and ➤ place of supply of such goods shall be the principal place of business of such third person. <p>Discussion & Conclusion:</p> <p>For Supply between Mr. P (Maharashtra) & Mohan (Surat, Gujarat):-</p> <p>➔ This is a bill to ship to supply where goods are delivered to Sohan on the direction of Mohan.</p> <p>➔ Thus, it is deemed that Mohan has received the goods & the place of supply of such goods u/s 10(1)(b) of IGST Act is the principal place of business of Mohan i.e., Surat, Gujarat.</p> <p>For Supply between Mohan (Surat, Gujarat) & Sohan (Jaipur, Rajasthan):-</p> <p>➔ In this case, since the supply involves movement of goods, the place of supply u/s 10(1)(a) of IGST Act is the</p>

	<p>location of the goods at the time when the movement of goods terminates for delivery to the recipient (Sohan) i.e., Jaipur, Rajasthan.</p> <p>In both the above cases, location of supplier & place of supply are in different states & hence, they are inter-state supplies liable to IGST.</p>
3)	<p>Legal Provision: As per section 10(1)(c) of IGST Act, if the supply does not involve movement of goods by supplier or recipient, the place of supply shall be the location of goods at the time of the delivery to recipient.</p> <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In this case, there will be no movement of goods and the same will be sold on as is where is basis. ➤ Thus, location of machine at the time of sale will be the place of supply i.e., Noida u/s 10(1)(c) of IGST Act. ➤ Since the location of Supplier and place of supply are in different States, it is inter-state supply & liable to IGST.
4)	<p>Legal Provision:-</p> <ul style="list-style-type: none"> ➤ As per section 10(1)(ca) of IGST Act, if the supply of goods is made to unregistered person, the place of supply shall be the location as per the address of the said person recorded in the invoice. ➤ However, If the address of the unregistered person is not recorded in the invoice, the place of supply shall be the location of the supplier. ➤ As per CBIC clarification, if billing address differs from delivery address in invoice in case of supply of goods to unregistered person, POS shall be address of delivery of goods recorded on invoice. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In the given case, the invoice issued by Mr. P records Mr. Q's address in Delhi. Therefore, the place of supply for this transaction will be Delhi. ➤ Since the place of supply (Delhi) is different from the location of the supplier (Maharashtra), this transaction constitutes an interstate supply. Thus, liable to IGST. ➤ In second case, if billing address differs from the delivery address in invoice, POS shall be the address of delivery of dining table recorded on invoice i.e. Punjab.
5)	<p>Legal Provision: ➤ As per section 10(1)(d) of IGST Act, if goods are assembled or installed at site, the place of supply shall be the place of such installation or assembly.</p> <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ The place of supply u/s 10(1)(d) of IGST Act is the site of assembly machine i.e., Kutch even though Alpha refineries is located in Ahmedabad. ➤ Since the location of Supplier and POS are in same States, it is intra-state supply & liable to CGST & SGST.
6)	<p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ As per section 10(1)(e) of IGST Act, if goods are supplied on board a conveyance including a vessel, an aircraft, a train or a motor vehicle, the place of supply shall be the location at which such goods are taken on board. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In the given case, the place of supply of the goods sold by Mr. P is the location at which the goods are taken on board, i.e. Pune u/s 10(1)(e) and not Mount Abu where they have been sold.

- ➡ However, Interest is payable on wrongly availed and utilised ITC of ₹75,000.
- ➡ Date of utilisation of said ITC will be:
- Due date of furnishing return for Nov 20XX [20th December, 20XX] or
 - Actual date of filing of the return for Nov 20XX [25th December 20XX] **whichever is earlier.**
- ➡ Thus, date of utilisation of said ITC will be **20th December, 20XX.**
- ➡ Interest (CGST + SGST) will be payable for **80 days** [21st December 20XX to 10th March, 20YY (both days inclusive)] as follows:

Answer:-

1)	<p>Legal Provision:</p> <p>⇒ As per Section 51 of the CGST Act, A State Government is required to deduct tax from the payment made to the supplier of taxable goods and/or services, where the total value of such supply [excluding GST] under a contract, exceeds ₹2,50,000.</p> <p>Conclusion:</p> <p>⇒ TDS to be deducted in the given intra-State supply (since place of supply and location of supplier is in Tamil Nadu) is as follows:</p> <p>= (₹4,30,000 - ₹1,00,000) × 1%</p> <p>= ₹3,300 (CGST) & ₹3,300 (SGST)</p>
2)	<p>Legal Provision:</p> <p>⇒ As per proviso to Sec 51, Tax shall not be deducted if location of supplier & place of supply is in a State/ UT which is different from the State/UT of registration of recipient.</p> <p>Discussion & Conclusion:</p> <p>⇒ Since, in the given case, the location of supplier and place of supply are in the same State, i.e., Kerala and location of recipient is in Andhra Pradesh.</p> <p>⇒ Thus, Andhra Pradesh Government is not required to deduct TDS as the total value of supply under the contract is more than ₹2,50,000.</p>

3)	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per section 51, Certain specified persons are required to deduct tax from the payment made to the supplier of taxable goods and/or services, where the total value of such supply [excluding GST] under a contract, exceeds ₹ 2,50,000. However, the tax is not liable to be deducted at source when supply of goods and/or services has taken place between one specified person to another specified person. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In the given case, Since both Central Government Department and PSU are the specified persons. Thus, tax is not deductible in case of supply of goods between them.
4)	<p>Legal Provision:</p> <ul style="list-style-type: none"> As per section 51 of the CGST Act, Government departments, agencies, local authority and notified persons are required to deduct tax @ 2% (1% CGST + 1% SGST/UTGST) or IGST @ 2% from payment made to the supplier of taxable goods or services where the total value of such supply [excluding GST & Cess in the invoice] under a contract, exceeds ₹2,50,000. Further As per proviso to Sec 51, Tax shall not be deducted if location of supplier & place of supply is in a State/ UT which is different from the State/UT of registration of recipient. As per section 12(3) of IGST Act, the place of supply of services directly in relation to an immovable property including services provided by interior decorators is the location of immovable property. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In given case, the place of supply of the interior decoration of Andhra Bhawan shall be Delhi. Since the location of the supplier (Ramlala Enterprises) and the place of supply is Delhi and the State of registration of the recipient i.e. Government of Andhra Pradesh is Andhra Pradesh, no tax is liable to be deducted in the given case. The answer will remain unchanged even if Ramlala Enterprises is registered under composition scheme.
5)	<p>Legal Provision: As per Section 52, An electronic commerce operator (ECO), not being an agent is required to collect TCS - an amount @ 0.5% (CGST 0.25% and SGST @ 0.25%) of the net value of taxable supplies made through it by other suppliers.</p> <p>Conclusion:</p> <ul style="list-style-type: none"> Thus, Amount of TCS: $= ₹1,50,000 \times 0.25\%$ $= ₹375 \text{ (CGST) } \& ₹375 \text{ (SGST)}$
6)	<p>Legal Provision: As per Section 52, An electronic commerce operator (ECO), not being an agent is required to collect TCS - an amount @ 0.5% (CGST 0.25% and SGST @ 0.25%) of the net value of taxable supplies made through it by other suppliers, where the consideration for such supplies is to be collected by ECO.</p> <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> In the given case, ABC limited who is dealer of Royal brand sells watches through Slipkart. Thus, TCS will be applicable to Slipkart. In the second case, ABC Ltd. sells watch through its own website. Thus, TCS won't be applicable.
7)	<ul style="list-style-type: none"> The given statement is invalid. An electronic statement has to be filed by the ECO containing details of the outward supplies of goods and/ or services effected through it, including the supplies returned and the amount collected by it as TCS during the month within 10 days after the end of each month in which supplies are made. Also, the ECO is also required to file an Annual Statement on or before 31st day of December following the end of the financial year. However, The operator shall not be allowed to furnish a statement after the expiry of 3 years from the due date of furnishing the said statement. The Commissioner has been empowered to extend the due date for furnishing of monthly and annual statement by the person collecting tax at source.

Question 14

Bindusara commences the business of supplying taxable goods locally within the State of Rajasthan in April. He is not yet registered under GST. As his aggregate turnover reaches ₹ 8 lakh by the end of the month of June, Bindusara starts exploring the option to sell the goods supplied by him within Rajasthan on a popular electronic commerce platform – E-vastustore by listing the goods on the said platform.

He approaches you for advice on following issues in this regard:

- (A) Bindusara wishes to continue his business without registering under GST since it will enhance the compliance burden under GST law. Can he supply the goods through E-vastustore without obtaining GST registration? You are required to advise him.
- (B) Discuss the GST implications in case Bindusara supplies goods through electronic commerce platform – E-vastustore.
- (C) Can Bindusara opt for composition scheme u/s 10 in future, if he becomes liable to register on crossing the threshold limit for registration u/s 22? If yes, can he make inter-state supply of goods & continue to be under composition scheme?
- (D) If Bindusara obtains registration & opts for composition scheme, what are the compliances that are to be fulfilled by ECO- E-vastustore, if Bindusara supplies goods through it?
- (E) What is maximum time limit to furnish a statement for an ECO?

Answer:-

A) Yes, Bindusara can supply goods through E-vastustore without obtaining GST registration.

Legal Provision:-

- As per **section 24(ix)**, persons who supply goods and/or services, other than services notified under section 9(5), through such electronic commerce operator (ECO) who is required to collect TCS u/s 52 is required to obtain registration **mandatorily**.
- However, as per **notification**, the persons making supplies of goods through an ECO who is required to collect TCS and having an aggregate turnover in the preceding financial year and in the current financial year not exceeding the threshold limit as per section 22(1), **are exempted from obtaining registration**, subject to the following conditions, namely:
 - (i) such persons shall not make any inter-State supply of goods;
 - (ii) such persons shall not make supply of goods through ECO in more than one State/Union territory;
 - (iii) such persons shall be required to have a PAN issued under the Income-tax Act, 1961;
 - (iv) such persons shall, before making any supply of goods through ECO, declare on the common portal:
 - a. their PAN
 - b. address of their place of business and
 - c. State/UT in which such persons seek to make such supply,which shall be subjected to validation on the common portal;
 - (v) such persons have been granted an enrolment number on the common portal on successful validation of the PAN declared above;
 - (vi) such persons shall not be granted more than one enrolment number in a State/UT;
 - (vii) no supply of goods shall be made by such persons through ECO unless such persons have been granted an enrolment number on the common portal; and
 - (viii) where such persons are subsequently granted registration u/s 25, the enrolment number shall cease to be valid from the effective date of registration.

Discussion & Conclusion:-

- In given case, Bindusara **can supply** goods through E-vastustore without obtaining GST registration till the time its aggregate turnover does not exceed the threshold limit as per section 22(1) thereby complying with the aforesaid conditions.

B)	<p>➤ As Bindusara is not required to obtain registration under GST, there shall be no GST implications on the supplies made by him through electronic commerce platform – E-vastustore.</p> <p>➤ However, ECO - E-vastustore – is required to submit the details of supplies made through it by the unregistered suppliers (including Bindusara) having enrolment number in Form GSTR 8.</p> <p>➤ Further, no tax at source shall be collected by the E-vastustore in respect of such supplies.</p> <p>➤ E-vastustore shall allow the supply of goods through it by Bindusara only if enrolment number has been allotted on the common portal to him;</p> <p>➤ E-vastustore shall not allow any inter-State supply of goods through it by Bindusara;</p>
C)	<p>i) Yes, Bindusara can opt for composition scheme u/s 10 while applying for registration or even after obtaining registration. This is because, as per section 10(2)(d), the restriction to opt for composition scheme is on the person engaged in making any supply of services through an ECO who is required to collect tax at source u/S 52 & not on supply of goods through such ECO.</p> <p>ii) No, Bindusara cannot make inter-state supply of goods because if he does that, he will become ineligible to remain in composition scheme as per section 10(2)(c).</p>
D)	<p>ECO- E-vastustore who is required to collect tax at source u/s 52 shall follow the following special procedure for supply of goods made through it by Bindusara – a composition dealer:—</p> <p>(i) E-vastustore shall not allow any inter-State supply of goods through it by Bindusara;</p> <p>(ii) E-vastustore shall collect tax at source u/s 52(1) for supply of goods made through it by Bindusara and pay to the Government within the time limit; and</p> <p>(iii) E-vastustore shall furnish details of supplies of goods made through it by Bindusara in GSTR-8.</p>
E)	<p>➤ GSTR-8 & deposit of TCS should be made on/before 10th day of next month (due date can be extended by Central or State Commissioner).</p> <p>➤ However, ECO shall not be allowed to furnish a statement in GSTR-8 after the expiry of 3 years from the due date of furnishing the said statement. Government may allow further extension in certain cases.</p>

Determine the amount of ITC available with ABC Co. Ltd., for the month of July by giving necessary explanations for treatment of various items. Subject to the information given above, assume that all the other conditions necessary for availing ITC have been fulfilled.

Answer: Computation of ITC available with ABC Co. Ltd. for the month of July:-

Sr.No.	particulars	GST (₹)	Explanation
1	Electrical transformers to be used in the manufacturing process	5,20,000	ITC is available on goods used in the course or furtherance of business u/s 16(1) of CGST Act.
2	Trucks used to transport of raw Material	1,00,000	ITC is not blocked u/s 17(5)(a) of CGST Act on motor vehicles used for transportation of goods.

3	Raw material	-	Since raw material is not received in July, 20XX, ITC for the same cannot be availed in July, 20XX u/s 16(2).
4	Confectionery items for consumption of customers at customers meet	-	ITC is blocked u/s 17(5)(b) of CGST Act on food or beverages unless the same is used for making outward taxable supply of the same category or as an element of the taxable composite or mixed supply or provided by an employer to its employees under a statutory obligation.
5	Capital Goods	4,30,000	ITC can be availed only on basis of a valid document u/s 16(2) . Thus, ITC for the item for which invoice is missing cannot be availed.
6	GST paid on health insurance policies	-	ITC is blocked u/s 17(5) of CGST Act on health insurance taken for employees except when there is a statutory obligation on employer to provide the same.
7	Payment made to contractor for construction of staff quarter	-	ITC is blocked on works contract services supplied for construction of an immovable property except where it is an input Service for further supply of works contract service u/s 17(5)(c).
8	Bus for transportation of employees	1,97,000	ITC is not blocked u/s 17(5)(a) of CGST Act on motor vehicles for transportation of persons with seating capacity more than 13 persons (including driver) used for any purpose.
9	General insurance taken on car used by executives of company for official purpose	-	As per section 17(5)(ab) of CGST Act, ITC is blocked on general insurance of those motor vehicles on which ITC is blocked u/s 17(5)(a). In this case, ITC on car is blocked u/s 17(5)(a) as it's seating capacity less than 13 & not used for purpose mentioned in exceptions & thus, ITC is blocked on general insurance of car also.
10	Inputs purchased, but stolen from factory	-	ITC is blocked on goods stolen as per 17(5)(h) of CGST Act.
11	Input purchased was directly delivered to Mr. Joe, a job worker and a registered supplier	80,000	As per explanation to sec 16(2)(b), goods delivered to a third person on direction of registered person are deemed to have been received by such registered person. So, ITC is available to registered person even though he did not receive the goods.
12	Goods purchased from Asha Ltd.	-	All conditions are to be satisfied u/s 16(2) to avail ITC. So, ITC is not available in either of the cases where supplier has not reported invoice in GSTR-1 or has not paid tax to Govt.
13	Capital goods used for making outward supplies to SEZ unit	52,000	ITC is allowed on capital goods used for making taxable including zero-rated supplies. Supply to SEZ units are zero rated supplies u/s 16(1) of IGST Act & hence, ITC is available in this case.

14	Rent-a-cab facility availed for employees to fulfil a statutory obligation	36,000	ITC is not blocked u/s 17(5)(b) of CGST Act on rent-a cab services where the government notifies services which are obligatory for an employer to provide to its employees.

Answer:

1)	<p>☞ Yes, the recipient can take full ITC.</p> <p>☞ However, proviso to section 16(2) read with rule 37 states that recipient is required to pay the full consideration along with tax within 180 days from the date of issue of invoice. This condition is not applicable where tax is payable on reverse charge basis.</p>
2)	<p>☞ If recipient fails to do so, then corresponding credits availed in respect of such supply, proportionate to the amount not paid to the supplier, by him will be added to his output tax liability or it shall be reversed along with interest.</p> <p>☞ If part payment is made against an invoice, then proportionate ITC is available for the tax involved & thus, full amount of tax cannot be adjusted first against the part payment made.</p>
3)	<p>The condition of payment of value of supply plus tax within 180 days does not apply in the following situations:</p> <p>a) Supplies on which tax is payable under reverse charge.</p> <p>b) Deemed supplies without consideration.</p> <p>c) Additions made to the value of supplies on account of supplier's liability, in relation to such supplies, being incurred by the recipient of the supply.</p>

5)	<p>As per section 16(6), If the registration of a registered person is cancelled u/s 29, and subsequently cancellation is revoked by any order u/s 30, and availment of ITC was not restricted u/s 16(4) on the date of cancellation, then such person is entitled to take ITC on such invoice or debit note in a return u/s 39:</p> <p>(i) filed up to 30th November following the financial year to which such invoice or debit note pertains, or date of furnishing annual return, whichever is earlier or</p> <p>(ii) for the period from the date of cancellation of registration or the effective date of cancellation of registration, as the case may be, till the date of order of revocation of cancellation of registration, where such return is filed within 30 days from the date of order of revocation of cancellation of registration whichever is later.</p> <p>Discussion & Conclusion:</p> <p>☞ In the given case, Aakarsha Traders is entitled to claim ITC in respect of invoices issued in February and March of the preceding financial year in a return u/s 39:</p> <ul style="list-style-type: none"> ➤ filed up to 30th November of current financial year or ➤ (return filed for the period from effective date of cancellation of registration till the date of order of revocation of cancellation of registration, within 30 days of revocation of cancellation i.e., up to 14th January. <p>whichever is later.</p> <p>☞ Thus, Aakarsha Traders is entitled to claim input tax credit (ITC) in respect of invoices issued in February and March of the preceding financial year in the return for the month of September furnished on 21st December of current financial year.</p>

4. **ITC is not blocked** u/s 17(5)(a) of CGST Act on motor vehicles for transportation of persons with seating capacity more than 13 persons (including driver) & thus, ITC is not blocked on its repair also u/s 17(5)(ab).

Answer:

- 1) **Legal Provision:**
- As per **section 22** of CGST Act, a supplier is liable to be registered in the State/ Union territory from where he makes a taxable supply of goods and/or services, if his aggregate turnover in a financial year exceeds the threshold limit.
 - **The threshold limit for a person making exclusive taxable supply of services or supply of both goods and services is as under:-**
 - (i) ₹10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - (ii) ₹20 lakh for the rest of India.
 - Also, **the threshold limit** for a person making **exclusive intra-state supplies of goods** is as under:-
 - ₹10 lakh for the Special Category States of Mizoram, Tripura, Manipur and Nagaland.
 - ₹20 lakh for the States of Arunachal Pradesh, Meghalaya, Puducherry, Sikkim, Telangana and Uttarakhand.
 - ₹40 lakh for rest of India.
 - As per **section 2(6)**, “**Aggregate turnover**” means the aggregate value of all:-
 - taxable supplies,
 - exempt supplies (wholly exempt, nil rated & Non-taxable)
 - exports &
 - inter-State supplies of persons having the same Permanent Account Number, to be computed on all India basis**but excludes:-**
 - central tax, State tax, Union territory tax, integrated tax and cess &
 - the value of inward supplies on which tax is payable by a person on reverse charge basis.
- Discussion & Conclusion:**
- In given case, since Rishabh Enterprises is engaged in making taxable supplies of goods and services from Maharashtra and non-taxable supplies from Uttarakhand, the threshold limit for obtaining registration is ₹20 lakh.
 - **Computation of aggregate turnover of Rishabh Enterprises is as under:-**
- | Particulars | Turnover of February (₹) | Cumulative Turnover of February & March (₹) (₹) |
|---|--------------------------|---|
| Serving of cooked food and cold drinks/non-alcoholic beverages in restaurant in Maharashtra | 5,50,000 | 12,00,000 [₹ 5,50,000 + ₹ 6,50,000] |
| Add: Sale of alcoholic liquor for human consumption in Uttarakhand [Note] | - | 5,50,000 |
| Add: Supply of packed food items from restaurant in Maharashtra | 1,50,000 | 3,50,000 [₹ 1,50,000 + ₹ 2,00,000] |
| Aggregate Turnover | 7,00,000 | 20,50,000 |
- Rishabh Enterprises was **not liable to be registered in February** since its aggregate turnover did not exceed ₹20 lakh in that month.
 - However, since its aggregate turnover exceeds ₹20 lakh in March, it **shall apply for registration in Maharashtra**

	<p>within 30 days from the date on which it becomes liable to registration.</p> <p>➤ Further, he is not liable to be registered in Uttarakhand since he is not making any taxable supply from Uttarakhand.</p> <p>➤ In second case, The applicable threshold limit for registration for Rishabh Enterprises in the given case is ₹ 40 lakh as he is exclusively engaged in intra-State taxable supply of goods.</p> <p>➤ Thus, he is not liable to get registered under GST as his turnover is less than the threshold limit.</p> <p>Note: As per section 2(47), exempt supply includes non-taxable supply. Thus, supply of alcoholic liquor for human consumption in Uttarakhand, being a non-taxable supply, is an exempt supply and is, therefore, includible while computing the aggregate turnover.</p>
2)	<p>Legal Provision:</p> <p>➤ As per section 24, person making interstate taxable supply of goods (other than taxable supply of handicraft goods) are compulsorily required to obtain registration irrespective of the quantum of aggregate turnover.</p> <p>Discussion & Conclusion:</p> <p>➤ Here, Rishabh Enterprises is making inter-state taxable supply of goods.</p> <p>➤ Thus, he is required to obtain registration compulsorily under GST laws even though his aggregate turnover does not exceed the threshold limit applicable u/s 22.</p>
3)	<p>Legal Provision:</p> <p>➤ As per section 24, Persons making taxable supply of goods on behalf of other taxable persons whether as an agent or otherwise are required to obtain registration compulsorily under GST laws irrespective of the quantum of aggregate turnover.</p> <p>➤ As per Explanation to section 22, aggregate turnover includes all supplies made by the taxable person,</p> <ul style="list-style-type: none"> - whether on his own account or - made on behalf of all his principals. <p>➤ If agent issues invoice in his own name, then section 24 gets attracted, otherwise he is liable to register u/s 22 if his aggregate turnover crosses the threshold limit for registration.</p> <p>Discussion & Conclusion:</p> <p>➤ In the given case, since Rishabh Enterprises is also acting as an agent of Mr. Rishi, he is required to obtain registration compulsorily under GST laws irrespective of the quantum of aggregate turnover.</p> <p>Assumption: It is assumed that agent is issuing invoice for further supply in his own name.</p>
4)	<p>a) ➤ Yes, Rishabh Enterprises can supply goods through E-vastustore without obtaining GST registration.</p> <p>➤ As per section 24(ix), persons who supply goods and/or services, other than services notified under section 9(5), through such ECO who is required to collect TCS under section 52 is required to obtain registration mandatorily.</p> <p>➤ However, the persons making supplies of goods through an ECO who is required to collect TCS and having an aggregate turnover in the preceding financial year and in the current financial year not exceeding the threshold limit as per section 22(1), are exempted from obtaining registration, subject to the following conditions, namely:</p> <ol style="list-style-type: none"> a) such persons shall not make any inter-State supply of goods. b) such persons shall not make supply of goods through ECO in more than one State/UT. c) such persons shall be required to have a PAN issued under the Income-tax Act, 1961. d) such persons shall, before making any supply of goods through ECO, declare on the common portal: <ul style="list-style-type: none"> - their PAN - address of their place of business & - State/UT in which such persons seek to make such supply, which shall be subjected to validation on the common portal. e) such persons have been granted an enrolment number on the common portal on successful validation of the PAN declared above. f) such persons shall not be granted more than one enrolment number in a State/UT. g) no supply of goods shall be made by such persons through ECO unless such persons have been granted an enrolment number on the common portal & h) where such persons are subsequently granted registration under section 25, the enrolment number shall cease to be valid from the effective date of registration.

	<p>b) ➤ As Rishabh Enterprises is not required to obtain registration under GST, there shall be no GST implications on the supplies made by him through ECO - E-vastustore.</p> <p>➤ However, the ECO is required to submit the details of supplies made through it by the unregistered suppliers (including Rishabh Enterprises) having enrolment number in Form GSTR 8.</p> <p>➤ Further, no tax at source shall be collected by the E-vastustore for such supplies.</p>
5)	<p>➤ A supplier is liable to obtain registration in a State/Union Territory from where he makes taxable supply of goods and/or services.</p> <p>➤ Shares are excluded from the definition of goods as well as services & hence, buying and selling of shares is not a supply of goods and/or services under GST law.</p> <p>➤ Thus, Rishabh enterprises is not liable to obtain registration since it is not engaged in making a taxable supply of goods and/or services.</p>
6)	<p>Legal Provision:</p> <p>➤ As per section 22 read with section 25, a supplier, whose aggregate turnover in a financial year exceeds ₹ 20 lakh in a State other than Manipur, Mizoram, Nagaland, Tripura, is liable to apply for registration within 30 days from the date of becoming liable to registration.</p> <p>➤ Where the application is submitted within the said period, the effective date of registration is the date on which the person becomes liable to registration</p> <p>➤ otherwise, it is the date of grant of registration.</p> <p>Discussion & Conclusion:</p> <p>➤ In given case, applicable turnover limit for registration is ₹ 20 lakh as Maharashtra is not a Special Category State.</p>
a)	<p>Since Rishabh enterprises applied for registration within 30 days of becoming liable to registration, the effective date of registration is 25th March, 20XX.</p>
b)	<p>In this case, since Rishabh enterprises applies for registration after the expiry of 30 days from the date of becoming liable to registration, the effective date of registration is 5th May, 20XX.</p>
c)	<p>➤ No, the advice of Rishabh Enterprise's consultant that prior submission of bank details is mandatory to obtain registration is no more valid in law.</p> <p>➤ A new rule 10A has been inserted in the CGST Rules, 2017 to allow the registered person to furnish details of bank account as may be required on the common portal in order to comply with any other provision, soon after obtaining certificate of registration and a GSTIN.</p> <p>➤ But the information shall be furnished which is earlier of:-</p> <ul style="list-style-type: none"> - Within 30 days from the date of grant of registration certificate or - Furnishing details of outward supplies in Form GSTR 1 or using IFF u/s 37.
7)	<p>➤ Yes, the proper officer can cancel the registration of Rishabh enterprises on his own after opportunity of being heard to it.</p> <p>➤ As per section 29(2) read with rule 21 of CGST Rules 2017, the circumstances under which proper officer can cancel the registration on his own of a registered person after giving the person an opportunity of being heard are as under:-</p> <p>(1) A registered person has contravened any of the following provisions of the GST law:-</p> <ul style="list-style-type: none"> a) he does not conduct any business from the declared place of business. b) he issues invoice/bill without supply of goods or services or both in violation of the provisions of GST law. c) he violates the provisions of anti-profiteering. d) he violates the provisions relating to furnishing of bank details. e) He avails input tax credit in violation of the provisions of section 16 of CGST Act or the rules made thereunder. f) furnishes the details of outward supplies in FORM GSTR-1 under section 37 for one or more tax periods which is in excess of the outward supplies declared by him in his valid return under section 39 for the said tax periods.

	<p>g) violates the provision of rule 86B.</p> <p>ga) violates the provisions of 3rd or 4th proviso to rule 23(1)</p> <ul style="list-style-type: none"> ➤ failed to file returns due between the order of cancellation and revocation of registration within 30 days of the revocation order. ➤ If the cancellation was retrospective, failed to file all returns from the date of order of cancellation date to the revocation order within 30 days. <p>h) being a registered person required to file return under section 39(1) for each month or part thereof, has not furnished returns for a continuous 6 months.</p> <p>i) being a registered person required to file return under proviso to section 39(1) for each quarter or part thereof, has not furnished returns for a continuous 2 tax periods.</p> <p>(2) A person paying tax under composition levy has furnished the return for a financial year beyond 3 months from the due date of furnishing the said return.</p> <p>(3) Voluntarily registered person has not commenced the business within 6 months from the date of registration.</p> <p>(4) Registration was obtained by means of fraud, wilful misstatement or suppression of facts.</p> <p>➤ Further As per section 29(1), following are the circumstances where proper officer may cancel the registration either:-</p> <ul style="list-style-type: none"> - on his own motion or - on an application filed by the registered person or - on an application filed by his legal heirs, in case of death of such person. <ul style="list-style-type: none"> (a) If the business has been discontinued, transferred fully for any reason including death of the proprietor, amalgamated with other legal entity, demerged, or otherwise disposed of. Mr. Nandkishore wants to generate e-way bill for goods amounting to ₹ 5,00,000 to be supplied to Mr. Yash Also, Mr. Narayan from Jammu approached Mr. Yash for purchased goods amounting to ₹ 75,000. Mr. Yash wants to generate an e-way bill in respect of an outward supply of goods to Mr. Narayan. Examine with reference to the provisions under GST law, whether Mr. Nandkishore and Mr. Yash can generate e-way bill?

Answer:

1)	<p>Legal Provision:-</p> <ul style="list-style-type: none">As per Rule 138(1) of CGST Rules, a registered person is mandatorily required to generate e-way bill if he causes movement of goods of consignment value exceeding ₹ 50,000 in relation to a supply.The consignment value shall be the value as per section 15 as declared in an invoice<ul style="list-style-type: none">including CGST, SGST, UTGST, IGST and cess charged, if any, in the document butit excludes the value of exempt supply of goods where the invoice is issued in respect of both exempt and taxable supply of goods. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none">In given case, the consignment value of goods will be ₹ 50,740 [i.e., ₹ 43,000 + (₹ 43,000 × 18%)].Since the movement of goods is in relation to supply of goods and the consignment value exceeds ₹ 50,000, the e-way bill is mandatorily required to be generated for movement of goods from Maharashtra to Punjab.In the second case, consignment value of goods (including GST and excluding value of exempt supply) is ₹ 50,350 (47,500 × 106%).Since there is a movement of goods of consignment value exceeding ₹ 50,000, Mr. Yash is mandatorily required to issue e-way bill.
2)	<ul style="list-style-type: none">Since arranging freight is the liability of supplier, it is a case of composite supply and thus, freight charges are to be added in the value of principal supply.Accordingly, the consignment value of goods will be ₹ 55,460 [(₹ 40,000 + ₹ 7,000) * 118%]Since there is a movement of goods of consignment value exceeding ₹ 50,000, Mr. yash is mandatorily required to issue e-way bill.
3)	<ul style="list-style-type: none">If there is a mistake, incorrect or wrong entry in the e-way bill, then it cannot be edited or corrected.Only option is cancellation of e-way bill within 24 hours of generation and generate a new one with correct details.Thus, Mr. Yash cannot edit the e-way bill.However, he can cancel the e-way bill within 24 hours of generation and generate a new one with correct details.
4)	<p>Legal Provision:</p> <ul style="list-style-type: none">As per rule 138, e-way Bill is required to be generated mandatorily, if the goods are moved in relation to a supply and the consignment value [including CGST, SGST/UTGST, IGST and cess charged] exceeds ₹ 50,000.As per CBIC Clarification, if multiple invoices are issued by the supplier to one recipient, multiple e-way bills have to be generated—one e-way bill for each invoice, irrespective of the fact whether the same or different consignors or consignees are involved.Each invoice is considered as separate consignment for the purpose of generating e-way bills. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none">In given case, Mr. Yash would be required to prepare two separate e-way bills since each invoice value exceeds ₹ 50,000 and each invoice is considered as one consignment for the purpose of generating e-way bills.Multiple invoices cannot be clubbed to generate one e-way bill. However, after generating all these e-way bills, one consolidated e-way bill can be prepared for transportation purpose, if goods are going in one vehicle.
5)	<ul style="list-style-type: none">As per Rule 138(12), the information furnished in Part A of e-way bill by the recipient/ transporter or by the supplier/ transporter, as the case may be, shall be accepted or rejected by the supplier/recipient within the Earlier of:-<ul style="list-style-type: none">➤ 72 hours of details being made available to him on common portal or➤ Time of delivery of goods.If such supplier/ recipient does not communicate his acceptance or rejection within this time, then it shall be deemed to be accepted.

6)	<p>Legal Provision: As per rule 138(10), the validity period of e-way bill is as under:-</p> <p>a) If it is over dimensional cargo:- The validity period of e-way bill is 1 day from relevant date upto 20 km and 1 additional day for every 20 km or part thereof thereafter.</p> <p>b) If it is a cargo other than over dimensional cargo:- The validity period of e-way bill is 1 day from relevant date upto 200 km and 1 additional day for every 200 km or part thereof thereafter.</p> <p>Discussion & Conclusion: In given case, the validity period of e-way bill for transport of cargo by road between two cities situated at a distance of 368 kilometres is as under:-</p> <p>a) If it is over dimensional cargo:- Validity period = 1 day + 18 days i.e., 19 days</p> <p>b) If it is a cargo other than over dimensional cargo:- Validity period = 1 day + 1 day i.e., 2 days</p>
7)	<p>➡ E-way bill is not required to be generated where the goods being transported are alcoholic liquor for human consumption.</p> <p>➡ Thus, the action of Mr. Yash of not generating the e-way bill is correct in law.</p>
8)	<p>➡ The said statement is not valid.</p> <p>➡ When goods are transferred by principal to job worker, e-way bill is required to be mandatorily issued:</p> <ul style="list-style-type: none"> ➤ In case of intra-State transfer, if consignment value exceeds ₹ 50,000 & ➤ In case of inter-State transfer, irrespective of the value of the consignment.
9)	<p>Legal Provision:</p> <p>➡ As per Rule 138E, a taxpayer (consignor or consignee) shall be disabled from generating the e-way bill, if the GSTIN is not eligible for e-way bill generation.</p> <p>➡ Under this rule, GSTIN is blocked only for the defaulting supplier for e-way bill generation and not for the defaulting Recipient or Transporter.</p> <p>➡ A person paying tax under regular scheme who has not furnished the returns for a consecutive period of two tax periods is considered as a defaulting person.</p> <p>➡ The suspended GSTIN cannot generate e-way bill as a supplier. However, it can get e-way bill generated as recipient or as transporter.</p> <p>➡ In other words, e-way bill generation facility is blocked only for any outward movement of goods of registered person & not for his inward supplies.</p> <p>Discussion & Conclusion:</p> <p>➡ In the given case, there will be no restriction in generating e-way Bill by Mr. Nandkishore as Mr. Nandkishore who is making outward movement of goods is a regular return filer.</p> <p>➡ But, E-way bill generation is blocked for movement of goods by Mr. Yash to Mr. Narayan as it is an outward movement of goods of Mr. Yash who has not filed GSTR-3B for past 2 months.</p>

- 12) Is it compulsory for Mr. Jeet to file return by himself, If no, then who is required to furnish returns for Mr. Jeet during a tax period.

Answer:-

1)	<p>Legal Provision:</p> <ul style="list-style-type: none">➤ As per section 37 of CGST Act, GSTR-1 for a particular month is filed on or before the 11th of immediately succeeding month i.e. on monthly basis.➤ However, to ease the compliance requirement, GSTR-1 can be filed quarterly by small taxpayers with aggregate annual turnover upto ₹ 5 crore in preceding financial year under QRMP Scheme.➤ Under QRMP Scheme, for the first and second months of a quarter, the details of outward supplies can be furnished up to a cumulative value of ₹ 50 Lakhs in each of the months using invoice furnishing facility (IFF) electronically on common portal from the 1st day of the month succeeding such month till the 13th day of the said month. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none">➤ In view of the same, Mr. Jeet can file its GSTR-1 on quarterly basis if it has opted to furnish the outward supply related details on quarterly basis and filing IFF on monthly basis as its aggregate turnover does not exceed ₹ 5 crore in the preceding financial year.
2)	<p>No, Mr. Jeet is not correct.</p> <p>Legal Provision:</p> <ul style="list-style-type: none">➤ Nil GSTR-1 needs to be filed, even if there is no business activity in the tax period.➤ Further, a NIL GSTR-1 can be filed by a registered person through an SMS using the registered mobile number of the taxpayer & is verified by registered mobile number-based OTP facility. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none">➤ In given case, even though Mr. Jeet was out of India and thus had not done any transaction during February, he is still required to file GSTR-1 for the that month.
3)	<p>Details of outward supplies which can be furnished using IFF are as follows:</p> <ol style="list-style-type: none">Invoice wise details of inter-State and intra-State supplies made to the registered persons.Debit and credit notes, if any, issued during the month for such invoices issued previously. <p>Cases where registered person is debarred from furnishing details of outward supplies in GSTR- 1/using IFF:</p> <ol style="list-style-type: none">A registered person (under monthly scheme) has not furnished the return in Form GSTR-3B for the preceding 1 month.A registered person, opting for QRMP (Quarterly Return Monthly Payment) has not furnished the return in Form GSTR-3B for preceding tax period.A registered person, to whom an intimation has been under Rule 88C (Tax liability shown on GSTR1 exceeds tax liability paid in GSTR 3B) unless he has deposited the specified amount or furnishing a reply.A registered person, to whom an intimation has been under Rule 88D unless he pays such excess ITC or furnishes a reply to explain it.A registered person has not furnished the details of the bank account under rule 10A.
4)	<p>Legal Provision:</p> <ul style="list-style-type: none">➤ As per proviso to rule 59(1), a registered person may, after furnishing the details of outward supplies of goods or services or both in Form GSTR-1 for a tax period but before filing of return in Form GSTR-3B for the said tax period, at his own option, amend or furnish additional details of outward supplies of goods or services or both in Form GSTR-1A for the said tax period.➤ Further, rule 60(7) provides that the additional details or amendments in details of outward supplies furnished by the supplier in Form GSTR-1A filed after the due date of furnishing of Form GSTR-1 for the previous tax period shall be reflected in Form GSTR-2B for the current tax period.➤ This implies that the ITC for the supplies declared or amended by the suppliers through Form GSTR-1A will be available to the recipient in Form GSTR-2B generated for the next tax period.

	<p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In the given case, Mr. Jeet has the option to furnish the details of the invoice issued to Bhawani Traders in Form GSTR-1A on or after 14th February but before filing Form GSTR-3B for January. ➤ The corresponding effect of the changes made through Form GSTR-1A on the liability of Mr. Jeet shall be reflected in Form GSTR-3B for January. ➤ Also, the details of missing invoice of Bhawani Traders will be available in its Form GSTR-2B for the month of February.
5)	<p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ As per section 39(10), a registered person is not allowed to furnish a return for a tax period if the return for any of the previous tax periods has not been furnished by him. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ Therefore, in the given case, Mr. Jeet cannot file GSTR-3B for July if he has not filed GSTR-3B for the preceding month, i.e., June. <p>Provisions relating to nil GSTR-3B:</p> <ul style="list-style-type: none"> ➤ Filing of GSTR-3B is mandatory for all normal and casual taxpayers, even if there is no business activity in any particular tax period. ➤ A Nil GSTR-3B does not have any entry in any of its tables. For example, a Nil GSTR-3B for a tax period cannot be filed, if the taxpayer has made any outward supply (including nil-rated, exempt or non-GST supplies) or has received any supplies which are taxable under reverse charge, or it intends to take ITC etc. ➤ A Nil GSTR-3B can be filed through an SMS using the registered mobile number of the taxpayer. GSTR-3B submitted through SMS is verified by registered mobile number-based OTP facility. ➤ A taxpayer may file Nil GSTR-3B, anytime on or after the 1st day of the subsequent month/ quarter for which the return is being filed for.
6)	<p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ Filing of GST CMP-08 is mandatory for composition supplier, even if there is no business activity in any particular tax period. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In this case, Mr. Jeet is required to file CMP-08, even if he did not render any taxable supply during the quarter ending Sept, 20XX.
7)	<p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ If the taxpayer opts to withdraw from the composition scheme, he has to file GSTR-4 for the period for which he has paid tax under the composition scheme. ➤ Such return is required to be furnished till 30th day of June following the end of the financial year during which such withdrawal falls. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In the given case, Mr. Jeet is liable to file GSTR-4 for the said F.Y. during which he opted out of composition scheme by 30th June of next F.Y.
8)	<ul style="list-style-type: none"> ➤ As per section 39(9), any omission or incorrect particulars discovered in the returns filed u/s 39 can be rectified in the return to be filed for the month or quarter during which such omission or incorrect particulars are noticed. ➤ But the maximum time limit for making rectification is earlier of:- <ul style="list-style-type: none"> - 30th November following the end of the financial year to which such details pertain or - Actual date of furnishing of relevant annual return. ➤ Any tax payable as a result of such error or omission will be paid along with interest. ➤ Exception: Error/omission discovered on account of scrutiny, audit, inspection, or enforcement activities by tax authorities cannot be rectified u/s 39(9) of CGST Act. ➤ Maximum Time limit to furnish GSTR -3B: ➤ However, registered person shall not be allowed to furnish GSTR -3B for a tax period after 3 years from due date of furnishing the said GSTR -3B. Government may allow to file it after 3 years in certain cases.

9)	<p>No, the stand taken by Tax Consultant of Mr. Jeet is not correct.</p> <p>Legal Provision:</p> <ul style="list-style-type: none"> ➤ Annual return is required to be filed by every registered person paying tax as a normal taxpayer. ➤ Final return is filed by the registered persons who have applied for cancellation of registration, within three months of the date of cancellation or the date of cancellation order, whichever is later. <p>Discussion & Conclusion:</p> <ul style="list-style-type: none"> ➤ In the given case, Mr. Jeet, a registered person, is winding up its business and is thus, applying for cancellation of registration. ➤ Therefore, he is required to file both annual return and final return. 						
10)	<ul style="list-style-type: none"> ➤ As per section 44, Every registered person is required to file an annual return electronically in prescribed form. ➤ However, the following persons are not required to file annual return:- <ul style="list-style-type: none"> - Casual Taxable Person, - Non-resident taxable person, - Input Service Distributors and - Persons paying tax under section 51 or 52. ➤ Section 44 is not applicable to any department of Central Government/ State Government/ local authority, whose books of account are subject to audit by the Comptroller & Auditor-General of India or an auditor appointed for auditing the accounts of local authorities under any law for time being in force. ➤ On the recommendations of Council, Commissioner may exempt any class of registered persons from filing annual return by a notification. ➤ Due date to furnish Annual return:- <ul style="list-style-type: none"> - Annual return for a financial year shall be filed by 31st December of Next financial year. - Due date may be extended by Commissioner. ➤ However, registered person shall not be allowed to furnish an annual return for a financial year after 3 years from due date of furnishing the said annual return.
